493.6100 Legislative intent.—The Legislature recognizes that the private security, investigative, and recovery industries are rapidly expanding fields that require regulation to ensure that the interests of the public will be adequately served and protected. The Legislature recognizes that untrained persons, unlicensed persons or businesses, or persons who are not of good moral character engaged in the private security, investigative, and recovery industries are a threat to the welfare of the public if placed in positions of trust. Regulation of licensed and unlicensed persons and businesses engaged in these fields is therefore deemed necessary.

History.—ss. 2, 11, ch. 90-364; s. 4, ch. 91-429; s. 1, ch. 94-172.

(b) Class "G" license—statewide firearm license: \$150.

(c) Class "K" license—firearms instructor: \$100.

(d) Fee for the examination for firearms instructor: \$75.

(2) The department may establish by rule a fee for the replacement or revision of a license which fee shall not exceed \$30.

(3) The fees set forth in this section must be paid by check or money order or, at the discretion of the department, by electronic funds transfer at the time the application is approved, except that the applicant for a Class "G" or Class "M" license must pay the license fee at the time the application is made. If a license is revoked or denied or if the application is withdrawn, the license fee is nonrefundable.

(4) The department may prorate license fees.

(5) Payment of any license fee provided for under this chapter authorizes the licensee to practice his or her profession anywhere in this state without obtaining any additional license, permit, registration, or identification card, any municipal or county ordinance or resolution to the contrary notwithstanding. However, an agency may be required to obtain a city and county occupational license in each city and county where the agency maintains a physical office.

(6) The initial application fee for a veteran, as defined in s. 1.01, the spouse or surviving spouse of such veteran, a member of the United States Armed Forces who has served on active duty, or the

spouse or surviving spouse of such member who at the time of death was serving on active duty and died within the 2 years preceding the initial application, shall be waived if he or she applies for a Class “C,” Class “CC,” Class “DI,” Class “E,” Class “EE,” Class “K,” Class “M,” Class “MA,” Class “MB,” Class “MR,” or Class “RI” license in a format prescribed by the department. The application format must include the applicant’s signature, under penalty of perjury, and supporting documentation. An eligible veteran must include a copy of his or her DD Form 214, as issued by the United States Department of Defense, or another acceptable form of identification as specified by the Department of Veterans’ Affairs with his or her application in order to obtain a waiver. A licensee seeking such waiver must apply in a format prescribed by the department, including the applicant’s signature, under penalty of perjury, and supporting documentation.

493.6108 Investigation of applicants by Department of Agriculture and Consumer Services.—

(1) Except as otherwise provided, the department must investigate an applicant for a license under this chapter before it may issue the license. The investigation must include:

(a)1. An examination of fingerprint records and police records. If a criminal history record check of an applicant under this chapter is performed by means of fingerprint identification, the time limitations prescribed by s. 120.60(1) shall be tolled while the applicant’s fingerprints are under review by the Department of Law Enforcement or the United States Department of Justice, Federal Bureau of Investigation.

2. If a legible set of fingerprints, as determined by the Department of Law Enforcement or the Federal Bureau of Investigation, cannot be obtained after two attempts, the Department of Agriculture and Consumer Services may determine the applicant’s eligibility based upon a criminal history record check under the applicant’s name conducted by the Federal Bureau of Investigation.

(b) An inquiry to determine if the applicant has been adjudicated incompetent under chapter 744 or has been committed to a mental institution under chapter 394.

(c) Such other investigation of the individual as the department may deem necessary.

(2) In addition to subsection (1), the department shall make an investigation of the general physical fitness of the Class “G” applicant to bear a weapon or firearm. Determination of physical fitness shall be certified by a physician or physician assistant currently licensed pursuant to chapter 458, chapter 459, or any similar law of another state or authorized to act as a licensed physician by a federal agency or department or by an advanced practice registered nurse currently licensed pursuant to chapter 464. Such certification shall be submitted on a form provided by the department.

(3) The department must also investigate the mental history and current mental and emotional fitness of any Class “G” or Class “K” applicant and may deny a Class “G” or Class “K” license to anyone who has a history of mental illness or drug or alcohol abuse. Notwithstanding s. 790.065(2)(a)4.f., the Department of Law Enforcement is authorized, for the limited purpose of determining eligibility of Class “G” or Class “K” applicants and licensees under this chapter, to provide

the department with mental health and substance abuse data of individuals who are prohibited from purchasing a firearm.

