04 July 2021, the Sixth Sunday after Pentecost: Mark 6:1-13

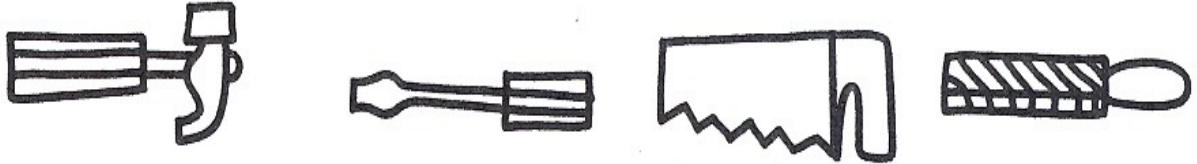

Which road should they choose to follow?  
Put a circle round the correct letter

Jesus went home to  
Nazareth with his  
disciples

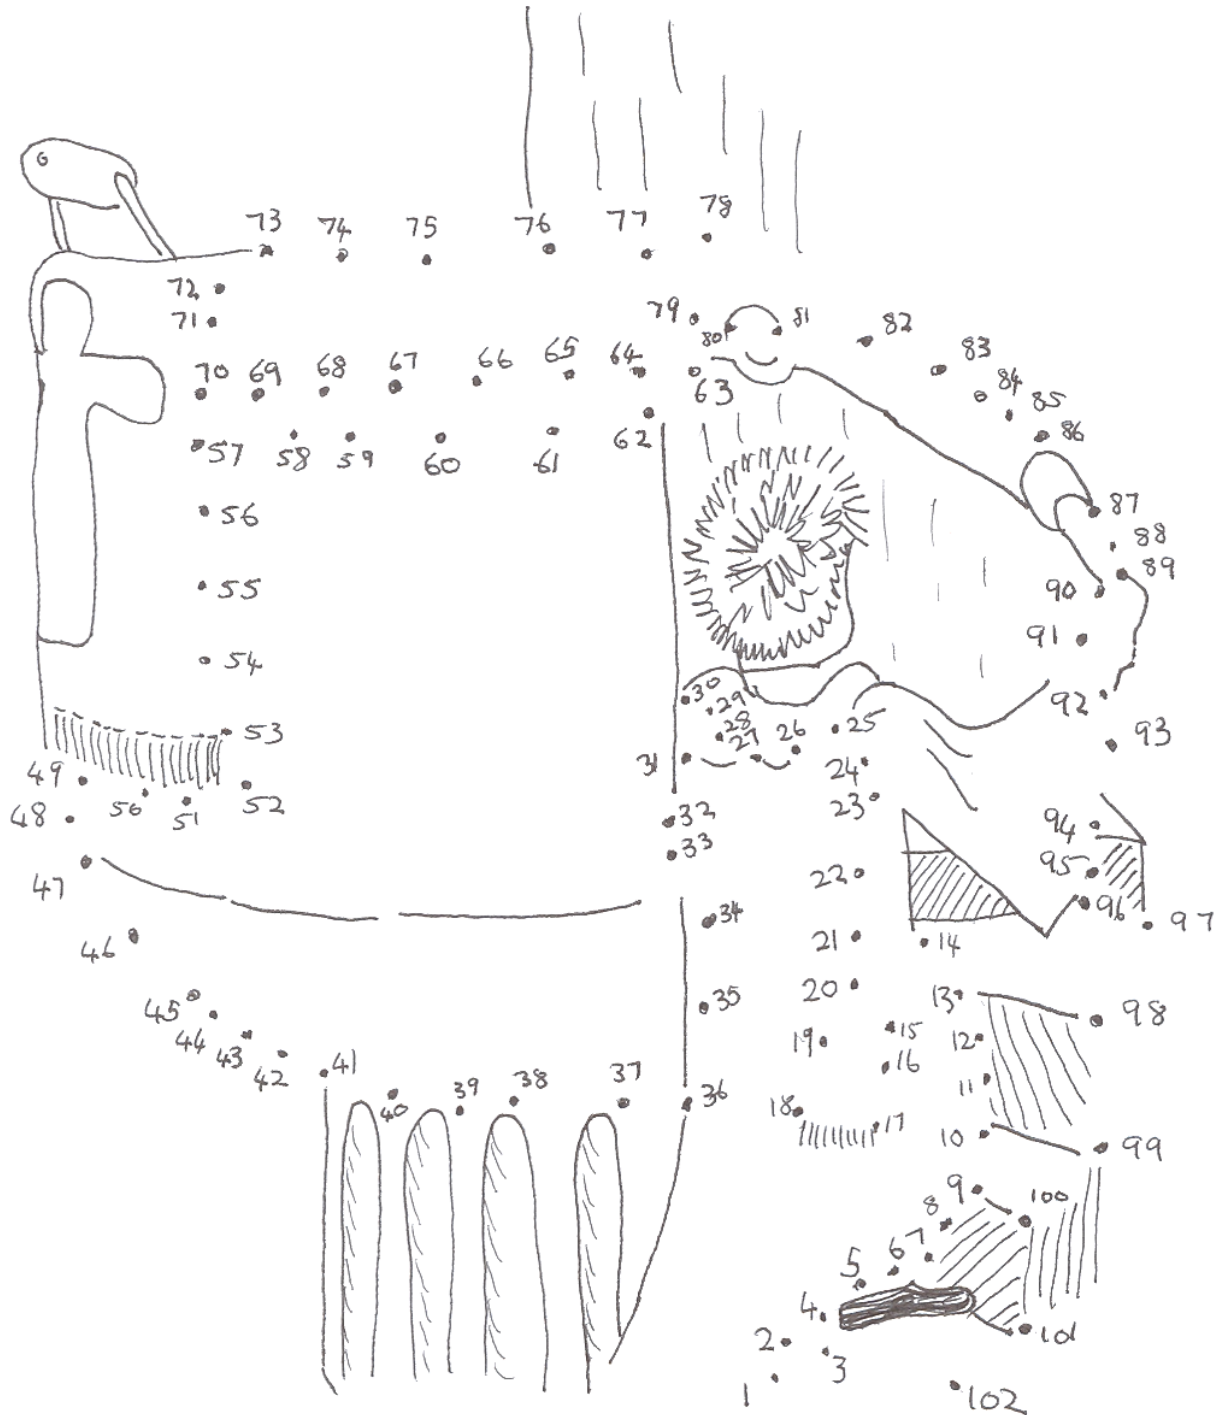

Jesus taught in the Synagogue, but the people thought he was only a carpenter.

**Can you find these carpentry tools hidden in the picture?**

Imagine this was you, climbing up into the pulpit, and you have five minutes to tell people all about God. I wonder what would you want to say?

**Join the dots from 1 to 102**

The people had no faith and would not believe in him!

**Draw Jesus and his disciples leaving Nazareth in this picture**

Thank you, Lord, for the Christian church.  
Thank you for the church I attend, and for all the people who have taught me about you.  
Amen
