

# **G F G Quarterly Newsletter – July 2020**

- With the April 24 release of Not Far Away, a substantial amount of press in publications such as Cashbox, RecordWorldMagazine, RootsMusic, Jammerzine, TheTinnitist, etc. led to several Live Streaming opportunities for Glen to perform, i.e. Music Expo 2020
- Thanks to promotion of the album by Eric Alper and the Toronto team, Glen Foster Group Spotify plays increased in April by 3184% with a whopping 854 listeners (100 is very good)
- Meanwhile the band got back to having practices in June and working on music videos. Do Like You Do (new single) has 3 different versions including a Black & White 'TV show'. Brains, Brawn & Beauty is almost done, featuring a silent film 'girl tied to railway track' clip!
- Album sales of NOT FAR AWAY, downloads and streams have been surprisingly strong, considering a lot of sales come from playing live. Get a copy directly or order online here\*
