As an automatic fuel customer of Top Tier Fuel LLC, I have agreed to the following terms of the "Automatic Delivery Contract".

Top Tier Fuel LLC has agreed to supply fuel to my residence on an automatic delivery schedule beginning upon their equipment inspection and receipt of this signed and dated contract.

I understand by signing this "Automatic Delivery Contract" to Top Tier Fuel LLC that:

1. On the day of delivery, the automatic delivery price per gallon will have a \$0.03 cent discount over the advertised 150 gallon or more price.
2. There will be no additional charge over the above stated price per gallon or any applicable conditions related to your automatic delivery.
3. I am entitled to Volume discounts if applicable.
4. Top Tier Fuel LLC is not responsible for any damages to your home as a result of your oil tank running out of fuel, or any other circumstances beyond Top Tier Fuel LLC control. However, if Top Tier Fuel, LLC is notified that your tank is empty the additional Boiler Start-Up charge, standard for run-outs, will be waived due to our mistake. If no fuel is delivered within a 24-hour period of notification, this contract is null and void and the customer is free to obtain fuel from sources other than Top Tier Fuel, LLC.
5. I, as the customer, understand that Top Tier Fuel LLC only delivers heating oil on a C.O.D. basis, which means the customer must provide for payment to Top Tier Fuel LLC on the day of the automatic delivery. Top Tier Fuel, LLC will only provide automatic delivery to customers who provide a credit/debit card on file to be used for payment in advance of the delivery.
6. I understand that Top Tier Fuel can be reached at 860-502-5944 during normal business hours Monday through Friday.

Automatic Delivery Contract is valid until written cancelation and confirmation are made by either party.

Top Tier Fuel LLC also provides 24 Hour Emergency Service - 860-502-5944
