Use the code to find out what Christmas present God gives us

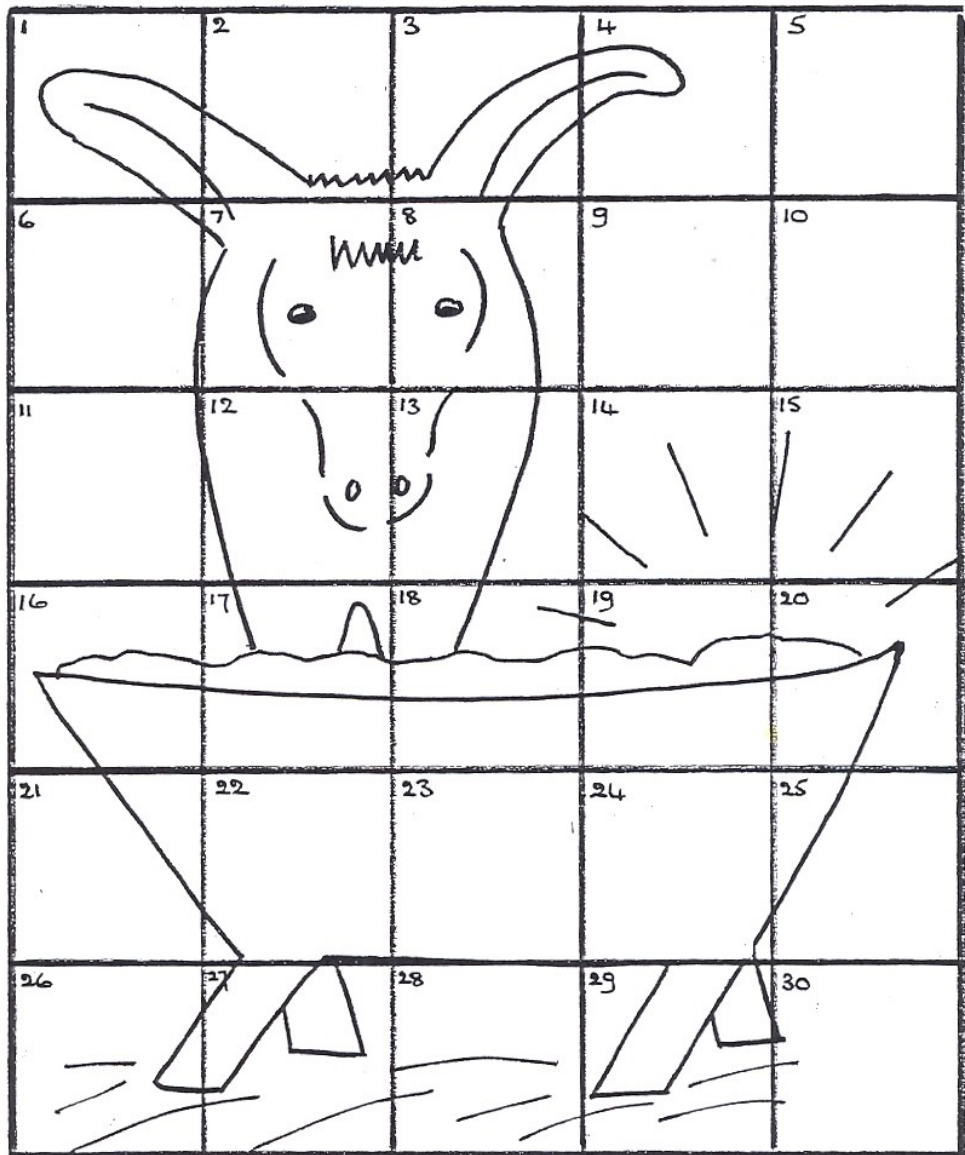

The jumbled letters in the circle should spell **Happy Christmas** but one's missing. Which one?

Here are three squares from the big picture. Which ones are they?

Clue!

Their numbers add up 36

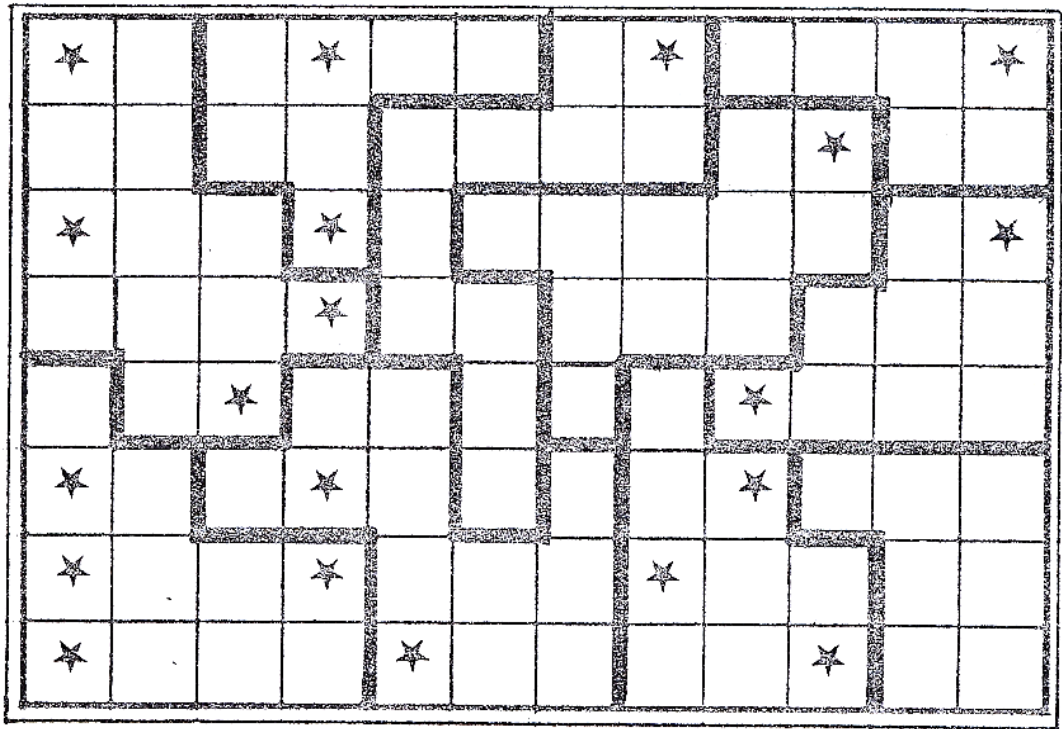

ing	Ear	els
ven		Sing
Ang		Pea
ce	Hea	th

There are five words hidden in the grid.

Each one is cut into two bits. All have something to do with the picture.

Can you puzzle them out??

Match the shapes and stars to fit the pieces in. Now read the joke across!
