Customer Service

Steele provides quality service both before and after your purchase. To place orders, check order status, request a catalog, or ask questions, simply call toll free 800-230-5871 or visit www.steelerubber.com. For returns and additional assistance, please contact our Product Specialists at 800-230-5871.

Our Guarantee

Quality is extremely important to us. We value our relationship with our customers and want your experience with Steele to be the best possible. We offer a 100% Satisfaction Guarantee on all parts manufactured by and purchased from Steele Rubber Products.

DENSE RUBBER SEALS

SPONGE RUBBER SEALS ON PAGE 10

How To Order

All of our universal seals, on pages 2-13, are sold "by the foot". Simply let us know how many feet you require, and we will cut to your custom length.

Possible Uses:

Many of the seals on these pages are perfect for holding glass in a metal track, providing safety and great finishing looks.

SINCE 1958

Our Universal Parts are for Anything!

We built our reputation over decades of producing the highest quality rubber parts and weatherstrip seals for classic and antique vehicles. Now, we bring our experience and commitment to quality to our line of universal rubber seals. From cars and trucks to boats and recreational vehicles, you can be confident in the great looks, high performance and long life of our universal rubber seals.

Don't See The Part You Need?

We have thousands of rubber profiles and extrusions in our inventory that may not be listed in this catalog. Give us a call and one of our Product Specialists can assist you in finding the right part for your next project.

Universal Seals

PEEL-N-STICK SEALS

Our Peel-N-Stick weatherstripping can be used any place a rubber seal is needed. With easy to use Peel-N-Stick adhesive backing, simply cut to size and fit to the areas you need to seal. Available in multiple lengths and a variety of extrusions, our Peel-N-Stick parts are made of the same quality sponge & dense rubber found in our standard rubber parts and weatherstripping.

No messy glue, just peel and stick!

↓

The tube shaped bulbs are made of high quality rubber. The flexible metal cores can bend to grip edges tightly, providing a simple and safe way to seal.

**MORE
PUSH-ON SEALS
ON PAGE 20.**

PUSH-ON SEALS

NON BULB

PUSH-ON SEALS

EDGING

These PUSH-ON Seals can be used for covering rough or dangerous edges. These work great on Metal, Plastic or Fiberglass.

Rubber edging seals are listed on page 18

FOR 1/8" TO 3/16" EDGES

FOR 3/16" TO 1/4" EDGES

FOR 1/8" EDGES

FOR 1/32" EDGES

FOR 1/32" TO 1/8" EDGES

FOR 1/8" TO 3/16" EDGES

FOR 1/32" EDGES

The flexible metal cores can bend to grip edges tightly, providing a simple and safe way to seal.

RUN CHANNELS

WITH METAL SPINE

These Run Channels have a fuzzy lining which creates a smooth surface for glass to slide. They also have a metal spine which makes them tough and durable. The run channels listed here are a perfect choice when restoring antique cars.

FLEXIBLE METAL SPINE
70-1238-58 - 5' strip
70-1239-58 - 6' strip

FLEXIBLE METAL SPINE
20-1146-58 - 5' strip

FLEXIBLE METAL SPINE
60-0375-58 - 5' strip
60-0129-58 - 90" strip

FLEXIBLE METAL SPINE
20-1619-58 - 5' strip
40-0309-57 - two 3' strips
40-0309-98 - 8' strip

FLEXIBLE METAL SPINE
70-1107-57 - 5' strip
70-1108-57 - 6' strip

RIGID METAL SPINE
70-0752-58 - 6' strip
70-3819-58 - two 2' strips

RUN CHANNELS

**ALL FLEXIBLE
NO METAL SPINE**

Flexible Run Channels with a flocked lining create a smooth surface for gliding window panels. Works great with glass, acrylic, fiberglass or plastic. These fibers provide low friction, flexibility and long life.

BELTLINE WEATHERSTRIP

Beltline weatherstrips provide a smooth surface for glass to slide against as it rolls down into the door. They prevent glass from rattling and keep dust and moisture out of the door panel.

We have thousands of rubber profiles and extrusions in our inventory that may not be listed in this catalog. Give us a call and one of our Product Specialists can assist you in finding the right part for your next project.

