

## G F G Quarterly Newsletter – Jan 2019

Happy New Year to everyone! Here's to a great year ahead with lots of accomplishments! During the year gone by I was involved in new recording projects by Bob Enns, Pam Edgar, TerraZetto and Brent Boehler. I also played at the release party for Brent & Woofy's new CD "Bright Sunny Day". The next GFG project moves forward with the recording of 4 new songs including our next single "Party Out There Tonight" scheduled for release in March. Coinciding with the single will be a professional music video which was shot on Nov.10 with the help of a number of our fans, to whom we are hugely grateful for their participation and encouragement. A 4 song EP will accompany the single release in anticipation of a full album later in the year. We have 2 entries in the Independent Music Awards including "Music Alchemy" album design, and "Joe The Crow" for eclectic song of the year! Check out the IMA site and give us a click: <https://fans.independentmusicawards.com/artists/glen-foster-group/> Every little click helps! Our Spotify site had a nice increase in listeners which we now intend to build on, over here: <https://open.spotify.com/album/46iGA2SarhB8CB7As8Ygmk> Please add us to your playlists! Lots of live performances where you can see us are coming up and being added all the time. Please check our website for more announcements, gigs, videos, pictures etc. Thank you!
