## Message From the Board

Dear Residents,

As summer comes to an end, we would like to provide a few updates regarding our community.

Landscaping work in the cul-de-sacs is nearly complete, including shrub replacement, trimming, and mulching.

Additionally, many residents recently received notices regarding unit appearance and landscaping. During September, active notices peaked at 135. Thanks to your diligent efforts to resolve these issues, that number has dropped to 60, which includes 20 light-related violations and 40 for various other items.

We truly appreciate your prompt attention to these notices and your continued commitment to maintaining our community.

Best regards,

Tropical Isles Board Member

## Management Report

### Tropical Isles Residents,

As we enter the Fall season,

- Please remember to complete an Exterior Change Request form to make changes to your home or landscaping. If you are unsure if you need to complete the form, it is always best to complete the form.
- When having guests, please be sure to accompany them to all facilities as the rules advise that the resident is present.
- When doing yard work, please put all thorn branches and sharp limbs in bags, trash cans, or small taped bundles before disposal. It is difficult to pick up items from the ground when they are not bundled or enclosed in a bag.
- The area next to the inside clubhouse restroom will be identified as the Event Information Center. In this area, you will find Event postings and Signup sheets from the Social Committee, Circle of Friends, Ladies Luncheon, C.O.P, and other groups in our community.

Respectfully submitted by:

## Citizen Observation Patrol - C.O.P

Hello Tropical Isles ,

It's been a long hot summer. I hope everyone is well. The Citizen's Observation Patrol is still in dire need of volunteers. We only have me and Larry, who is part time. Please consider Volunteering the next training call will be coming up soon. Our next meeting the sheriff's department is Tuesday, October 10<sup>th</sup> at 10 a.m. Come and learn more about C.O.P.

A strong reminder to make sure you lock your cars and trucks up. We have had a recent theft. Even if you forget to lock your car and a theft occurs always call and report it to the Sherrif's Department. It's very important to do this. They need to be aware so they can also put a patrol to check our neighborhood.

*Have a safe month. Please stop at stop signs and slow down. Remember it's only 15 MPH in the park.*

## TRAVEL EVENTS - \*\*\* ALL SIGN-UP Sheets in Event Information Center \*\*\*

I have 3 travel things posted. I urge everyone to take a look and sign up early. If I don't see people names, I CAN TAKE THEM DOWN.

November 19 - HARD ROCK CASINO - \$45.00 with \$25 in free play. Leave at 3 p.m. return at 9 p.m.

December 14 - St. Augustine Night of Lights cost is \$179.00 per person. Dinner at Raintree. Plenty of shopping time, then we have a trolley ride to see the lights. This one almost filled so sign up soon.

February 7 - JUNGLE CRUISE - So sign up early We **must** have at least 30 people. Sign up or call or text me soon that you want to go.

I've been putting trips together for 4 or 5 years now. I do it so everyone can enjoy it. These trips take a lot of work. Out of the 324 homes, I only have 12 homes that usually take advantage of them. So, unless I get more people to sign up, I have decided not worth all the time involved. So, this may be the last season for Trips.

# THINK BEFORE YOU FLUSH

## Reminder **PLEASE - PLEASE -** Do not feed the Wildlife.

Feeding wildlife in many cases is illegal. Feeding makes the wildlife dependent on humans rather than their own natural instincts which could make them unable to fend for themselves. Food used for feeding wildlife also attracts rodents such as rats and mice into our community.