Adhesives

Loctite Super Bonder 495
General purpose instant adhesive designed to bond rubber, metal, and plastic parts. Excellent for modified gaskets or rubber footage made of dense or sponge rubber.
96-0495-96 (3 gm. Tube)

3M Super Weatherstrip Adhesive (Yellow)
For adhering all types of rubber weatherstripping to car doors and trunks. An excellent adhesive for bonding engine gaskets. Can be used for adhering vinyl trim headliners and side panels. Light colored adhesive. Very fast drying, exceptional bonding strength.
96-8001-96 (5 oz. Tube)

3M Super Weatherstrip Adhesive (Black)
It is a strong, flexible, rubbery adhesive that with stands vibration and extreme temperature variations. Primarily designed for use on T-Tops, Moon-Roofs. Because of its black color, clean-up is eliminated due to its blending in with the rubber.
96-8008-96 (5 oz. Tube)

3M Weatherstrip Adhesive (Black)
For bonding trim fabrics (except vinyl), trunk linings, floor mats, and rugs, silencer pads, KB board; also good general purpose rubber cement. Has quick tack, will not bleed through fabric.
96-8011-96 (5 oz. Tube)

3M Plastic and Emblem Adhesive
An excellent clear adhesive for plastic repair and emblem application. Use this strong, quick-drying adhesive for plastic or metal emblems, interior rigid plastic, tail light lenses, vinyl side moldings or upholstery.
96-8061-96 (5 oz. Tube)

3M General Trim Adhesive
A rapid drying, high strength, light colored adhesive in an aerosol container. Designed for bonding most types of material used in automotive trim operations except unsupported vinyl. Excellent for fabrics, upholstery, foam, jute pads, carpets, re-bonding vinyl top sections, etc. Has adjustable spray pattern, high initial strength and does not require shaking or agitation before using. Provides good heat resistance.
CANNOT BE SHIPPED VIA AIR
96-8080-96 (16.25 oz. Aerosol)

3M General Purpose Adhesive Cleaner - Spray
Quickly cleans off wax, grease, oil, old adhesive, road tar, silicone, etc. Will not dissolve or mar automotive paint that has been properly aged. Also suitable for use on vinyl or glass surfaces.

CANNOT BE SHIPPED VIA AIR
96-8987-96 (15 oz. Aerosol)

3M Auto Bedding and Glazing Compound
A non-hardening water resistant, medium bodied sealer for sealing auto body, seams, under moldings and between windshield rubber and car body. Remains permanently soft and pliable without shrinking to absorb movement in the auto body. Neutral color is clean and easy to use and eliminates clean-up on windshield rubber, etc. Easy to Use-Stop-Flo Plunger on each cartridge prevents oozing. has dry rag cleanup.

96-8509-96 (10 oz. Cartridge)

3M General Purpose Adhesive Cleaner - Liquid
A specially blended solvent that provides easy cleanup of most types of adhesives and quickly removes waxes, road tars, grease, oil and similar materials. Will not harm thoroughly dried automotive paint, vinyl or fabrics when properly used.

CANNOT BE SHIPPED VIA AIR
96-8984-96 (Quart Can)

Since 1958

Clip Removal Tool For removing clips and retainers quickly and easily. Simply seat the tool on the shaft of the fastener and squeeze the handles together. Made of high carbon steel and heat treated for strength. Zinc plated with vinyl molded handle grips. **94-0100-94**

All Purpose Tool A varied-purpose tool. Assists in the installation of roof, windows, windshield rubber, and back glass. It is used to remove body clips, moldings, springs, cotter pins, and radiator hoses. Great for hard to reach places. 9.5 inches long, 5.5 inch blade. **94-0101-94**

All Purpose Tool An all-purpose tool with an extra long hook. Use to remove moldings, body clips, windshield seals, cotter pins and radiator hoses. Made of tough spring steel, heat treated, tempered, and plated. 8 inches long, 4.875 inch blade with 2 inch hook. **94-0102-94**

Tucking Tool For tucking, headlining, and upholstery around windows, above doors and other hard to reach places. A sturdy, rough tool with a slightly curved blade that has finished edges around corners. Comfortable wood handle. 7.5 inches long, 2.625 inch blade. **94-0104-94**

Glass Retainer Clip Tool Reduces the risk of chips and scratches to glass windows caused by makeshift tools. This tool is specifically designed to fit trim clips over the studs and virtually eliminates glass breakage. It also dispenses with the need to remove rubber-like sealant surrounding the studs. A practical tool for placing trim retainer clips over headed studs welded around the body window shields and rear window openings. **94-0106-94**

Trim Pad Removing Tool Designed specifically to pull out the plastic trim pad fasteners used on GM cars. It reaches under the trim panel, supports and grips the plastic fastener, and lifts it without damage to the fastener or to the trim pad backboard. This tool is made of heat treated, high carbon steel and will work equally well on metal fasteners. 8.5 inches long. **94-0107-94**

