**Age Verification Form**

As an age restricted community, we are required to verify the age of all residents. Proof of age must be submitted for each resident. To meet age requirements, the following documents are deemed "reliable" by HUD:

- Birth certificate
- Driver's license
- Passport
- Immigration card
- Military ID
- Any other local, state, federal or international documentation so long as the document contains information regarding the age of the person.

The age verification form will need to be updated every two years or any time the occupancy of the unit changes. Proof of age only needs to be submitted once as we will keep those documents on file in a safe deposit box.
