3.1 The buildings ("the buildings") located on the land are described as follows:

i. Buildings A through F as shown on the plat are of wood frame/masonry veneer construction on concrete slab foundations and contain residential apartments.

ii. The Cabana shown on the plat serving as common element of the Property as hereinafter provided.

4. DESCRIPTION OF APARTMENTS

4.1 Each apartment has immediate access to the common elements. Exhibit "C", attached hereto, is a table setting forth the building and number of each apartment, a general description of the apartment, the approximate square footage in the apartment and the percentage of undivided interest in the common elements appertaining to said apartment. The apartments are more particularly described in the plats attached hereto as Exhibit "B". In interpreting the plats or deed or any other instrument affecting a building or apartment, the boundaries of the building or apartment as it is constructed or reconstructed, shall be conclusively presumed to be the actual boundaries rather than the description expressed in the plats notwithstanding minor variations between the boundaries shown on the plats and those of the buildings or apartment as located and erected.

4.2 The boundary lines of each apartment are the undecorated and/or unfinished interior surfaces of its perimeter or bearing walls, windows and doors; its lowermost floor and uppermost ceiling. Each apartment shall include both the portions of the building in which it is located that are not common elements within such boundary lines and the space so encompassed, excepting common elements. The drywall and/or paneling forming the walls and the ceilings and the floor coverings shall be part of each apartment. Without limitation, an apartment also includes any finishing material applied or affixed to the interior surfaces of the interior walls, floors, and ceilings; non-supporting interior walls; and all utility pipes, lines, systems, fixtures, or appliances found within the boundary lines of the apartment and servicing only that apartment; and all doors, windows and screens.

4.3 All airconditioning and heating equipment, including compressors and other related apparatuses which may be located on the common elements, are included as a part of its associated apartment.

4.4 Each garage attached to a 2 Bedroom - 2 1/2 Bath apartment as shown on the plats ("C" and "D" Units) shall be a part of the apartment which it serves.

5. DESCRIPTION OF COMMON ELEMENTS.

The common elements shall mean and include every area, structure and facility which is not a part of an apartment including, but not limited to, the land on which the buildings are located, the foundations, columns, girders, beams, supports, main walls, roofs, halls, corridors, lobbies, stairs, stairways, fire escapes and parking space canopies, the grounds, gardens; installations of all central services, including power, light, gas, hot and cold water, heating and air conditioning equipment, if any, servicing facilities comprising the common elements or more than one single

apartment, and central garbage collection; the tanks, pumps, motors, fans, compressors, ducts, and, in general, all apparatuses and installations existing for common use and not for the exclusive use of a single apartment; all driveways; all fences; the swimming pool and Cabana; utility pipes, lines, or systems servicing more than a single apartment; the lawn sprinkler system, if any; all ducts, flues, chutes, wires, conduits and other accessories and utility installations to the outlets used therewith; all limited common elements as hereinafter described; and all other parts of the Property necessary or convenient to its existence, maintenance and safety, or normally in common use, or which have been designated as common elements in the plat and all repairs and replacements of any of the foregoing.

6. DESCRIPTION OF LIMITED COMMON ELEMENTS.

Limited common elements shall mean and include those portions of the common elements reserved for the use of certain apartments to the exclusion of other apartments. The limited common elements shall be the patios and balconies that are immediately adjacent and contiguous to certain apartments and the parking spaces identified on the plat as being appurtenant to individual apartments; provided each garage attached to a 2 Bedroom - 2 1/2 Bath apartment as shown on the plats ("C" and "D" Units) shall be a part of the apartment which it serves. The exclusive use and occupancy of designated limited common elements is reserved to the apartment or apartments to which such limited common element is appurtenant; and each apartment owner is hereby granted an irrevocable exclusive license to use and occupy said limited common elements, and shall have the responsibility to maintain such limited common elements as hereinafter provided.

7. APARTMENT OWNERSHIP.

7.1 The percentage of undivided interest in the common elements appertaining to each apartment and its owner for all purposes, including voting, is set forth in Exhibit "C".

7.2 An apartment owner shall have the exclusive ownership of his apartment and the use of the limited common elements appurtenant thereto subject to the provisions of this declaration and the Bylaws, and shall have a common right to share and use the common elements of the Property with the other apartment owners.

8. PURPOSE OF THE PROPERTY.

8.1 The purpose of the Property is to provide residential housing, parking and recreational facilities for apartment owners and their respective families, tenants and guests.

8.2 The apartments and common elements shall be occupied and used as follows:

8.2.1 A residential apartment owner shall not permit his apartment to be occupied or used other than as a private residence for a single family, without the express approval of the Association acting solely through the Board.

No other storage shall be allowed in any parking space other than the garages attached to the "C" and "D" Units. The Association, acting solely through the Board, shall have the right to have any improperly parked vehicles removed or towed away at the expense of the owners thereof.