(4) Beginning January 1, 2017, the Department of Law Enforcement shall:

(a) Retain and enter into the statewide automated biometric identification system established in s. 943.05(2)(b) all fingerprints submitted to the Department of Agriculture and Consumer Services pursuant to this chapter.

(b) When the Department of Law Enforcement begins participation in the Federal Bureau of Investigation's national retained print arrest notification program, enroll such fingerprints in the program. The fingerprints must thereafter be available for arrest notifications and all purposes and uses authorized for arrest fingerprint submissions entered into the statewide automated biometric identification system established in s. 943.05(2)(b).

(c) Search all arrest fingerprints against fingerprints retained.

(d) Report to the Department of Agriculture and Consumer Services any arrest record that it identifies or that is identified by the Federal Bureau of Investigation.

(5) A person licensed under this chapter must notify his or her employer within 3 calendar days if he or she is arrested for any offense. If the department receives information about an arrest within the state of a person who holds a valid license issued under this chapter for a crime that could potentially disqualify the person from holding such a license, the department must provide the arrest information to the agency that employs the licensee.

493.6109 Reciprocity.—

(1) The department may adopt rules for:

(a) Entering into reciprocal agreements with other states or territories of the United States for the purpose of licensing persons to perform activities regulated under this chapter who are currently licensed to perform similar services in the other states or territories; or

(b) Allowing a person who is licensed in another state or territory to perform similar services in this state, on a temporary and limited basis, without the need for licensure in state.

(2) The rules authorized in subsection (1) may be promulgated only if:

(a) The other state or territory has requirements which are substantially similar to or greater than those established in this chapter.

(b) The applicant has engaged in licensed activities for at least 1 year in the other state or territory with no disciplinary action against him or her.

(c) The Commissioner of Agriculture or other appropriate authority of the other state or territory agrees to accept service of process for those licensees who are operating in this state on a temporary basis.

493.6110 Licensee's insurance.—A Class "B" agency license may not be issued unless the applicant first files with the department a certification of insurance evidencing commercial general

liability coverage. The coverage shall provide the department as an additional insured for the purpose of receiving all notices of modification or cancellation of such insurance. Coverage shall be written by an insurance company which is lawfully engaged to provide insurance coverage in Florida. Coverage shall provide for a combined single-limit policy in the amount of at least \$300,000 for death, bodily injury, property damage, and personal injury. Coverage shall insure for the liability of all employees licensed by the department while acting in the course of their employment.

(1) The licensed agency shall notify the department of any claim against such insurance.

(2) The licensed agency shall notify the department immediately upon cancellation of the insurance policy, whether such cancellation was initiated by the insurance company or the insured agency.

(3) The agency license shall be automatically suspended upon the date of cancellation unless evidence of insurance is provided to the department prior to the effective date of cancellation.

History.—ss. 2, 11, ch. 90-364; s. 4, ch. 91-248; s. 4, ch. 91-429; s. 3, ch. 2005-143.

493.6111 License; contents; identification card.—

(1) All licenses issued pursuant to this chapter shall be on a form prescribed by the department and shall include the licensee's name, license number, expiration date of the license, and any other information the department deems necessary. Class "C," Class "CC," Class "D," Class "E," Class "EE," Class "M," Class "MA," Class "MB," Class "MR," and Class "G" licenses shall be in the possession of individual licensees while on duty.

(2) Licenses shall be valid for a period of 2 years, except for Class "A," Class "B," Class "AB," Class "K," Class "R," and branch agency licenses, which shall be valid for a period of 3 years.

(3) The department shall, upon complete application and payment of the appropriate fees, issue a separate license to each branch office for which application is made.

(4) Notwithstanding the existence of a valid Florida corporate registration, an agency or school licensee may not conduct activities regulated under this chapter under any fictitious name without prior written authorization from the department to use that name in the conduct of activities regulated under this chapter. The department may not authorize the use of a name that is so similar to that of a public officer or agency, or of that used by another licensee, that the public may be confused or misled thereby. The authorization for the use of a fictitious name must require, as a condition precedent to the use of such name, the filing of a certificate of engaging in business under a fictitious name under s. 865.09. A licensee may not conduct business under more than one name except as separately licensed nor shall the license be valid to protect any licensee who is engaged in the business under any name other than that specified in the license. An agency desiring to change its licensed name must notify the department and, except upon renewal, pay a fee not to exceed \$30 for each license requiring revision including those of all licensed employees except Class "D" or Class "G" licensees. Upon the return of such licenses to the department, revised licenses shall be provided.

