Best new business

For businesses launched in the last 24 months

Celebrating a start-up or new venture that's shown impressive growth, originality, or resilience. Whether it's a product-based brand or service provider, this award goes to a business that's made a big impact in a short time.

Judges will look for: innovation, early traction, customer feedback, and a clear vision.

Customer hero award

For businesses who go above and beyond for their customers

This award recognises businesses that consistently deliver outstanding customer service. Whether it's a personal touch, fast response, or exceeding expectations, this is for those who treat every customer like a VIP.

Judges will look for: testimonials, examples of exceptional service, and customer-focused practices.

Homegrown hustler award

For one-person businesses making big moves

This award celebrates solo entrepreneurs who juggle it all: marketing, sales, delivery, admin and still deliver incredible results. From side hustlers to full-time self-employed heroes, this one's for the lone wolves.

Judges will look for: originality, growth, consistency, and story of resilience.

Young Entrepreneur

For rising stars aged 25 and under

A spotlight on ambitious young founders who are shaking up their industry with fresh ideas, creativity, and hustle. Whether they're selling handmade jewellery or building an app, this is for those proving age is just a number.

Judges will look for: entrepreneurial spirit, innovation, and drive.

Community star award

For businesses making a difference in the local community

This award honours those businesses who give back whether through charity work, volunteering, community events, or simply showing up for others. It's about heart, not just profit.

Judges will look for: impact stories, consistency, and community feedback.

Rising brand of the year

For a business that's rapidly growing and gaining recognition

Whether they've gone viral online or exploded through word-of-mouth, this award is for businesses on the up and up! Growing their customer base, brand awareness, and market presence.

Judges will look for: visibility, momentum, brand identity, and future potential.

Eco impact award

For businesses leading the way in sustainability

Recognising those making conscious choices. From ethical sourcing and plastic-free packaging to upcycling or reducing carbon footprint. This is for eco-warriors making greener business the norm.

Judges will look for: clear environmental actions, transparency, and innovation.

Thank You

Whether you're a solo trader, a local agency, or a regional brand, your support will directly help us celebrate and elevate the local business community.
