

G F G Newsletter – November 2022

- In case you haven't noticed, **GFG** Newsletter is no longer Quarterly but now 'Whenever'! That's partly because I forgot, and partly because after 50 editions I felt it was maybe time for something different. Also if there wasn't anything newsworthy then 'why bother?', but recently a number of gigs and things have been materializing that I can share with you now.
- Drummer Dwight Gray has left the band to pursue other interests after over 4 years of playing and appearing on 4 albums. We remain good friends and wish Dwight all the best.
- I have remained about as busy as ever playing lots of solo gigs and duos with Marg, and also a few GFG jobs with James McRae on drums, Pat Shonwise on bass and occasionally Marty Steele on keys. Our New Years Eve dance this year at Nanaimo Yacht Club will also include Rick Becker on trombone and bass guitar. It's good to be rockin' n rollin' again!
- The other exciting thing is we are now rehearsing for another recording project this month. The new songs will be released as 'singles' first, with the ultimate goal of eventually my tenth album to be completed sometime next year. Unnatural Tendencies is the working title ('Ten') and will feature a 5 part suite of approx. 15 minutes of mind-bending, non-stop music!