8.2.3 An apartment owner shall not obstruct or store anything within the common elements.

8.2.4 An apartment owner shall not permit anything to be done or kept in his apartment or in the limited common elements appurtenant to his apartment that would result in an increase in the cost of insurance on the Property, or that would result in the cancellation of insurance with respect to all or any part of the Property, or that would be in violation of any governmental law, ordinance or regulation.

8.2.5 No apartment owner shall permit any signs, pictures, banners, posters or other objects of any kind to be displayed to the public view from his apartment or from the limited common elements appurtenant to his apartment without the prior written approval of the Association acting solely through the Board.

All pets, while on the Property, shall be under the direct and constant supervision of their owner and shall not be permitted to wander the grounds unattended or disturb the rights of any owner to the peaceful enjoyment of his apartment.

8.2.7 An apartment owner shall not permit any obnoxious or offensive activity or nuisance to be carried on in his apartment or in the limited common elements appurtenant to his apartment.

8.2.8 An apartment owner shall not alter, construct in, or remove anything from the common elements. However, each apartment owner shall have an easement over and into the interior surfaces of the common elements abutting his apartment for the purpose of decoration, provided that this easement shall not be construed so as to allow the apartment owner to impair or alter the structural integrity of any portion of the Property or to change the boundaries of the apartment or to interfere with the rights of any other apartment owner in the common elements.

8.2.9 An apartment owner shall not violate any of the rules and regulations for the use of apartments, common elements or limited common elements adopted by the Board of Directors and furnished in writing to the apartment owners.

8.2.10 No apartment owner, with the exception of a lender in possession of an apartment following a default in any mortgage, a foreclosure proceeding or any deed or other arrangement in lieu of foreclosure, shall be permitted to lease his apartment for transient or hotel purposes and in no event may less than an entire apartment be leased.

8.2.11 No apartment owner shall, in any manner, change or modify the exterior appearance of his apartment without the prior written approval of the Association acting solely through the Board.

The Board shall be elected as provided in the Bylaws. Declarant may, at its sole option, turn over such rights, duties and functions to the Association at an earlier date. This period may hereafter in the declaration and the Bylaws be called the "development period."

9.3 The Association, acting through the Board, shall have all the powers, duties and responsibilities as are now or may hereafter be provided by the Act, this declaration and the Bylaws, including but not limited to the following:

9.3.10 To obtain insurance for the Association with respect to the common elements as provided herein at paragraph 11, as well as worker's compensation insurance to the extent required by law or as the Board may deem advisable.

9.3.11 To repair or restore the Property following damage or destruction or a permanent taking by the power of, or power in the nature of, eminent domain or by an action or deed in lieu of condemnation not resulting in the removal of the Property from the provisions of the Act.

9.3.12 To own, purchase or lease, hold and sell or otherwise dispose of, on behalf of the apartment owners, items of personal property necessary to or convenient to the management of the business and affairs of the Association and the Board in the operation of the Property, including without limitation furniture, furnishings, fixtures, maintenance equipment, appliances and office supplies and equipment.

reasonable time after written notice of the necessity of said maintenance or repair delivered to such owner by the Board. The Board shall levy a special assessment against the apartment of such owner for the cost of such maintenance or repair.

9.4 The Board may delegate to a manager or managing company all of the foregoing powers, duties and responsibilities referred to in paragraph 9.3, above, except (i) the final determination of common expenses, budgets and assessments based thereon; (ii) the promulgation of house rules and administrative rules and regulations; (iii) the power to enter into any single contract or transaction involving the expenditure of more than \$5,000 in any one fiscal year; (iv) the opening of bank accounts; (v) the power to purchase, hold, sell, convey, mortgage or lease any apartments in the name of the Association or (vi) the authority to bring, prosecute and settle litigation.

Such right of indemnification shall not be deemed exclusive of any other rights to which such person may be entitled as a matter of law or agreement, vote of apartment owners or the Board or otherwise. The indemnification by the apartment owners as contained herein shall be paid by the Association on behalf of the apartment owners and shall constitute a common expense and shall be assessed and collectible as such. 10. MAINTENANCE, ALTERATION AND IMPROVEMENT.

10.1 The maintenance, replacement and repair of the common elements shall be the continuing responsibility of the Association and the cost thereof shall be a common expense. The Association shall also maintain, replace and repair, among other things, all balconies, patios, and parking spaces (other than the garages) except for normal cleaning as noted under paragraph 10.2, and all conduits, ducts, plumbing and wiring and other facilities for the furnishing of gas, light, power, water and sewer service contained in the portions of the apartments that service part or parts of the property other than the apartment in which they are contained. All incidental damages caused to an apartment by the maintenance, replacement and repair of the common elements or utility services shall be repaired promptly as a common expense.

