

# My Dog and Cat Treats- Product Sheet

Our treats are made with quality ingredients in small batches, ensuring that each one is a labor of love. We understand that some pets have unique dietary needs, which is why we carefully curated treats with no beef or chicken meat, making them a great option for dogs and cats with those common food allergies. Each of our products is gluten-free, all-natural, and free of preservatives and artificial flavors.

Because our treats are all natural and free of preservatives, we recommend storing the sealed bags in the refrigerator for longing freshness up to 12-18 months. Please also make sure to adjust the

portion size of the treat to accommodate the size of your pet and allow monitor and provide water as needed.

## **Products**

### **Dog Treats:**
