

Westerville Winterguard Sponsorship Letter

Dear local business partner, friend, or family member,

The Westerville Winter Guard is a group of talented students grades K-12th that perform choreographed routines to music using colorful flags, mock rifles, and replica sabers. The group performs throughout Ohio and surrounding states at competitions. The competitive show this group performs takes many levels of financial support for staffing, design, props, costuming, equipment, transportation, and operational expenses. It takes approximately \$40,000 to run this program every season. As with all competitive team programs, sponsorships and donations from the community and local businesses play a vital role. Although the team is made up of students from all the Westerville Schools we are not funded by the school district; therefore, we are dependent on team family contributions and team fundraisers. Most fundraisers only give up to 50% profit, but with a sponsorship, 100% goes into the fund. Without this additional support from our community, we cannot continue to offer this enriching experience to our students. We need your support.

By teaming with us to help provide this valuable activity, you help our members perform, create, express, and achieve greatness during their middle, high school, and college years in a wholesome activity that is meaningful, healthy, and artistic. To learn more about us, visit our website at www.westervillewinterguard.com

- With every donation of \$150 or **more** we will print your business name (or family sponsor name) as a sponsor on the back of our show shirt that will be visible to hundreds of people at competitions in the state of Ohio and surrounding states.
- With every business donation we will list your company's name as a sponsor in a tab on our website.
- With every donation we will advertise a list of sponsors at all home events throughout the season