(5) It shall be the duty of every agency to furnish all of its partners, principal corporate officers, and all licensed employees an identification card. The card shall specify at least the name and license number, if appropriate, of the holder of the card and the name and license number of the agency and shall be signed by a representative of the agency and by the holder of the card.

(a) Each individual to whom a license and identification card have been issued shall be responsible for the safekeeping thereof and shall not loan, or let or allow any other individual to use or display, the license or card.

(b) The identification card shall be in the possession of each partner, principal corporate officer, or licensed employee while on duty.

(c) Upon denial, suspension, or revocation of a license, or upon termination of a business association with the licensed agency, it shall be the duty of each partner, principal corporate officer, manager, or licensed employee to return the identification card to the issuing agency.

(6) A licensed agency must include its agency license number in any advertisement in any print medium or directory, and must include its agency license number in any written bid or offer to provide services.

History.—ss. 2, 11, ch. 90-364; s. 5, ch. 91-248; s. 4, ch. 91-429; s. 4, ch. 93-49; s. 1, ch. 98-335; s. 6, ch. 2011-205.

493.6112 Notification to Department of Agriculture and Consumer Services of changes of partner or officer or employees.—

(1) After filing the application, unless the department declines to issue the license or revokes it after issuance, an agency shall, within 5 working days of the withdrawal, removal, replacement, or addition of any or all partners or officers, notify and file with the department complete applications for such individuals. The agency's good standing under this chapter shall be contingent upon the department's approval of any new partner or officer.

(2) Each agency shall, upon the employment or termination of employment of a licensee, report such employment or termination within 15 calendar days to the department and, in the case of a termination, report the reason or reasons therefor. The report shall be submitted electronically in a manner prescribed by the department.

History.—ss. 2, 11, ch. 90-364; s. 4, ch. 91-429; s. 8, ch. 2002-295; s. 14, ch. 2017-85.

493.6113 Renewal application for licensure.—

(1) A license granted under the provisions of this chapter shall be renewed biennially by the department, except for Class "A," Class "B," Class "AB," Class "K," Class "R," and branch agency licenses, which shall be renewed every 3 years.

(2) At least 90 days before the expiration date of the license, the department shall mail a written notice to the last known mailing address of the licensee.

(3) Each licensee is responsible for renewing his or her license on or before its expiration by filing with the department an application for renewal accompanied by payment of the renewal fee and the fingerprint retention fee to cover the cost of ongoing retention in the statewide automated biometric identification system established in s. 943.05(2)(b). Upon the first renewal of a license issued under this chapter before January 1, 2017, the licensee shall submit a full set of fingerprints and fingerprint processing fees to cover the cost of entering the fingerprints into the statewide automated biometric identification system pursuant to s. 493.6108(4)(a) and the cost of enrollment in the Federal Bureau of Investigation's national retained print arrest notification program. Subsequent renewals may be completed without submission of a new set of fingerprints.

(a) Each Class “B” licensee shall additionally submit on a form prescribed by the department a certification of insurance that evidences that the licensee maintains coverage as required under s. 493.6110.

(b) Each Class “G” licensee shall additionally submit proof that he or she has received during each year of the license period a minimum of 4 hours of firearms requalification training taught by a Class “K” licensee and has complied with such other health and training requirements that the department shall adopt by rule. Proof of completion of firearms requalification training shall be submitted to the department upon completion of the training. A Class “G” licensee must successfully complete this requalification training for each type and caliber of firearm carried in the course of performing his or her regulated duties. If the licensee fails to complete the required 4 hours of annual training during the first year of the 2-year term of the license, the license shall be automatically suspended. The licensee must complete the minimum number of hours of range and classroom training required at the time of initial licensure and submit proof of completion of such training to the department before the license may be reinstated. If the licensee fails to complete the required 4 hours of annual training during the second year of the 2-year term of the license, the licensee must complete the minimum number of hours of range and classroom training required at the time of initial licensure and submit proof of completion of such training to the department before the license may be renewed. The department may waive the firearms training requirement if:

1. The applicant provides proof that he or she is currently certified as a law enforcement officer or correctional officer under the Criminal Justice Standards and Training Commission and has completed law enforcement firearms requalification training annually during the previous 2 years of the licensure period;

2. The applicant provides proof that he or she is currently certified as a federal law enforcement officer and has received law enforcement firearms training administered by a federal law enforcement agency annually during the previous 2 years of the licensure period; or

3. The applicant submits a valid firearm certificate among those specified in s. 493.6105(6)(a) and provides proof of having completed requalification training during the previous 2 years of the licensure period.

