14 DAYS CHALLENGE

SQL-PRO SERIES

Powered by Data Pencil

ISO 9001:2015 Certified by QSC (Quality Standard Certification)

Registered MSME under UDYAM, Govt. of India

What is this challenge?

A 14-day SQL practice challenge to sharpen your query-writing skills using the Online Food Delivery dataset.

Who is it for?

Intermediate to Advanced learners who already know basic SQL.

Project Dataset:

Online Food Delivery (5 tables, 2000+ rows)

Queries per day:

8 SQL queries per day (3 explained + 5 practice tasks)

PREREQUISITES – SET THIS UP BEFORE YOU START!

Before you begin, make sure:

✓ You've installed any SQL platform of your choice like:

MySQL Workbench

SQL Server

PostgreSQL

SQLite, or

Online platforms like Mode, DB Fiddle, PopSQL, etc.

✓ You have created the project database

✓ You have imported all 5 tables from the dataset (customers, restaurants, menu_item, orders, order_details)

✓ You are able to run basic queries on your SQL platform

⚠ If you haven't yet set this up, download the full dataset and table schema using the link below and get started before Day 1

LINKS SECTION

✓ Project Set Up Video Link - [Click Here](#)

✓ Get the Dataset: [Download from here](#)

HOW IT WORKS

Step	Action
1	Watch the daily video for that Day
2	Understand the 3 explained demo queries
3	Solve the remaining 5 tasks on your own
4	Submit screenshots + query answers for each day via form
5	Complete all 14 days to get your Certificate

LINKS SECTION

- ✓ Project Set Up Video Link - [Click Here](#)
- ✓ Get the Dataset: [Download from here](#)

You can share this project on:

- ✓ LinkedIn
- ✓ GitHub
- ✓ Resume/Job Applications
- ✓ College Submissions
- ✓ Interviews

Every project you share builds your credibility as a data professional.

RULES TO FOLLOW

- ✓ Complete all 14 days to be eligible for a certificate
- ✓ Submissions must include screenshots (codes+ result)
- ✓ Mention your name & email consistently in all submissions
- ✓ Certificates are issued to first limited valid submissions only
- ✓ Comment “Done ✓” for that day’s video
- ✓ Subscribe @Datapencil Channel (youtube)

CERTIFICATE DETAILS

- Certificate Issued By:

Data Pencil – ISO 9001:2015 Certified by QSC, Registered MSME under UDYAM, Govt. of India

- Only participants who: Submit all 14 days correctly & Upload valid screenshots

Mandatory: Subscribe @Datapencil Channel (youtube)

FAQs

What if I miss a day?

You can catch up as long as final submission is before 20 Aug.

Where can I ask doubts?

Via doubt form

How will I receive the certificate?

Via email after verification.

Can I participate from outside India?

Yes! It's a global challenge 🌍

Is this challenge paid?

100% Free for learning purpose.

Good Luck 🌿
