They brought Jesus gifts of gold, frankincense and myrrh.

Use the words on this page to change from gold to gift, changing one letter at a time.

Phew! That gold weighs a ton!

Why don't they take him a teddy bear instead?

## Did you know?

It doesn't say how many Wise Men there were in the Bible.

And it doesn't say that they rode on camels either!!

Can you puzzle out this riddle-me-ree?

 $\stackrel{\wedge}{\swarrow}$ 

My first is in camel and men and in wise,
My second's in present and plan and surprise.
My third is in light that is shining and fair,
My fourth is in hope and in plan and in prayer.
My fifth is in hold and in how and in hand,
My sixth is in travel and far and in sand.
My seventh's in distant and darkness and night,
But it isn't in star and it isn't in bright.
My last is in story and journey and way.
My whole is an eight letter word for today!

\*\*\*\*\*\*\*\*\*

We don't know if the wise men were kings or very rich or even how many of them there really were, but we do know that they followed a star across the desert all the way from their Eastern land to visit Jesus.

Write the 8 letters in their correct order to find the name of the day that the wise men visited Jesus

Why was the camel always grumpy?

Because he'd got the hump!!

Someone was not pleased to see the Wise men!

## Write the first letter of each word to find who he was

Join up the dots from 1 to 16 to see what the wise men followed

The wise men read the skies above, and now we read their story of how they found the prince of peace, newborn from heaven's glory.

We come, as if to Bethlehem, to offer gifts of love to make this world at Christmas time a piece of heaven above.
