

## Sabino Improvement Association Meeting Minutes

July 29<sup>th</sup>, 2021

Kelley and Brad Powers hosted Potluck and Pound Auction this week. Thank you!!.

Doug Wilson, President, brought the room to attention at 7:08 p.m. for announcements. Doug thanked our hosts and reminded everyone that hosting this year will include desserts, which frees everyone else up to bring main dish, salads, etc. New member this week was Lise Katz, welcome to the hall!! Marylyn announced there were clink bags on the table, along with a brochure for the Maine State Music Theater. They are putting on a few shows this year, to include the Westbrook location. Also, Kerry Nelson's picture of the Sabino Road improvement project from last summer is on the front of the West Bath Report. There is a copy on the table, or you can pick one up at town hall.

Kelley and Brad Powers donated a Keurig to the Hall, as ours seems to have disappeared. THANK YOU Kelly & Brad!!

Tonight is the pound auction, Tyler Andresen will be our auctioneer tonight. Please remember our 100<sup>th</sup> anniversary is next year, so the money we make tonight goes to the preservation of the hall so we can continue to have the hall for the next 100 years.

Meeting adjourned at 7:25 p.m. 30 People attended and the Auction brought in approximately \$587 dollars.
