GRADUATION

AMHLC's first graduation ceremony was held June 19, 2021.

Beautiful memories were created during our first annual graduation ceremony. Students advancing to kindergarten (or a higher level within our program) were honored. The celebration was filled with music, awards, laughter, smiles, and tears! We have great expectations of A Mother's Heart Learning Center's graduates.

MOTHER'S DAY CELEBRATION

AMHLC'S 2021 SUMMER OF FUN

A summer filled with excitement and adventure at A Mother's Heart!

Our 2021 Summer of Fun kicked off on June 21st. The teachers planned a plethora of activities in the areas of: art, crafts, physical fitness, sports, STEM (science, technology, engineering, math), music, culinary, and dance.

Our staff designed activities specific to each age group. We captured the love and attention of children, ages 1 to 11 years.

The summer program sparked a love for learning and helped children identify new skills and interests. Our unique exploration provided great insight and understanding of each child. We anticipate another amazing experience next summer!

FIELD TRIPS

Our 2021 Summer of Fun was filled with offsite exploration. We went on weekly field trips, allowing the children to

experience all aspects of learning: Discovery World,

Betty Brinn, Bowling, The Big Backyard, Botanical Gardens, Milwaukee Zoo and much more!

CENTER-WIDE FIELD TRIP (ZOO DAY)

On July 28th, the entire center took a field trip to the Milwaukee County Zoo. We were able to walk around the entire zoo, taking a closer look at wildlife from around the world. This was a wonderful experience for the children as well as our staff.

In a time of worldwide turmoil, A Mother's Heart Learning Center was committed to restoring joy and fun during our children's summer break. We took every opportunity to make each day great. 2021 Summer of Fun brought sheer enjoyment and excitement to all of its' participants.
