*All Santana 35s registered for the Port Huron to Mackinac Island Race are automatically accepted as a class member, provided there are no (speed enhancing) modifications to the boat.

Class Dues:

Class dues will be assessed by class officers in the event cost are incurred that should be shared amongst members. In the absences of any assessment, there will be no class dues.

Standard Rigging Modifications (Addendum):

At any time a boat is temporarily modified from its standard rigging, provided the boat is sailed under it's standard rigging and aligned with race rules governing the One-Design class of any race/regatta, the boat shall be considered in compliance with One-Design criteria and is not in jeopardy of rejection from the Santana 35 Class Membership or race/regatta.
