

G F G Newsletter #60 – April 2025

Hello there. It's another year, spring is here and summer is on its way.

There are a few things I'm quite excited about. I've written some new songs that are in various stages of completion. I have some gigs lined up that I'm happy about, with more to come.

I have a new music video finished (more about that below) and another in the works.

I am contemplating a new album that is currently in the 'blue sky' planning stages.

And last but not least, I'm writing a book! Can't say much right now but it's started.

- I've always felt that my original song, War Of Words on The Reckoning album (2012) was one of my strongest songs and deserved more exposure and attention. In order to achieve that we (Rescue Records and Videos) have produced a brand new music video, with the help of several friends. This video may be used in promoting the next album (TBA). Please give it a watch and a listen using the Hot Link below. It really helps to give a Thumbs Up, Subscribe to my Youtube channel, Share or add to a Playlist, watch to the End, and leave a positive comment if you feel like it. These all help build up my ability to generate income.
- The next music video in the works features vintage rock group Chevy Ray and the Fins. These friends of mine sang on my cover version of The Four Seasons 'Big Man In Town', which is also on the 2012 album The Reckoning, one of Glen Foster Group's best.
- Glen Foster Group will be performing at the 39 Days of July Music Festival in Duncan, BC again this year on Saturday June 28 at 4:00pm. It's an excellent music happening to attend. I will personally be appearing with a new group tentatively called the Foster-Steel Band. We're playing a concert at St. Andrew's Church in Nanaimo on Sunday May 25 at 7:00pm.
- I'm very inspired to be working on my new book tentatively entitled 2225, science fiction!
- Please check out my Website at **glenfoster.ca** for some great new features and additions.
- That's it for now. Thanks for reading this & supporting the artistic work of yours truly, Glen.