10.2 Each apartment owner shall have the responsibility to maintain, repair, replace and keep in a clean and sanitary condition, at the apartment owner's expense, all portions of his apartment, except those portions to be maintained, repaired and replaced by the Board. Each apartment owner shall keep clean and in a sanitary condition the balconies, patios and parking spaces appurtenant to his apartment.

11. INSURANCE.

11.1 The Association, acting solely through the Board, shall obtain and continue in effect insurance coverage of the common elements in an amount equal to their maximum insurable replacement value, which amount shall be reviewed at least annually by the Board. Such insurance shall afford protection against loss or damage by fire and such other risks of a similar or dissimilar nature as are, or shall hereafter, customarily be covered with respect to other properties similar in construction, design and use to the Property, including flood insurance if applicable. Such insurance policies and all certificates thereof shall have the following provisions or endorsements to the extent available in the State of Texas:

11.1.1 That exclusive authority to adjust losses shall be vested in the Board as insurance trustee;

11.1.2 That the insurance coverage shall not be brought into contribution with insurance purchased by individual apartment owners or their respective mortgagees;

11.1.3 That all policies of property insurance shall provide that, despite any provisions giving the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the prior written approval of the Board, in its capacity as insurance trustee. Additionally, all such property insurance shall contain an Agreed Amount Endorsement or Inflation Guard Endorsement, if available, as well as any other endorsement, amount, or element of coverage which may, from time to time, be required by the Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Housing Administration or Veteran's Administration.

11.1.4 That the insurer waives its right of subrogation as to any claims against the Association and each apartment owner, their respective agents, employees and tenants;

VOL

PAGE 166

11.1.5 That the insurance coverage cannot be cancelled, invalidated or suspended because of the conduct of any one or more individual apartment owners or their respective tenants, employees, agents, contractors and guests nor shall the insurance coverage be prejudiced by any failure of the Association to comply with any warranty or condition regarding any portion of the property over which the Association has no control;

11.1.6 That the insurance coverage cannot be cancelled, invalidated or suspended because of the conduct of any officer or employee of the Association or Board or their employees, agents or contractors, without prior demand in writing that the Board cause the defect to be cured. If such defect is not cured within thirty (30) days after receipt of said demand by the Board the policy may then be cancelled, invalidated or suspended, at the option of the insurer and as provided by the policy provided, however, the insurance carrier shall notify each mortgagee named on the Association's roster of mortgagees at least thirty (30) days in advance of any reduction in or cancellation of the policy.

11.1.7 That all policies of such insurance shall provide for a separate loss payable endorsement in favor of the mortgagee or mortgagees of each apartment, if any, as its interest may appear, provided however, the proceeds of such policy or policies shall not be applied in a manner inconsistent with the provisions of paragraph 12 hereof.

11.2 The Association, acting solely through the Board, shall obtain a policy or policies of insurance insuring the Board and the Association against any liability to the public arising out of and incident to the management and operation of the property, including, but not limited to, protection against water damage liability, liability for nonowned and hired automobile and liability for property of others and all such other risks as are customarily covered in similar projects. Limits of liability under such insurance shall not be less than One Million Dollars (\$1,000,000) for any one person injured in any one occurrence, and shall not be less than One Million Dollars (\$1,000,000) for property damage in each occurrence. The limits in coverage of said liability policy or policies shall be reviewed at least annually by the Board and increased or decreased at its discretion, provided that such limits shall not fall below the minimums specified in this paragraph. Said policy or policies shall be issued on a comprehensive liability basis and shall contain a severability endorsement which shall preclude the insurer from denying the claim of an apartment owner because of the negligent acts of the Association or other owners. In addition to, and notwithstanding, the foregoing provisions, such policies of liability insurance shall contain any other endorsement, amount, or element of coverage which may, from time to time, be required by the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration and the Veteran's Administration.

11.3 No apartment owner shall be entitled to exercise his right to maintain separate insurance coverage on the common elements in such a way as to decrease the amount that the Association, on behalf of all of the apartment owners, may realize under any insurance policy that the Association may have in force covering the common elements, or any part thereof, at any time.

11.4 Each apartment owner may obtain insurance covering the contents of his apartment at his own expense.

11.5 Each hazard insurance policy must be written by a hazard insurance carrier licensed or authorized to transact business within the State of Texas and which has a financial rating meeting the applicable standards promulgated by the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration and the Veteran's Administration.

11.6 The Association, acting solely through the Board, shall secure and keep in force a fidelity bond or insurance coverage against any dishonest act on the part of directors, managers, trustees, employees and/or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance shall name the Association as the obligee or insured and shall be written in an amount sufficient to provide protection which in no event shall be less than that one and one-half times the Association's estimated annual operating expenses and reserves.