(c) Each Class “DS” or Class “RS” licensee shall additionally submit the current curriculum, examination, and list of instructors.

(d) Each Class “K” licensee shall additionally submit one of the certificates specified under s. 493.6105(6) as proof that he or she remains certified to provide firearms instruction.

(4) A licensee who fails to file a renewal application on or before its expiration must renew his or her license by fulfilling the applicable requirements of subsection (3) and by paying a late fee equal to the amount of the license fee.

(5) No license shall be renewed 3 months or more after its expiration date. The applicant shall submit a new, complete application and the respective fees.

(6) A renewal applicant shall not perform any activity regulated by this chapter between the date of expiration and the date of renewal of his or her license.

(7) The department shall waive the respective fees for a licensee who:

- (a) Is an active duty member of the United States Armed Forces or the spouse of such member;
- (b) Is or was a member of the United States Armed Forces and served on active duty within the 2 years preceding the expiration date of the license. A licensee who is a former member of the United States Armed Forces who served on active duty within the 2 years preceding the application must have received an honorable discharge upon separation or discharge from the United States Armed Forces; or
- (c) Is the surviving spouse of a member of the United States Armed Forces who was serving on active duty at the time of death and died within the 2 years preceding the expiration date of the license.

A licensee seeking such waiver must apply in a format prescribed by the department, including the applicant's signature, under penalty of perjury, and supporting documentation.

493.6114 Cancellation or inactivation of license.—

(1) In the event the licensee desires to cancel her or his license, she or he shall notify the department in writing and return the license to the department within 10 days of the date of cancellation.

(2) The department, at the written request of the licensee, may place her or his license in inactive status. A license may remain inactive for a period of 3 years, at the end of which time, if the license has not been renewed, it shall be automatically canceled. If the license expires during the inactive period, the licensee shall be required to pay license fees and, if applicable, show proof of insurance or proof of firearms training before the license can be made active. No late fees shall apply when a license is in inactive status.

History.—ss. 2, 11, ch. 90-364; s. 4, ch. 91-429; s. 532, ch. 97-103.

493.6115 Weapons and firearms.—

(1) The provisions of this section shall apply to all licensees in addition to the other provisions of this chapter.

(2) Only Class "C," Class "CC," Class "D," Class "M," Class "MA," or Class "MB" licensees are permitted to bear a firearm and any such licensee who bears a firearm shall also have a Class "G" license.

(3) No employee shall carry or be furnished a weapon or firearm unless the carrying of a weapon or firearm is required by her or his duties, nor shall an employee carry a weapon or firearm except in connection with those duties. When carried pursuant to this subsection, the weapon or firearm shall be encased in view at all times except as provided in subsection (4).

(4) A Class "C" or Class "CC" licensee who is 21 years of age or older and has also been issued a Class "G" license may carry, in the performance of her or his duties, a concealed firearm. A Class "D" licensee who is 21 years of age or older and has also been issued a Class "G" license may carry a concealed firearm in the performance of her or his duties under the conditions specified in s.

493.6305(3) and (4). The Class "G" license must clearly indicate such authority. The authority of any such licensee to carry a concealed firearm is valid in any location throughout the state while performing services within the scope of the license.

(5) The Class "G" license shall remain in effect only during the period the applicant is employed as a Class "C," Class "CC," Class "D," Class "MA," Class "MB," or Class "M" licensee.

(6) In addition to any other firearm approved by the department, a licensee who has been issued a Class "G" license may carry a .38 caliber revolver; or a .380 caliber or 9 millimeter semiautomatic pistol; or a .357 caliber revolver with .38 caliber ammunition only; or a .40 caliber handgun; or a .45 ACP handgun while performing duties authorized under this chapter. A licensee may not carry more than two firearms upon her or his person when performing her or his duties. A licensee may only carry a firearm of the specific type and caliber with which she or he is qualified pursuant to the firearms training referenced in subsection (8) or s. 493.6113(3)(b).

(7) Any person who provides classroom and range instruction to applicants for Class "G" licensure shall have a Class "K" license.

(8) A Class "G" applicant must satisfy the minimum training criteria as set forth in s. 493.6105(5) and as established by rule of the department.

