Congratulations, Steve.....this was a long time in coming and very well deserved. Your contributions to MCI (as well as the industry) are far in excess of even this recognition. Roy

Subject: Many Thanks

Steve,

Kathe told me you called and I wanted to again say thanks for your help.

Although I've told many, I never told you how much admire your management style and think you're one of the most brilliant people I know.

I'll always appreciate what you've done and taught me and I hope our paths continue to cross one another.

K

Thanks Steve. I enjoyed working with you and learned alot (a g3 working for Zecola). Sorry to hear that you are leaving but it sounds like a great opportunity. I'll keep in touch to hear how much money you're making in PCS.