12. DESTRUCTION OR DAMAGE.

12.1 In the event of any damage to, or destruction of, any part of the common elements as a result of fire or other casualty or otherwise, and subject to the provisions of paragraph 12.2 below, the Association, acting solely through the Board, is authorized to, and shall, arrange for the prompt repair and reconstruction of such damaged or destroyed common elements; and the Board, as insurance trustee, shall receive and disburse the proceeds of all insurance policies to the contractors engaged in such repair and reconstruction. Any cost of such repair and reconstruction in excess of the insurance proceeds, shall constitute a common expense and all apartment owners shall be assessed for such deficit as a part of the common expenses. If any apartment owner shall fail to pay such assessment within thirty (30) days after the date fixed by the Board for the payment thereof, the Association shall make up the deficiency by payment from the maintenance fund; provided that such apartment owner and his apartment shall remain liable for such special assessment.

By acceptance of the deed to his apartment, each apartment owner shall be deemed to have consented to the foregoing authorization and direction for repair and reconstruction.

12.2 If two-thirds (2/3) or more of the buildings are destroyed or damaged by fire or other casualty, as determined by the Association according to the most recent appraisal of the Property conducted prior to the casualty, and unless otherwise unanimously agreed by the apartment owners at a special meeting to be held not later than 100 days after such casualty, the insurance proceeds shall be delivered to the apartment owners or their mortgagees, as their interests may appear, in proportion to the percentage interest of each apartment owner in the common elements as set forth herein; and the Board shall, as soon as reasonably possible, record with the Clerk of Bexar County a notice setting forth such facts, and upon the recording of such notice (i) the Property shall be deemed to be owned in common by the apartment owners as tenants in common, each apartment owner owning an undivided interest in the Property equal to his percentage ownership in the common elements as set forth in Exhibit "C"; (ii) any liens affecting any of the apartments shall be deemed to be transferred in accordance with the existing

priorities to the undivided interest of the apartment owner in the Property and (iii) the Property shall be subject to an action for partition at the suit of any apartment owner, in which event the net proceeds of sale, together with the net proceeds of the insurance on the property, shall be considered as one fund and shall be divided among all apartment owners in a percentage equal to the percentage of undivided interest owned by each apartment owner in the Property, after first paying out of the respective shares of each apartment owner, to the extent sufficient for such purpose, all sums necessary to satisfy liens on the undivided interest in the Property owned by such apartment owner.

12.3 For purposes of this Section 12, the terms "disaster", "destruction" or "substantial damage" shall also mean and include a temporary or permanent taking, injury or destruction of all or part of the common elements or one or more apartments or portions thereof by the exercise of the power of, or power in the nature of, eminent domain or by an action or deed in lieu of condemnation. Reconstruction of the building or apartment shall mean the restoring of the building or apartment to substantially the same condition in which it existed prior to the damage or destruction, with each apartment and the common elements having the same vertical and horizontal boundaries as before, unless the destruction or damage is by reason of eminent domain, in which event the provisions of Section 14 hereof shall apply.

12.4 In the event of substantial damage to the common elements or to any apartment(s) or the taking or threat of taking of any apartment(s) or any part of the common elements by eminent domain, the institutional holder of any first mortgage on a unit shall be given timely written notice thereof.

12.5 In the event the Owners elect to restore the property as hereinabove provided, the restoration shall be performed substantially in accordance with the original plans and specifications utilizing the same or substantially similar materials as were utilized for the original construction.

13. TERMINATION.

13.1 In the event that such fraction or percentage of buildings are destroyed or substantially damaged so as to bring into effect the provisions of paragraph 12.2 above and the apartment owners do not unanimously vote to act otherwise as provided therein, the Property shall be removed from the provisions of the Act without further agreement one hundred and one (101) days after such destruction or damage.

13.2 All of the apartment owners, by their unanimous action, may remove the Property from the provisions of the Act by an instrument duly recorded to that effect, provided that the holders of all liens affecting any of the apartments consent and agree by instruments duly recorded that their liens be transferred to the percentage of the undivided interest of the apartment owners in the Property.

13.3 After removal of the Property from the Act, the apartment owners shall own the Property as tenants in common and the respective mortgagees and lienors shall have mortgages and liens upon the respective undivided interests of the apartment owners. Such undivided interests of the apartment owners shall be the same as the percentage of undivided interest in the common elements appurtenant to the apartment owners' apartments prior to removal from the Act.

VOL

13.4 This Section 13 cannot be amended without consent of all apartment owners and the prior written consent of all record owners of mortgages on apartments. The apartment owners shall not, by act or omission, seek to abandon or terminate the condominium regime except as expressly provided by this Section 13.

14. EMINENT DOMAIN.

14.1 Whenever any proceeding is instituted that could result in the temporary or permanent taking, injury or destruction of all or part of the common elements or one or more apartments or portions thereof by the exercise of the power of, or power in the nature of, eminent domain or by an action or deed in lieu of condemnation, the Association, each apartment owner, and each first mortgagee shall be entitled to timely written notice thereof and the Association, acting solely through the Board, shall, and the apartment owners and mortgagees at their option and respective expenses may, participate in the proceedings incident thereto.

