

How to Purchase Add-On Tickets

A step-by-step guide to our new online ticketing system

www.washnatopera.org/private-subs

(After clicking ‘Purchase Add-On Tickets’ from www.washnatopera.org/private-sub)

Step 1: Select the first production for which you would like to purchase add-on tickets by clicking on the red **Order Now** button.

The screenshot shows the Washington National Opera website. At the top, there are links for SUBSCRIPTIONS, DONATION, a shopping cart icon, HELP, and SIGN IN. Below the header is a mission statement: "Washington National Opera, as a leader in opera, seeks to inspire, connect, and enrich our community, shape the future of opera, and illuminate the American and human experience. We tell timeless stories with programming that excites, entertains, engages, and educates. We are committed to diversity and balance – presenting classic, contemporary, and American works – to broad local, national, and international audiences."

Below the mission statement are tabs for CURRENT and PAST, and view options for LIST, GRID, and CALENDAR. The main content area displays three productions:

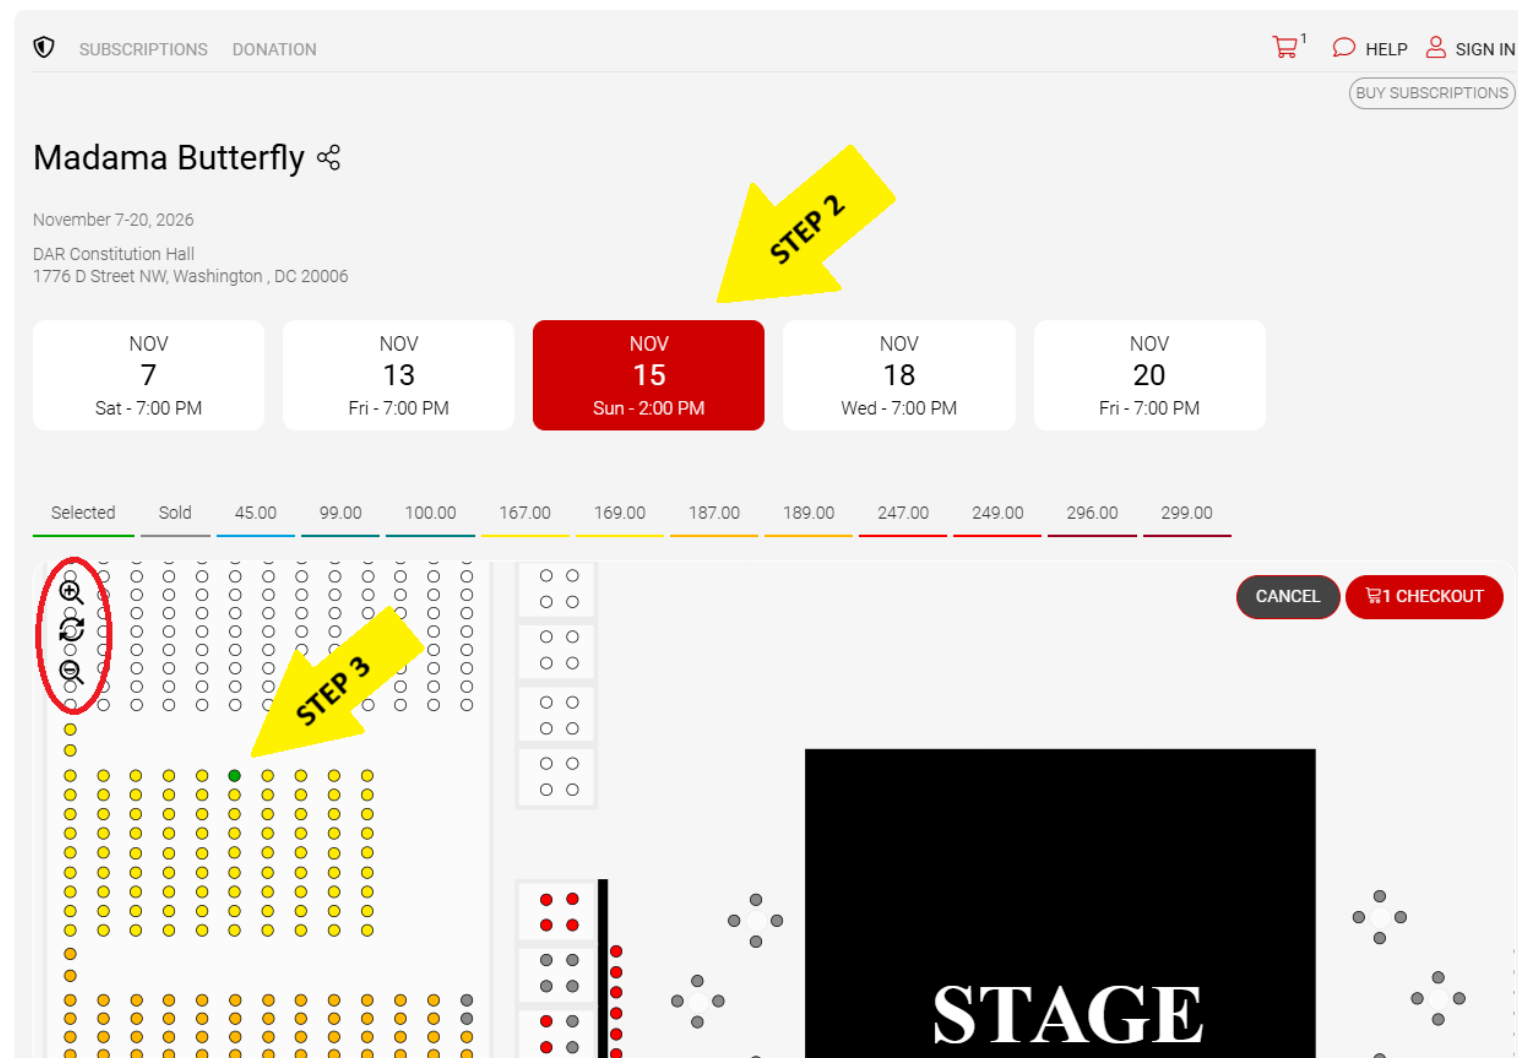

- Madama Butterfly**: DAR Constitution Hall, 1776 D Street NW, Washington, DC 20006. Ticket prices: \$45.00 - \$299.00. Dates: 11/7/2026 - 11/20/2026. A yellow arrow points to the red **ORDER NOW** button.
- Nixon in China**: DAR Constitution Hall, 1776 D Street NW, Washington, DC 20006. Ticket prices: \$45.00 - \$299.00. Dates: 11/14/2026 - 11/21/2026.
- We the People**: DAR Constitution Hall, 1776 D Street NW, Washington, DC 20006. Ticket prices: \$45.00 - \$299.00. Date: Sun, 11/22/2026 @ 4:00 PM.

Each production card includes a "SHARE" button and a "READ MORE" button.

Step 2:

Select your preferred performance date by clicking on it. Your selected date will turn red.

Step 3: Select your seat(s) by clicking on the circles in the seating map. Selected seats will change color to confirm your selection. You may select multiple seats.

Helpful Tip: You can use the magnifying glass icon (circled in red in the above image) to increase and decrease the size of the seating chart.