Trim Pad Removing Tool For auto trim work. Double ended tool combines both left and right hand. Removes reveal moldings on rubber-less windshield jobs. 9.5 inches long. **94-0108-94**

Door/Trunk Handle - Ferrule Installation Tool For 1926-1937 G.M. cars and trucks using door & trunk handle ferrules. Without it ferrules are very difficult to install and impossible to reinstall after painting. Installs ferrules by staking them internally. Precision machined, adjustable, plated for durability. 6 inches long. **70-0662-69**

Safety Glasses Reinforced plastic, clear lenses, and wraparound frame. **94-0109-94**

Plastic Windshield Tool This handy tool makes replacing windshield gaskets a little easier. A good multi purpose tool too. 8"X11/16" **94-0110-00**

Don't See The Part You Need?

We have thousands of rubber profiles and extrusions in our inventory that may not be listed in this catalog. Give us a call and one of our Product Specialists can assist you in finding the right part for your next project.

Parts Availability

New parts are constantly added to our inventory. The availability of new and current parts contained in this catalog is subject to change without notice. Please visit our Online Catalog for updates at www.steelerrubber.com

Returns

If you are not completely satisfied with the parts you have purchased from Steele, you may contact us regarding a return and refund. We, however, cannot accept returns of parts that have been installed or altered in any way. We cannot accept returns of less than 12 continuous feet or the original purchase of extruded length if less than 12 feet. Items purchased at bulk rates must be returned in entirety and may be subject to a 25% re-stocking fee. Samples of profiles are available for inspection before purchase by contacting Customer Service department.

Exchanges

All exchanges of parts will be at our discretion. In some cases, we may exchange a returned part for a similar part that replaces a changed part in our catalog.

Refunds

We will issue a refund of the purchase price (less discounts and/or restocking fee). All requests for refund must be accompanied by a copy of the original invoice and the purchased parts. Shipping & Handling Charges may not be refundable.

Since 1958

Request a Return

Please contact our Customer Service Department at 800-230-5871 to request an exchange or refund. Our representative will provide you with instructions for returning parts to us. We cannot accept return packages sent C.O.D. or any method for which there is a charge to us. You may return items at swap meets that Steele attends, however you must have a copy of your original receipt and the entire part. Refunds will be sent from our office.

Return Reseller Parts

Items manufactured and sold by Steele, but purchased through an independent or authorized reseller of Steele parts, must be returned to that same reseller for refund or exchange. Such purchases are subject to the return policies of the reseller.

Cancellation

Orders that have been processed cannot be cancelled. If you must cancel an order, please call us at 800-230-5871. If an order has been processed, we may charge you for Shipping & Handling. If you refuse delivery of a package, you may be subject to a non-refundable 25% restocking fee.

Privacy Policy

All customer and sales information provided to us will be maintained by Steele Rubber Products only. We do not sell or share our customer mailing lists. On occasion, Steele will correspond directly with our customers. To change your address, phone number, email address, or other account information, please contact us at 800-230-5871.

Use Of Parts

These parts are not recommended for specific usage. We are not responsible for damages caused by incorrect installation, abuse, mishandling, accidents or normal wear. Nor will Steele be responsible for labor charges, inconveniences, or any other expenses associated with parts bought through resellers or Steele.

The contents of this catalog should not be altered in anyway for commercial or other use.

Delivery Of Parts

We cannot guarantee a continuous roll of any extrusion in this catalog when ordered in bulk. Therefore, we reserve the right to deliver your parts in multiple lengths to meet your total purchase requirements. We will do our best to ensure that each strip is as long as possible to minimize scrapage for you.

Method Of Payment

Payment for all orders must be U.S. Funds. Fax orders must be placed with a credit card. Bank guaranteed letters of credit are not accepted. We accept the following . . . VISA, Discover, MasterCard & American

Same Day Shipping

For fastest delivery, Steele makes every effort to ship orders received by 2:00pm (EST), Monday-Friday on the same day, when parts are in stock. Large orders may require additional manufacturing time.

Domestic Shipping

For U.S. addresses, we will use our preferred carriers. For details about carriers, please call. Rates are subject to change without notice.

International Shipping

For Canadian and Overseas orders, customers will be responsible for all shipping, brokerage fees, duties, or other fees. For countries to which parcel post packages cannot be insured by the U.S. Post Office, package safety will be the responsibility of the customer and all losses will be borne by the customer. Rates are subject to change without notice.