14.2 With respect to common elements, any damages or awards shall be determined for such taking, injury or destruction as a whole and not for each apartment owner's interest therein. After such determination, each apartment owner shall be entitled to a share of the damages in the same proportion as his percentage of undivided interest of the common elements. This provision does not prohibit the Board, pursuant to authorization by a majority of the Association, from restoring the common elements so taken on the remaining land or on other acquired land, provided that this declaration and plat are fully amended.

14.3 With respect to one or more apartments or portions thereof, the damages or awards shall be deposited with the Board as trustee even though such damages or awards may be payable to one or more apartment owners. In the event an apartment owner refuses to so deposit his award with the Board, then at the option of the Board, either a special assessment shall be made against the defaulting apartment owner and his apartment in the amount of the award or the amount of such award shall be set off against the sums hereafter made payable to such apartment owner.

14.4 In the event the Property is removed from the provisions of the Act pursuant to Sections 12 and 13 above, the proceeds of the damages or awards shall be distributed or used in accordance with, and the owners of the affected apartments and their mortgagees shall have the rights provided in, paragraph 12.2, above.

14.5 If one or more apartments are taken, in whole or in part, and the Property is not removed from the provisions of the Act, the taking shall have the following effect:

14.5.1 If the taking reduces the size of an apartment and the remaining portion of the apartment may be made tenantable, the apartment shall be made tenantable. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed against the affected apartment owner. The balance of the award, if any, shall be distributed to the apartment owner.

14.5.2 If the taking destroys or so reduces the size of an apartment that it cannot be made tenantable, the award shall be distributed to the apartment owner. The remaining portion of such apartment, if any, shall become a part of

the common elements and shall be placed in condition for use by all apartment owners in the manner approved by the Board. The percentages of undivided interests in the common elements appurtenant to the apartments that continue as part of the Property shall be equitably adjusted to distribute the ownership of the common elements among the reduced number of apartment owners, taking into account the removal of the portion of the Property from the Condominium Regime.

14.6 Changes in apartments, in the common elements and in the ownership of the common elements that are affected by the taking referred to in this Section 14 shall be evidenced by an amendment to this declaration and plat, which need not be approved by the apartment owners.

14.7 No provision of this Section 14 shall entitle an apartment owner or other party to priority over the holder of any mortgage on an apartment with respect to the distribution to such apartment of the proceeds of any such award or settlement.

15. MORTGAGEE PROTECTION.

15.1 The term "mortgage" as used herein shall mean any recorded mortgage having priority over other mortgages and shall include a recorded deed of trust. The term "mortgagee" shall mean the owner and the holder of a mortgage and shall include a beneficiary under a deed of trust. The term "institutional mortgagee" shall include any bank, savings and loan association, mortgage company, developer or any other enterprise engaged in the business of lending funds for the acquisition of real property.

15.2 The Association shall maintain a roster of apartment owners from the evidence of change of ownership furnished to the Association which roster shall include the mailing addresses of all apartment owners. The Association will also maintain a roster containing the name and address of each mortgagee of an apartment if the Association is provided notice of such mortgage by way of a certified copy of the recorded instrument evidencing the mortgage and containing the name and address of the mortgagee. The mortgagee shall be stricken from the roster upon request by such mortgagee or upon receipt by the Association of a certified copy of a recorded release or satisfaction of the mortgage. Notice of such removal shall be given to the mortgagee unless the removal is requested by the mortgagee.

15.3 The Association shall give to any mortgagee on the roster written notification of any default by the mortgagor of the respective apartment in the performance of such mortgagor's obligations under the declaration or Bylaws which is not cured within thirty (30) days after notice thereof is given to such mortgagor.

15.4 A mortgagee of any apartment who comes into possession of the apartment pursuant to the remedies provided in the mortgage or foreclosure of the mortgage or by way of deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take such apartment free of any claims for unpaid assessments or charges against the mortgaged apartment which accrued prior to the time such person comes into the possession of the apartment except for claims for a pro-rata share of such assessments or charges resulting from a pro-rata reallocation of such assessment or charges to all apartments, including the mortgaged apartment.

VOL 8 PAGE 171

15.5 Any liens upon any apartment created under the Act or pursuant to this declaration or the Bylaws for the payment of common expenses or assessments shall be subject and subordinate to and shall not affect the rights of any mortgagee under a mortgage on such apartment recorded prior to the date such common expenses or assessments became due; provided however, that any lien created hereunder after a foreclosure or sale shall have the same effect and be enforced in the same manner as provided in the Act, and declaration and/or the Bylaws.

