**Why did you join the PTO Board?**

I joined PTO to help bring fun events to the school for the kiddos. It's been a great way to stay informed about what's going on at the school. I've also loved being with such a close group of parents who have also become friends. My kiddos get excited when they see me volunteering at the school.

I started last year as a volunteer because I wanted to be involved at the school. This year I wanted to be a part of making the magic happen and help bring all of our events and fundraisers to life. My son loves seeing me help out around the school and I love doing whatever I can to brighten all of the student's school experience.
