SPRINGVILLE ELEMENTARY PTO CHARACTER KIDS FUNDRAISER EVENT
starts **MAY 1st 2021**

What is the Character Kids After School Program all about?

Character Kids is a 4 week session, one month of Kids Self Defense and Character Development Program that incorporates traditional training with Life Skill lessons.

Open to all students in grades K to 8, this innovative series of classes is designed to not only introduce your child to basic martial arts but also to improve focus, confidence, discipline and respect. It will benefit your child at home, at school and in team sports. Chief Master George, and his staff from U.S. World Class Taekwondo have volunteered their time, equipment and location to teach the Character Kids program for your child.

How does it benefit my school?

The instructors and materials required to run the U.S. World Class Taekwondo Character Kids program will be donated by U.S. WORLD CLASS Taekwondo as part of our commitment to helping local children in our community.

The registration fee of \$49 includes 4 weeks of classes, Uniform and Belt and it will be donated directly to your School Parent Teacher Organization. 100%

US World Class Taekwondo

It is our belief that community service is an integral part of developing respect, self control and indomitable spirit; key components in the growth of every martial artist. As part of our commitment we have donated services to Bethany Elementary, CLASS Academy ,Springville, Jacob Wismer and raised thousands of dollars to benefit the community. **These classes teach basic white belt curriculum while emphasizing focus, discipline, respect and confidence.**

They provide a chance for students to try Martial Arts who may not normally have the opportunity and 100% of the registration fees are donated directly back to YOUR SCHOOL PTO, PTC or Booster Club. In the future we hope to provide community service projects that involve all of our students.

The Beaverton School District does not sponsor or endorse the activities and/or information in community flyers.
