Again, the **Modern Messages Dance Company** MI brought beautiful dances, **Nancy Honeytree** IN covered a **Jaci Velasquez** TN song and **Beckah Shea** closed out

the evening with a powerful performance singing that the “Heartbeat” of God for Unity! We even had a worship band from Nashville led by **Stacy Riddle and Reagan Scholes. TN**

We honored our 10 **Christian Women of Distinction** plus **Liz Doyle** Founder of She Leads America Inc. and 2 **Young Christian Women of Distinction**.

Freedom Rally

After many months of prayer we finally (3 days before) got a permit to have our Rally at the Jefferson Memorial. Hurricane winds and rain came in and drove us into the historic **Georgetown Baptist Church** in Washington DC.

Pastor Tirza welcomed us and we held this powerful gathering in the sanctuary from the pulpit occupied 3 times by Billy Graham himself!

The Modern Messages dancers, adapted and danced in the aisles.

Former **Michigan State Representative, Commissioner Nancy Jenkins-Arno** led us as we listened to the reading of the Declaration of Independence and the Emancipation Proclamation with the 13th Amendment. We also had a stirring rendition of the Dr. Martin Luther King Jr’s “I Have A Dream” speech followed by prayer and worship. There was a spontaneous time of repentance and prayer around the description of the indigenous people in the Declaration and the revoking of the Founding Father’s description of them as “savages”. Under the leadership of our Creator and Redeemer, Father God, we declared all people equally loved and purchased by the shed blood of Jesus. This brought great freedom as we celebrated our love for Him and each other.

Kimberly Dirmann, our Director of State Development prayed for the 15 State Leaders in attendance and each were given a special engraved bell. The bell symbolizes our call to wake up, rise up, sound the alarm, call others to action and then celebrate the victory.

Our thanks to EVERYONE who opened their doors and hearts to us, those who joined us and those who served us!

COMING UP

During a recent prayer call the Lord reminded us of our original intent - for Christian Women to rise up and have a VOICE With this in mind we felt it was important to amplify the VOICES OF SHE LEADS WOMEN ACROSS THE NATION.

WE WANT TO GIVE YOU THE OPPORTUNITY TO PARTNER WITH US. The Lord made gave us an amazing opportunity to film some of the high profile women who were at the Gala and events this year. We were blessed to have a sponsor to film and produce some short promotional videos.

We would love to resume our She Speaks programs and also look at production of a film documenting the development and goals of She Leads America.

To do this justice we will need considerable funding. If you would like to help us ge the word out and encourage other Christian Women in Leadership, you can donate through this QR code or on this link.

Add to 2023 Christian Women of Distinction

Liz Doyle the Founder and Executive Director of She Leads America began her speaking career on the war- torn streets of Belfast, N. Ireland in 1972. There she met her husband, Syd, and together they went on to pioneer and pastor 3 churches in southern England. In 1996 she began a world - wide movement, Releasing Daughters of the Last Days, which has taken her to nearly 60 countries on 6 continents training and mobilizing 100's of thousands of women in evangelism. In 2019 the Lord again spoke to Liz and said that was time for Christian women in the USA to rise up and have a voice. This resulted in the establishment of She Leads America Inc.
