Photo opportunities:

Did we mention it is 100% free?

One of the ways we that fund our program is by giving the students a chance to purchase a photo with one of our ambassador animals.

If guardians choose to not purchase a photo, that is quite all right. Their child can still participate in the program. Because our main goal is to ensure that every child is able to see our program at no cost!

Staff photos:

Each school will have a chance to win a free photo for all of the staff!

Fund raising:

Yes! We will help your school setup a fundraiser.

Not only do we offer our program for free to the schools but we also give back to the schools!

Souvenirs:

We fund our programs by selling souvenirs to students!

We have various merchandise items available for purchase!