15.6 Any holder of a first mortgage on any apartment and any authorized representative of the Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Housing Administration or Veteran's Administration shall, upon written request, be entitled to: (a) inspect, during normal business hours, all books and records relating to the management of the property; (b) an annual audited financial statement of the Association within 90 days following the end of any fiscal year; and (c) written notice of all meetings of the Association and such mortgagee shall be permitted to designate a representative to attend all such meetings.

15.7 In the event the Board or the Association takes any action contrary to the terms of this declaration or to the By-Laws of the Association, any first mortgagee who is or may be damaged by such action shall have the right to seek injunctive relief to prohibit such action.

15.8 No amendment to this paragraph shall affect the rights a mortgagee who has recorded a valid mortgage prior to the recordation of any such amendment.

16. ENCROACHMENTS.

16.1 None of the rights and obligations of any apartment owner created by this declaration, Bylaws or by a deed conveying an apartment shall be affected in any way by an encroachment (i) by any portion of the common elements upon any apartment; (ii) by any apartment upon any portion of the common elements or (iii) by any apartment upon another apartment due to settling or shifting of any building including, the rebuilding of a building after fire or other casualty or an eminent domain taking or delivery of a deed in lieu of condemnation, unless there occurs an encroachment that results from the willful or negligent act or omission of the owner of the encroaching apartment, or of the owners of the apartments to which the use of encroaching limited common elements are appurtenant, or of the Association in the event of an encroachment by any portion of the common elements other than the limited common elements.

16.2 There are hereby created valid easements for the maintenance of any encroachments permitted by this Section 16 of this declaration so long as such encroachments exist.

17. SALE.

17.1 To the extent consistent with the rights of mortgagees pursuant to the terms and provisions hereof, upon the sale or conveyance of an apartment, all unpaid assessments against an apartment owner shall be paid out of the sales price as provided in Section 18 of the Act; provided, however, that if such unpaid assessments are not paid or collected at the time of a sale or conveyance of an apartment, the grantee of the apartment shall be jointly and severally liable with the selling apartment owner for all unpaid assessments

against the latter to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the selling apartment owner the amounts paid by the grantee therefor. Any person who shall have entered into a written agreement to purchase an apartment shall be entitled, upon written request therefor, to a statement from the Association setting forth the amount of the unpaid assessments against the selling apartment owner and such grantee shall not be liable for, nor shall the apartment conveyed be subject to a lien for any unpaid assessments made by the Association against the selling apartment owner in excess of the amount set forth in the statement; provided, however, that the former apartment owner shall remain so liable and the grantee shall be liable for any assessments becoming due after the date of any such statement including the reapportionment and reassessment of any uncollected common assessments.

17.2 The right of an apartment owner to sell, transfer, or otherwise convey his apartment shall not be subject to any right of first refusal or any similar restriction in favor of the Association.

18. CONVEYANCES, EASEMENTS, LEASES.

18.1 Every deed, lease, mortgage or other instrument shall describe an apartment by its building letter and apartment number as set forth in Exhibit "C" and in the plat. Every such description shall be deemed good and sufficient for all purposes and shall be deemed to convey, transfer, encumber or otherwise affect the apartment owner's corresponding percentage of undivided ownership in the common elements as set forth in Exhibit "C" even though the same is not exactly mentioned or described.

18.2 Every deed, lease, mortgage or other similar instrument shall be deemed to:

18.2.1 Except and reserve with respect to an apartment (i) any portion of the common elements lying within said apartment; (ii) easements through said apartment appurtenant to the common elements and all other apartments for support and repair of the common elements and all other apartments; and (iii) easements appurtenant to the common elements for encroachments upon the air space of said apartment by those portions of the common elements located within said apartment.

18.2.2 Include with respect to an apartment nonexclusive easements for ingress and egress and support of said apartment through the common elements, for the repair of said apartment through all other apartments and through the common elements and for the use of the parking, storage, balcony and patio spaces as indicated in Exhibit "C" and the plat.

18.2.3 Except and reserve with respect to the undivided percentage interest in the common elements non-exclusive easements appurtenant to all apartments for ingress, egress, support and repair and exclusive easements appurtenant to each apartment for the use of the storage, parking, balcony and patio spaces as set forth in the plats.

18.2.4 Include with respect to the undivided percentage interest in the common elements nonexclusive easements through each apartment for support and repair of the common elements and nonexclusive easements for encroachments upon the air space of all of the apartments by and for the portions of the common elements lying within the apartments.

18.3 All lease agreements shall be in writing and shall provide that the terms of the lease shall be subject in all respects to the provisions of this declaration and the Bylaws of the Association and any failure of the lessee to comply with such provisions shall be a default under the lease. No lease of an apartment shall operate as a release of the owner of such apartment from the continuing duty to comply with each and every of the provisions of this declaration and the Bylaws.