(9) Whenever a Class "G" licensee discharges her or his firearm in the course of her or his duties, the Class "G" licensee and the agency by which she or he is employed shall, within 5 working days, submit to the department an explanation describing the nature of the incident, the necessity for using the firearm, and a copy of any report prepared by a law enforcement agency. The department may revoke or suspend the Class "G" licensee's license and the licensed agency's agency license if this requirement is not met.

(10) The department may promulgate rules to establish minimum standards to issue licenses for weapons other than firearms.

(11) The department may establish rules to require periodic classroom training for firearms instructors to provide updated information relative to curriculum or other training requirements provided by statute or rule.

(12) The department may issue a temporary Class "G" license, on a case-by-case basis, if:

(a) The agency or employer has certified that the applicant has been determined to be mentally and emotionally stable by either:

1. A validated written psychological test taken within the previous 12-month period.
2. An evaluation by a psychiatrist or psychologist licensed in this state or by the Federal Government made within the previous 12-month period.
3. Presentation of a DD form 214, issued within the previous 12-month period, which establishes the absence of emotional or mental instability at the time of discharge from military service.

(b) The department has reviewed the mental health and substance abuse data provided by the Department of Law Enforcement as authorized in s. 493.6108(3) and has determined the applicant is not prohibited from licensure based upon this data.

(c) The applicant has submitted a complete application for a Class "G" license, with a notation that she or he is seeking a temporary Class "G" license.

(d) The applicant has completed all Class “G” minimum training requirements as specified in this section.

(e) The applicant has received approval from the department subsequent to its conduct of a criminal history record check as authorized in s. 493.6108(1).

(13) In addition to other fees, the department may charge a fee, not to exceed \$25, for processing a Class “G” license application as a temporary Class “G” license request.

(14) Upon issuance of the temporary Class “G” license, the licensee is subject to all of the requirements imposed upon Class “G” licensees.

(15) The temporary Class “G” license is valid until the Class “G” license is issued or denied. If the department denies the Class “G” license, any temporary Class “G” license issued to that individual is void, and the individual shall be removed from armed duties immediately.

(16) If the criminal history record check program referenced in s. 493.6108(1) is inoperable, the department may issue a temporary “G” license on a case-by-case basis, provided that the applicant has met all statutory requirements for the issuance of a temporary “G” license as specified in subsection (12), excepting the criminal history record check stipulated there; provided, that the department requires that the licensed employer of the applicant conduct a criminal history record check of the applicant pursuant to standards set forth in rule by the department, and provide to the department an affidavit containing such information and statements as required by the department, including a statement that the criminal history record check did not indicate the existence of any criminal history that would prohibit licensure. Failure to properly conduct such a check, or knowingly providing incorrect or misleading information or statements in the affidavit constitutes grounds for disciplinary action against the licensed agency, including revocation of license.

(17) No person is exempt from the requirements of this section by virtue of holding a concealed weapon or concealed firearm license issued pursuant to s. 790.06.

(1) Only licensees may sponsor interns. A Class “C,” Class “M,” or Class “MA” licensee may sponsor a Class “CC” private investigator intern; a Class “E” or Class “MR” licensee may sponsor a Class “EE” recovery agent intern.

(2) An internship may not commence until the sponsor has submitted to the department the notice of intent to sponsor. Such notice shall be on a form provided by the department.

(3) Internship is intended to serve as a learning process. Sponsors shall assume a training status by providing direction and control of interns. Sponsors shall not allow interns to operate independently of such direction and control or require interns to perform activities that do not enhance the intern’s qualification for licensure. Interns must perform regulated duties within the boundaries of this state during the period of internship.

(4) No sponsor may sponsor more than six interns at the same time.

(5) A sponsor shall certify a biannual progress report on each intern and shall certify completion or termination of an internship to the department within 15 days after such completion or termination. The report must be made on a form provided by the department and must include at a minimum:

(a) The inclusive dates of the internship.

All moneys required to be paid under this chapter shall be collected by the department and deposited in the trust fund. The Division of Licensing Trust Fund shall be subject to the service charge imposed pursuant to chapter 215. The Legislature shall appropriate from the fund such amounts as it deems necessary for the purpose of administering the provisions of this chapter. The unencumbered balance in the trust fund at the beginning of the year shall not exceed \$100,000, and any excess shall be transferred to the General Revenue Fund unallocated.

History.—ss. 2, 11, ch. 90-364; s. 4, ch. 91-429.

(d) A false statement by the licensee that any individual is or has been in his or her employ.

