

Sabino Improvement Association Meeting Minutes
August 4th, 2021

Izabela and Paul Werner hosted Potluck and Trivia Night this week. Thank you!!.

Doug Wilson, President, brought the room to attention at 6:50 p.m. for announcements. Doug thanked our hosts and reminded everyone that we still need hosts to sign up for the last couple of weeks. The membership agreed to leave the decorations left over from the wedding this week up until end of year. The lanterns give it a very festive atmosphere. No new members tonight. The Powers had guests, Kelley's niece, Gretchen, and her three children, Addison Sydney and Griffon. Maddie Werner had friends visiting.

Next topic was dues. Please send your annual dues to Izabela. Also, from the pound auction last week, if you have balances, please see Izabela, she has the list of who still owes.

Tonight we had a treat from Angel Jamison, she brought fresh oysters. They are from our river and gave a little background on the industry on the New Meadows. They were DELICIOUS!!!

Tonight is trivia night. Paul Werner was our Trivia master. Four teams played. It was a lot of fun!!

Meeting adjourned at 7:08 p.m. 22 People attended.