VOL

8 PAGE 17A

19. COMBINATION OF APARTMENTS.

19.1 An owner of two or more adjoining apartments shall have the right, upon approval of the Board, to combine such apartments. No combination requiring the removal or partial removal of a load bearing wall to an extent which would affect the structural integrity of the building shall be approved by the Board.

19.2 An amendment to the declaration, together with an amended plat or plats containing the same information with respect to the altered apartments as required in the initial declaration and plat with respect to the initial apartments shall be prepared and recorded at the expense of the apartment owner making such combination.

19.3 An amendment to the declaration or plat pursuant to this Section 19 shall reflect the changes occasioned by the combination to include a change in the percentage of undivided interest in the common elements which are appurtenant to the apartments involved. The remaining combined apartment will acquire the total of the percentage of undivided interest in the common elements appurtenant to the apartments that were combined, as set forth in Exhibit "C". The percentage of undivided interest in the common elements appurtenant to all other apartments shall not be changed.

19.4 All such amendments to the declaration and plat must be approved by attorneys employed by the Board to insure the continuing legality of the declaration and the plat. The cost of such review by the attorneys shall be borne by the person wishing to combine the apartments.

19.5 In no event may an apartment be partitioned in kind or subdivided.

20. AMENDMENT.

20.1 Except as otherwise provided in this declaration and except as prohibited by the Act, the provisions of this declaration may be amended by an instrument in writing signed and acknowledged by apartment owners who own three-fourths (3/4) or more of the undivided interest in the common elements, which amendment shall be effective upon recording.

20.2 The prior written consent of all apartment owners and their mortgagees must be obtained to make any amendments to this declaration or alterations to the property valid if such amendments or alterations have the effect of changing the percentages of undivided interest in the common elements.

20.3 Any material amendment to this declaration or to the Bylaws shall not be effective without the written approval of each institutional holder of a first mortgage of apartments on the Property.

20.4 Notwithstanding anything herein contained to the contrary, Declarant may, during the development period, amend this declaration to conform with the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Federal Housing Administration or the Veteran's Administration with respect to condominium documentation by written instrument to such effect executed by Declarant only duly recorded in the Condominium Records of Bexar County, Texas; provided such amendment, if material, is approved by each institutional holder of a first mortgage of apartments on the Property.

21. ASSESSMENTS.

21.1 The making and collection of assessments from apartment owners for their share of common expenses shall be pursuant to the Bylaws and subject to the following provisions:

21.1.1 Each apartment owner shall be liable for a proportionate share of the common expenses, such share being the same as the percentage of undivided interest in the common elements appurtenant to the apartment owned by the apartment owner as set forth in Exhibit "C".

21.1.2 Assessments and any installments thereof not paid on or before five (5) days after the date when due shall bear interest at the rate of ten percent (10%) per annum, or at such rate of interest as may be set by the Association, acting solely through the Board, from the date when due until paid, such interest never to exceed the maximum rate of interest allowed by applicable law. All payments on account shall be first applied to interest and then to the assessment payment first due.

21.1.3 There shall be a lien upon the applicable apartment for unpaid assessments which shall also secure reasonable attorneys' fees and all costs and expenses, including taxes, if any, incurred by the Association incident to the collection of such assessment or enforcement of such a lien. The lien for assessments shall be superior (prior) to all other liens and encumbrances except assessments, liens and charges in favor of the State and any political subdivision thereof for taxes past due and unpaid on the apartment, and amounts due under mortgages recorded prior to the date such assessments became due.

21.1.4 In any foreclosure of a lien for assessments, the owner of the apartment subject to the lien shall be required to pay a reasonable rental for the apartment during his occupancy thereof, and the Association shall be entitled to the appointment of a receiver to collect the same.

21.2 The Association, acting solely through the Board, shall include in the regular assessments an adequate reserve for maintenance, repair and replacement of those common elements that must be replaced on a periodic basis.

21.3 The Association, acting solely through the Board, may include in the regular assessments amounts to be used for additions to capital items or improvements to the Property. Such assessment for capital improvements shall in no event exceed 20% of the common assessment for the operation and maintenance of the Property without the assessment having been first voted on and approved by two-thirds (2/3) or more vote in percentage ownership interest of those present at a meeting of the Association duly called for that purpose.

VOL

8 PAGE 175

21.4 In assessing the apartment owners for capital improvement to the common elements, there shall be no single improvement exceeding the sum of Fifteen Thousand Dollars (\$15,000.00) made by the Association without the improvement having been first voted on and approved by two-thirds (2/3) or more vote in percentage ownership interest of those present at a meeting of the Association duly called for that purpose. The foregoing and the 20% of the common assessment limitation provided at paragraph 21.3, above, shall not apply in connection with damage or destruction referred to in Section 12 hereof or to such structural alterations or capital additions to or capital improvements on the common elements as are necessary in the Board's reasonable judgment to preserve or maintain the safety and integrity of the common elements of the Property.

