

# 7<sup>th</sup> Annual Tree of Giving

## *Honoring the Children of Our Heroes*

We would like to honor the children of our military heroes this holiday season.

To be considered for Tree of Giving, child(ren) should have one of the following:

- ★ Have a parent deployed during the Christmas season
- ★ Have lost a parent in combat
- ★ Be a child of a veteran family facing financial difficulties

**We will be accepting names for the Tree of Giving between now and November 01, 2022.**

Please be prepared to provide the name, age, gender, sizes, and gift ideas when you register a child for the event. We would like to know a little bit about the child you are nominating and their parent(s). The children and their parent/guardian will participate in the holiday party and gift presentation, to be held December 3rd for Operation Injured Soldiers and December 10th for Brave Hearts Estate.

We will have trees with the children's names located at the Operation Injured Soldiers office and at Brave Hearts Estate, in closest proximity to the children's residences. For those interested in sponsoring a veteran's child for this event, the trees will be available beginning November 02, 2022.

If it is not convenient for you to physically choose a child's name, we would be happy to choose a name for you. Please call or email either Operation Injured Soldiers or Brave Hearts Estate (contact information provided below).

We would also like to invite you to participate in our holiday party when the children receive their gifts.

Please consider participating in this event and honor our military heroes.

To nominate a child for this event whose residence is located north of Mt. Pleasant MI please contact Paula at Brave Hearts Estate, (231)539-7111 or email [pbrown@injuredsoldiers.org](mailto:pbrown@injuredsoldiers.org)

To nominate a child for this event whose residence is south of Mt. Pleasant, MI, please contact the OIS office at (248)437-3130 or email [info@injuredsoldiers.org](mailto:info@injuredsoldiers.org)
