

People To People Aid Corp. 2022 Annual Report

HELPING ONE HAND AT A TIME

TO OUR STAKEHOLDERS

Our focus continues on improving the wellbeing of Lebanon's population and specially the poor and marginalized men, women, and children through empowering healthcare institutions with products and services to facilitate their mission. We have been pleased to extend our services to cover a larger recipient base throughout the country reaching thousands of beneficiaries. With your support, we also added new strategic partners to our donor base.

Although our cash financial donations have been reduced, our supplies and product donor support have impressively grown. Central to our mission is helping one hand at time at the grassroots level to cultivate lower and limited income persons and transition them to become an active and productive members of the society.

FINANCIAL HIGHLIGHTS

During the calendar year 2022, we have received \$13,015,888 of pharmaceutical products, medical equipment and supplies from which we have distributed the value of \$12,165,510 to more than 120 recipients. Our total in cash donation receipts shrank by 35% from last year to \$177,118 from which we have conducted Donor Directed Missions (DDM) valued at \$65,575. Since its inception in August 2020, People to People aid Corp. has received, shipped meds and supplies mostly originating from the United States of America and distributed in Lebanon more than 500 palletes of products valued at more than \$48 million expending less than \$250,000 on direct global and local logistics and administrative cost.

OPERATING HIGHLIGHTS

During 2022, our team of staff and volunteers has surpassed the 100 distribution missions around the country including special DDMs (Donors Directed Missions) that included the following actions:

Organized and coordinated the receipt and delivery of a fullfledged Fire Engine to Mar Mikhael Civil Defense Branch in Beirut.

Donor: The city of Los Angeles in cooperation with the American Task Force On Lebanon (ATFL) and California based Lebanese Americans.

Supplementing food security to marginalized populations in Beirut and Tripoli.

Donor: AUB Medical School Class of 1984.

🌍 Cash donations, purchase and delivery of toys and Goodies during Ramadan and Christmas to children of Tripoli's marginalized neighborhoods.

🌍 Donor: Kabbara Family Trust and US based Tripolitans.

🌍 Assessment, purchase and delivery of medication and vitamins to two rural communities : Akkar and Koura.

🌍 Donor: Basilica of St. Mary Antiochian Orthodox Church, Michigan USA.

🌍 Cholera action: Assembly, collection and shipping of water purification tablets and rehydration liquids to schools and Primary Healthcare Centers located north of Lebanon.

🌍 Donor: Direct Relief International and P2P Board Of Directors.

🌍 Collection, Shipping and delivery of highly sought Cancer and HIV medications to support the Cancer Support Fund Activities.

🌍 Donor: Direct Relief International, MAP International and anonymous.

LOOKING AHEAD

In view of the recent successes and the trust instilled by our donors and despite the reduction of our cash receipts, the board of directors of People to People Aid Corp. has decided to continue our in country mission to alleviate the suffering of the poor. Today, Lebanon remains under economic and political siege, it is our responsibly and duty to deploy our resources, limited or ample, to help our fellow compatriots. With God's blessing and your support, we will continue to deliver much needed services and, if we can, to complement our work with targeted actions to improve education, social development and life conditions for seniors and the mentally and physically challenged populace.

maining End Of The
Year

\$828,820

SELECTED RECIPIENTS

“Without the help of P2P’s team and their dedication to serving people at the grassroot level, our Primary Health Care center would not have been able to offer services to hundreds of qualified underpriviledged beneficiaries”

PHC Manager
