SVP TRUST'S

**RJ PU COLLEGE OF SCIENCE**

UNDER THE MANAGEMENT OF **DR. BHURLI**

YOUR DREAMS - OUR MISSION

Recognised by Department of Pre-University Education, Bengaluru

## About us

The vast stretch of "Kalyana Karnataka" is better known for its rich culture, Toordal (which is geographical index of this region) and for the cluster of cement industries. Kalaburagi is also a prominent centre of educational institutions. Now under the eminent leadership of Dr. Bhurli Prahlad, SVP Trust's RJ PU College has drawn up plans for imparting quality education to the pre university pupils of Kalyana Karnataka. RJ PU College has been designed to train students for NEET, IIT-JEE, KCET and other competitive exams along with their PU education. Our vision is to provide a caring academic environment that nurtures conceptual thinking and transforms today's students into tomorrow's young, confident and socially responsible leaders.

Dr. Bhurli with his dedication, commitment and 30 years of unmatched efforts in the field of education has successfully produced many engineers and doctors. He is popularly known as the "**Architect of engineers and doctors**".

### *Special Features:*

- ❖ The college strives to train the students and enable them for seeking admission into professional and non-professional courses.
