DEAR STEVE,

I want you to know that you are admired and appreciated. The past months (or even years) have been demanding for you and I've tried to be a help by supporting any and all efforts. My absence or silence is no indication of my commitment to this enterprise.

As you unwind and close the relevant activities I pray your strength is sustained.

I'm not certain what I want to do at this point but I'll give myself permission to 'chill' for a couple of weeks (or month even). I'm disappointed like the others, we had/have an outstanding team. We will do well as we go our respective ways.

I wish you every success and happiness in the future. Thanks for the opportunity. ~ Hope we stay in touch ~
