

INSTRUCTIONS

1. Place Grip-A-Jar on a dry, flat surface. Place dry jar in the center of the Grip-A-Jar base.*

2. Secure the jar by rotating the Grip-A-Jar base counter-clockwise to tighten arms against the jar. Open the jar.

3. Release the jar by rotating the Grip-A-Jar base clockwise to loosen the arms. Remove the jar and enjoy!

Note: Refrigerated jars may have moisture on the outside surface. For maximum grip ensure the jar and gripping surfaces are completely dry.

Grip-A-Jar™

"Grip-A-Jar grips the jar so you don't have too."
