Steve,

I wanted to be among your many fans congratulating you and sending you my heartiest applause on the impressive announcement of yesterday. Knock 'em dead! Break a leg, as they say backstage at the Kennedy Center. Wishing you all the best!

Perhaps we can have lunch one day soon if you have time. Needless to say, I am more than willing to have a peanut butter and jelly sandwich at an art gallery, should you be so inclined. Let me know at your convenience.

Warm regards!
