

# AMHLC NEWS

We are growing by leaps and bounds, by God's grace alone.

## AMHLC TEACHER'S DAY!

We are so thankful for our amazing teachers! They create a safe and loving space for our community's children. We celebrated our teachers on March 10th to show our upmost appreciation for them. Thank you Ms. Trish and thank you to all of the parents that gave a gift in support of teacher's day! AMHLC is truly abounding in love!

## Our Mini-bus Has Arrived

AMHLC is excited to announce the arrival of our very first mini-bus.

Recently, we have been using walking as a means of transportation for children that attend Horace Mann Elementary School. We are now able to use our very own mini-bus as transportation for school-age children and for our awesome field trips!

### BETTY BRINN FIELD TRIP

Our children are going to Betty Brian children's museum April 12-April 14. Can't wait to share some photos.

### SUPER MARIO BRO FIELD TRIP

We are taking our night-time kids to see the new Super Mario Bros movie in theaters!

### EASTER CELEBRATION

AMHLC's Easter celebration will be on Thursday, April 6th. Our children and our staff will be having a potluck!

## SPIRIT WEEK

We loved our Spirit Week so much, we're going to do it every month!

Every year, we have a spirit week where our children and staff can dress up each and every day! This year our spirit week was March 13- March 17.

Our Dress-Up Days were:

Monday: Pajama Day

Tuesday: Sports Day

Wednesday: Grandparents Day

Thursday: Superhero/Princess Day

Friday: St. Patrick's Day

Each day, the classroom teachers picked a 'best dressed' and the winners had the opportunity to pick a prize from our treasure bin!

April 3-April 6, AMHLC will be having another Spirit Week to celebrate Super Mario! Each day we will be wearing certain colors of the different characters. Photos coming soon!

## Honoring Glorii

February 3rd, we honored Glorii, a four year old survivor of congenital heart disease by wearing red. Glorii is a child full of life that many parents recognize at the front door saying "hello".

We are so glad that we have families that help us support each other!

## JELLY PEDICURES

Sensory activities are must for children! Sensory activities stimulate the brain, improves coordination and fine motor skills, can help learn language and social skills, and it's super fun! Each of our children were able to experience a jelly pedicure... they loved it!