(j) Commission of an act of violence or the use of force on any person except in the lawful protection of one's self or another from physical harm.

 - (d) Place the licensee on probation for a period of time and subject to such conditions as the department may specify.
 - (e) Suspend or revoke a license.
- (3) The department may deny an application for licensure citing lack of good moral character only if the finding by the department of lack of good moral character is supported by clear and convincing

evidence. In such cases, the department shall furnish the applicant a statement containing the findings of the department, a complete record of the evidence upon which the determination was based, and a notice of the rights of the applicant to an administrative hearing and subsequent appeal.

(4) Notwithstanding the provisions of paragraph (1)(c) and subsection (2):

(a) If the applicant or licensee has been convicted of a felony, the department shall deny the application or revoke the license unless and until civil rights have been restored by the State of Florida or by a state acceptable to Florida and a period of 10 years has expired since final release from supervision.

(b) A Class "G" applicant who has been convicted of a felony shall also have had the specific right to possess, carry, or use a firearm restored by the State of Florida.

(d) A plea of nolo contendere shall create a rebuttable presumption of guilt to the underlying criminal charges, and the department shall allow the person being disciplined or denied an application for a license to present any mitigating circumstances surrounding his or her plea.

(e) The grounds for discipline or denial cited in this subsection shall be applied to any disqualifying criminal history regardless of the date of commission of the underlying criminal charge. Such provisions shall be applied retroactively and prospectively.

(5) Upon revocation or suspension of a license, the licensee shall forthwith return the license which was suspended or revoked.

(6) The agency or Class "DS" or "RS" license and the approval or license of each officer, partner, or owner of the agency, school, or training facility are automatically suspended upon entry of a final order imposing an administrative fine against the agency, school, or training facility, until the fine is paid, if 30 calendar days have elapsed since the entry of the final order. All owners and corporate or agency officers or partners are jointly and severally liable for fines levied against the agency, school, or training facility. The agency or Class "DS" or "RS" license or the approval or license of any officer, partner, or owner of the agency, school, or training facility may not be renewed, and an application may not be approved, if the owner, licensee, or applicant is liable for an outstanding administrative fine imposed under this chapter. An individual's approval or license becomes automatically suspended if a fine imposed against the individual or his or her agency is not paid within 30 days after the date of the final order, and remains suspended until the fine is paid. (7) An applicant or licensee shall be ineligible to reapply for the same class of license for a period of 1 year following final agency action resulting in the denial or revocation of a license applied for or issued under this chapter. - (b) The experience documented by the department was insufficient at the time of application;
- (c) The department was unable to complete the criminal background investigation due to insufficient information from the Department of Law Enforcement, the Federal Bureau of Investigation, or any other applicable law enforcement agency; or

(8)(a) Upon notification by a law enforcement agency, a court, or the Department of Law Enforcement and upon subsequent written verification, the department shall temporarily suspend a Class "G" or Class "K" license if the licensee is arrested or charged with a firearms-related crime that would disqualify such person from licensure under this chapter. The department shall notify the licensee suspended under this section of his or her right to a hearing pursuant to chapter 120. A hearing conducted regarding the temporary suspension must be for the limited purpose of determining whether the licensee has been arrested or charged with a disqualifying firearms-related crime.

(b) If the criminal case results in a nondisqualifying disposition, the department shall issue an order lifting the suspension upon the licensee's submission of a certified copy of the final resolution to the department.

(c) If the criminal case results in a disqualifying disposition, the suspension remains in effect and the department shall proceed with revocation proceedings pursuant to chapter 120.

(9)(a) Upon notification by a law enforcement agency, a court, or the Department of Law Enforcement and upon subsequent written verification, the department shall temporarily suspend a license if the licensee is arrested or charged with a forcible felony as defined in s. 776.08. However, the prohibition of this section shall not apply when the client for whom the information was acquired, or the client's lawful representative, has alleged a violation of this chapter by the licensee, licensed

(b) That the client has been advised of the request and has denied permission to grant access; or

(c) That the present whereabouts of the client is unknown or attempts to contact the client have been unsuccessful but, in the opinion of the person denying access, review of the investigative file under conditions specified by the department would be contrary to the interests of the client; or

(d) That the requested investigative file will be provided pursuant to a subpoena issued by the department.

(4) No licensee or any employer or employee of a licensee or licensed agency shall willfully make a false statement or report to her or his client or employer or an authorized representative of the department concerning information acquired in the course of activities regulated by this chapter.
