STREET LITE 15

Certification:	SFI 15.1 - Drag Race Rear Wheel				
Double Beadlock Available:	Yes 15x10 & Up				
Single Beadlock Available:	Yes 15x8 & Up				
Lug Nut Type:	Mag Shank - 5/8" Stud				
Caliper Clearance:	5/8" & 1/4"*				
Bolt Pattern:	5x4.50, 5x4.75 5x5.00 - 15x12, 15x14, 15x15 Only				
Finish:	Polished or Black Anodized				
Construction:	Standard, Single, or Double Beadlock				
Size	Backspace (in.)	Weight (lb)	Size	Backspace (in.)	Weight (lb)
15x3.5 *	1.75	9.0	15x10	3.50 - 7.50 **	16.2
15x4 *	1.625 & 2.25	10.5	15x12	3.50 - 7.50 **	18.2
15x6	3.50	12.8	15x14	3.50 - 7.50 **	20.2
15x7	4.50	13.2	15x15	3.50 - 7.50 **	22.2
15x8	3.5 - 5.5 **	14.2			

* 15x3.5 & 15x4 with 2.25" Back Space require the use of 1/2" long Mag Shank Lug Nuts and have 1/4" Caliper Clearance.

** Backspace in 1 inch increments only.

Important: Wheels with a backspace of 4.50" or more check for brake clearance by measuring from the center of the axle to the top of the caliper. This measurement cannot exceed 6.51" or the caliper will come in contact with the drop center of the wheel.

BRAKE CLEARANCE

**Standard /
Single
Street Lite**

The highest point of the brake caliper cannot exceed 6.51". This is measured from the center of your hub/axle to the highest point on the caliper. Recommended clearance between the wheel & caliper is .080 per Wilwood Disc Brakes.

**Double
Beadlock**

The inside diameter of the 15" beadlock is 13.18".

999497	1.125	Pair

WHEEL ACCESSORIES

WHEEL SPACERS

ALL WHEEL SPACERS HAVE A 3.080" CENTERBORE

Wheel spacers are precision machined from 6061-T6 aluminum to ensure trueness, quality & strength. To ensure proper fitment you will need to measure the overall diameter of the bolt pad area of your wheels before ordering.

- Billet Specialties recommends the use of E-T style lug nuts for proper thread engagement. E-T lug nuts allow for an extra 1/4" of thread engagement.
- Stud length must be long enough for the lug nut to engage the stud a minimum length equal to the diameter of the stud.

STREET LITE / WIN LITE
WHEEL SPACERS

Wheel Size	Bolt Pattern	Spacer Size	Part #
15x3.5 - 15x10	5x4.50 / 5x4.75	1/4" (.25")	WS3085625
