The **North American Pairs** (NAP) is a set of annual North American championships for pairs contested over two days at the spring American Contract Bridge League (ACBL) North American Bridge Championships (NABC). The events are restricted to pairs that have qualified through local, regional and district levels within their ACBL Districts.

Three fields or "Flights" compete on the same schedule:

Flight A, open to all players, is formally the Baldwin North American Pairs.

Flight B, restricted to players with 0 to 2500 masterpoints, is formally the Golder North American Pairs.

Flight C, restricted to players who have not yet become Life Masters and have fewer than 500 masterpoints, is formally the President's Cup North American Pairs.