21.5 Should the electrical service to the Property be furnished through one or more master meters, it shall be measured separately for each apartment by check meters. In such event, the Board shall monthly, as soon as practicable after receipt of the invoice for electrical usage the previous month, specially assess each apartment for the amount of electricity consumed as displayed on such apartment's check meter. To the extent possible, readings of each check meter shall be made contemporaneously with the reading of the master meter(s). The Board shall assess for electricity consumed at a rate equal to the rate actually charged by the utility furnishing electricity to the Property.

21.6 If the apartment owner shall at any time lease his apartment and shall default for a period of one month in the payment of assessments, the Board may, at its option, so long as such default shall continue, demand and receive from any tenant of the apartment owner, on behalf of the Association, the rent due or becoming due and the payment of such rent to the Association shall be payment and discharge of such tenant and the apartment owner for such assessments to the extent of the amount so paid.

21.7 The Association, acting solely through the Board, shall handle all assessments hereunder so as to comply with applicable provisions of the Internal Revenue Code and the regulations adopted thereunder as well as applicable State and local tax laws and to avoid undue adverse tax consequences that might result to the Association or individual apartment owners.

22. VOTING.

The number of votes to which each apartment owner shall be entitled at any meeting of the Association shall be equal to the percentage of undivided interest of the common elements assigned to his apartment as indicated in Exhibit "C" to this declaration. In any case where there is more than one owner with respect to a particular apartment, the vote for such apartment shall be exercised as such owners, among themselves, determine; provided, there may be no split vote. The Association shall be notified by writing signed by all owners of such apartment at least 3 days in advance of any meeting of the Association of the identity of the party authorized to cast the votes appertaining to that apartment. Such notification shall be conclusive evidence of the designated party's authority to cast the votes appertaining to such apartment until such time as the Association is notified otherwise in writing.

22.2 No apartment owner who, as of 5:00 PM of the day preceding any meeting of the Association, is in default in

the payment of any assessment due the Association, according to the records of the Association, shall be entitled to vote at such meeting.

22.3 The results of any vote taken by the Association shall be deemed to be conclusive when announced and shall not be challengeable on the basis of any apartment owner's lack of voting authority.

23. NOTICES.

Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to be delivered twenty-four (24) hours after a copy of the same has been deposited in the U. S. postal service, postage prepaid, return receipt requested. Notice to apartment owners shall be addressed to each apartment owner at the address given by such apartment owner to the Association for the purpose of service of such notice or to the apartment of such owner if no such address has been given to the Association. Such address may be changed from time to time by notice in writing to the Association. Notice to the Association shall be addressed to the Post Oak Owners Association at the address of the secretary of the Association which address shall at all times be posted in a prominent location on the Property.

24. NO WAIVER.

The failure of the Association or its officers, agents or designees to insist, in one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this declaration or the Bylaws, to exercise any right or option herein contained or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment for the future of such term, covenant, condition or restriction; but such term, covenant, condition or restriction shall remain in full force and effect. The receipt and acceptance by the Association or its officers, agents or designees of the payment of any assessment from an apartment owner with knowledge of the breach of any covenant hereof shall not be deemed a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board.

25. ENFORCEMENT.

Each apartment owner as well as each lessee of an apartment shall strictly comply with the provisions of the declaration, the Bylaws, the Articles of Incorporation of the Association the house rules and administrative rules and regulations and decisions issued pursuant thereto. Failure to so comply shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Association or its officers, agent or designee on behalf of the apartment owners, or in an appropriate case, by an aggrieved apartment owner.

26. DECLARANT AND DECLARANT'S USE.

26.1 The term "declarant" as used herein shall mean and include Post Oak Joint Venture and any person or persons who might acquire title from Post Oak Joint Venture through foreclosure or deed in lieu of foreclosure.

VOL. 8 PAGE 177

26.2 Declarant and persons it may select from time to time shall have the right of ingress and egress over, upon and across the common elements and limited common elements and the right to store materials therein and to make such other use thereof as may be necessary and incident to the development and sale of all of the apartments as determined by the declarant in its sole discretion.

27. SEVERABILITY.

The provisions of this declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion hereof shall not affect the validity or enforceability of any other provision hereof.

28. CAPTIONS.

The captions in this declaration are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this declaration or the intent of any provision hereof.

29. LAW CONTROLLING.

This declaration, the plat and the Bylaws shall be construed and controlled by and under the laws of the State of Texas.

30. EFFECTIVE DATE.

This declaration shall take effect when recorded in the Condominium Records of Bexar County, Texas or upon the closing of the sale of the first condominium unit, whichever occurs later; provided, this declaration shall be effective prior to the closing of the first unit sale if the declarant shall file in the Bexar Condominium Records an acknowledged statement that this declaration is to be given immediate effect.
