DeMolay Report

Old West DeMolay continues to be active. We just read in an Application for membership, and hope to initiate the young man before the end of the year! While we are growing, we are a small Chapter and need more young men to join. Its much more fun when there are lots of guys participating!

On behalf of the guys, allow me to once again thank the Lodge for its generous donation to help offset the cost of our annual Conclave meeting. Its is a lot of fun, and the guys get to meet other guys (and ladies) from all over, as well as conduct business - but it is expensive to attend. This donation made it a lot easier for some of our members to go.

We are looking into having another day at the shooting range on 11/10, and still looking into forming a team for a drone competition. We really need a teacher to sponsor the team, so if you know someone we could use the help!

Old West DeMolay normally meets second and fourth Fridays. While we just gained an Advisor, we would really appreciate your active assistance. Register to be a "Dad" (or "Mom"!), as well as recommending young men to our Chapter. We really need YOU to step up and help!

Old West Lodge Report

The Lodge, by decree of Master Conrad Watson, has completed all degree work for the year. We finished by doing two "Third Degrees" in the past month, and I have presented them with Star petitions. We will spending the rest of the year getting ready to "move up".

Thank you to those who joined the Lodge and / or donated to the Alzheimer's Walk at Bridgeport Park. We raised over \$2,800, and our team is still taking donations! Search for "alz walk santa clarita" and then on that page search for the "Old West" team.

The Lodge stated meeting dinner is the first Tuesday of every month and is \$15. Everyone is always welcome.
