

## G F G Quarterly Newsletter #52 – Mar 2023

- Hello Everyone, the last few months have been very productive with Live Performances, and also artistically, writing new material and recording tracks for our next album.
- New Years Eve at Nanaimo Yacht Club was a blast once again as you can tell from the photos below. With a Roaring Twenties Dixieland theme the band hit the dance floor with Trombone, Tenor Banjo, Melodica, Flat-top Guitar and Tambourine playing Ain't She Sweet and other roaring twenties favourites to open our show. A great night and fun for everyone.
- We also played the Annual Christmas Benefit at the Queens Hotel in December and continue playing regular gigs at Lighthouse Bistro & Pub, El Faro Market, and others.
- Recording has begun with 4 new tunes: Seeing Red, Different Highway, Don't Need A Reason and Final Act Of Defiance (which starts with a Hip-Hop verse, ends with a Disco chorus and features the most feared instruments in rock and roll – Banjo, Accordion, Sitar and Bagpipes all in one song!). No wonder the working title is Unnatural Tendencies!
- As we plan to release another project I would like to get a feel for how many of our fans are now downloading and streaming music, and if anyone is still interested in CDs or vinyl?
- Bookings have started to come in for summertime concerts and festivals including the Ladysmith Transfer Beach concerts, and Parksville Community Beach in the new bandshell.
