Dear Salutation LastName,

Thank you for taking the time to speak with our telephone representative and for pledging a gift of \$1,000 to support Carnegie Hall. Once your membership is activated, you can start enjoying your exclusive member benefits, which include access to Open Working Rehearsals featuring world-class musicians, early-bird purchasing periods for single tickets, invitations to private receptions, and more.

Your membership will not only support our groundbreaking programming but will also provide crucial funding for our increasingly important education and community programs. While most arts organizations have reduced or eliminated their education and community outreach programs over the past several years, Carnegie Hall has *increased* its programs, more than tripling the number of people we reach from 120,000 in 2009 to an estimated 500,000 in 2016 and growing.

One such initiative your donation will support is the **National Youth Orchestra of the United States of America (NYO-USA)**, which brings together the nation's finest young musicians, ages 16-19, for a two-week residency with leading orchestral musician coaches and a world-class conductor, followed by a tour. The NYO recently made a historic first visit to Asia, serving as dynamic musical ambassadors through seven concerts in some of the finest concert halls across China.

Please take a moment now to complete the attached form and return it with your gift in the enclosed envelope today. Or, if you prefer, you can visit carnegiehall.org/friends to make your secure donation online.

Thank you again for supporting Carnegie Hall's efforts to share the gift of music with the widest possible audience!

Sincerely,

Andrew Rubinstein
