FAMILY HOME CARE

COMPASSIONATE CARE.
RIGHT AT HOME.

A LETTER FROM

the Owner

Thank you for considering Madea's Family Home Care. I created this business with a simple but powerful belief: every senior deserves to be treated like family.

I understand how difficult it can be to find someone you can trust in your loved one's home. That's why I personally ensure that every client receives compassionate care, personal attention, and meaningful connection—because to me, you're not just a client, you're family.

With love and gratitude,

Aquila Patton

Owner & Private Caregiver

ABOUT ME

**Hi, I'm Aquila Patton,
your private caregiver.**

My passion is providing compassionate, reliable, and respectful care that improves quality of life and brings peace of mind to families.

With a caring heart and a helping hand, I treat your loved one like family—because they are.

WHY WE STARTED

Madea's Family Home Care was born from love and a heartbreaking loss. After unexpectedly losing my grandmother to COVID-19, I experienced firsthand how precious our elderly loved ones are and how important compassion, companionship, and support truly can be.

Her memory continues to inspire everything I do. I wanted to create a business that honors her by being a blessing to as many seniors as possible—ensuring no senior feels forgotten, alone, or without someone who truly cares.

Today, I am honored to serve families just like yours and make a positive difference in the lives of those we love most.

Like Family, We're Here to Help.
