Information & Referrals

Grand Prairie United Charities was founded in 1955 to assist those needs. Today, the agency is still going strong. Feeding over 17,000 residents and assisting these families with the basic, unmet needs such as food, personal hygiene items, utility assistance, rental/mortgage assistance, prescription medications and an endless source of information and referrals, help keep these adults, children and elderly from spiraling into hopeless situations. Our services widely affect the community as a whole, as a great percentage of those we assist give back to the community by volunteering their time to Grand Prairie United Charities.

Although our mission remains the same, the needs of the community are always evolving, requiring Grand Prairie

United Charities to expand and grow based on the measured needs of its community. Utilizing the most up-to-date training tools, cultivating relationships within the community, nurturing our current relationships with other area agencies, providing healthy foods and basic needs for our clients, ensures that the long-term goal of a stable, thriving community can exist.

**WE NEED YOUR HELP!** For information regarding donations or to volunteer with our agency, please see opposite side for more information.
