5. Any Member who conveys or loses title to a Lot by sale, gift, devise, bequest, judicial decree or otherwise shall, immediately upon such conveyance or loss of title, no longer be a Member with respect to such Lot and shall lose all rights and privileges of a Member resulting from ownership of such Lot, but shall remain personally liable to the Association for any unpaid Assessments levied upon the subject Lot which accrue during the period of such Person's ownership of the Lot.

6. There shall be only one (1) vote for each Lot, except for Class B Members as set forth herein. If there is more than one Member with respect to a Lot as a result of the fee interest in such Lot being held by more than one all such persons shall be Members, but no more than one vote shall be cast with respect to any Lot. The vote for any such Lot shall be exercised as the Members holding an interest in such Lot determine among themselves. In the event of disagreement, the decision of Members holding a majority of interest in such Lot shall govern. Unless otherwise notified by a co-owner as to a dispute between the co-owners regarding their vote prior to the casting of that vote, the vote of any co-owner shall be conclusively presumed to be the majority vote of the Owners of that Lot.

7. Unless a different percentage is specifically required by any other provisions of the Association Documents, a quorum shall consist of persons entitled to cast at least one-third ($\frac{1}{3}$) of the votes of the Members, which may be reduced as provided in the Bylaws.

B. Board

The Association shall be governed by the Board which shall be appointed, designated or elected, as the case may be, as set forth in the Bylaws.

C. Duration of Association

The duration of the Association shall be perpetual, as set forth in the Articles.

ARTICLE IV

COVENANT TO PAY ASSESSMENTS FOR OPERATING EXPENSES;
ESTABLISHMENT OF LIENS; COLLECTION OF ASSESSMENTS; COLLECTION BY
DECLARANT; CERTAIN RIGHTS OF DECLARANT AND INSTITUTIONAL MORTGAGEES;
NON-MONETARY DEFAULTS; FINES

A. Affirmative Covenant to Pay Operating Expenses

In order to: (i) fulfill the terms, provisions, covenants and conditions contained in the Association Documents; and (ii) maintain, operate and preserve the Association Property for the use, safety, welfare and benefit of the Members and their family members, guests, invitees and lessees, there is hereby imposed upon each Contributing Lot and Contributing Lot Owner (with the exception of Declarant for so long as Declarant pays the Deficit during the Guarantee Period referred to in Section F of Article V) the affirmative covenant and obligation to pay to the Association (in the manner herein set forth) all Assessments, including, but not limited to, the Individual Lot Assessments, Special Assessments and Individual Expense Assessments. Each Owner (except if applicable as provided in Section F of Article V, Declarant) by acceptance of a deed or other instrument of conveyance conveying a Lot within the Property from Declarant, whether or not it shall be so expressed in such deed or instrument, shall be obligated and agrees to pay to the Association all Assessments for Operating Expenses in accordance with the provisions of the Association Documents.

B. Establishment of Liens

Any and all Assessments made by the Association in accordance with the provisions of the Association Documents with Interest thereon and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Contributing Lot against which each such Assessment is made. Each Assessment against a Contributing Lot, together with Interest thereon, including, but not limited to, Legal Fees, shall be the personal obligation of the Contributing Lot Owner of such Contributing Lot. Said lien shall be effective only from and after the time of the recordation amongst the Public Records of the County of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, the party making payment shall be entitled to a satisfaction of the statement of lien in recordable form. Notwithstanding anything to the contrary herein contained, where an Institutional Mortgagee of record obtains title to a Contributing Lot as a result of foreclosure of its first mortgage or deed in lieu of foreclosure, such acquirer of title, its successors or assigns, shall not be liable for the share of Assessments pertaining to such Contributing Lot or chargeable to the former Contributing Lot Owner thereof which became due prior to the acquisition of title as a result of the foreclosure or deed in lieu thereof, unless the Assessment against the Contributing Lot in question is secured by a claim of lien for Assessments that is recorded prior to the recordation of the mortgage which was foreclosed or with respect to which a deed in lieu of foreclosure was given.

C. Collection of Assessments

In the event any Contributing Lot Owner shall fail to pay any Assessment, or installment thereof, charged to such Contributing Lot Owner within fifteen (15) days after the same becomes due, then the Association, through its Board, shall have any and all of the following remedies to the extent permitted by law, which remedies are cumulative and which remedies are not in lieu of, but are in addition to, all other remedies available to the Association:

1. To accelerate the entire amount of any Assessments for the remainder of the calendar year notwithstanding any provisions for the payment thereof in installments.
2. To advance on behalf of the Contributing Lot Owner(s) in default funds to accomplish the needs of the Association up to and including the full amount for which such Contributing Lot Owner(s) is liable to the Association and the amount or amounts of monies so advanced, together with Interest and all costs of collection thereof, including, but not limited to, Legal Fees, may thereupon be collected by the Association and such advance by the Association shall not waive the default.
3. To file an action in equity to foreclose its lien at any time after the effective date thereof. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property.
4. To file an action at law to collect said Assessment plus Interest and Legal Fees, without waiving any lien rights or rights of foreclosure in the Association.
5. To charge Interest on such Assessment from the date it becomes due, as well as a late charge of Twenty Five Dollars (\$25.00) by the Association to defray additional collection costs.

D. Collection by Declarant

In the event for any reason the Association shall fail to collect the Assessments, then, in that event, Declarant shall at all times prior to the Turnover Date have the right (but not the obligation): (i) to advance such sums as the Association could have advanced as set forth above; and (ii) to collect such Assessments and, if applicable, any such sums advanced by Declarant; using the remedies available to the Association against a Contributing Lot Owner as set forth in Section C of this Article IV, which remedies (including, but not limited to, recovery of Legal Fees) are hereby declared to be available to Declarant

E. Rights of Declarant and Institutional Mortgagees to Pay Assessments and Receive Reimbursement

Declarant and any Institutional Mortgagees shall have the right, but not the obligation, jointly or singly, and at their sole option, to pay any of the Assessments which are in default and which may or have become a charge against any Contributing Lots. Further, Declarant and any Institutional Mortgagees shall have the right, but not the obligation, jointly or singly, and, at their sole option, to pay insurance premiums or fidelity bond premiums or other required items of Operating Expenses on behalf of the Association where the same are overdue and where lapses in policies or services may occur. Declarant and any Institutional Mortgagees paying overdue Operating Expenses on behalf of the Association will be entitled to immediate reimbursement from the Association plus Interest and any costs of collection including, but not limited to, Legal Fees, and the Association shall execute an instrument in recordable form to this effect and deliver the original of such instrument to each Institutional Mortgagee who is so entitled to reimbursement and to Declarant if Declarant is entitled to reimbursement.

F. Rental and Receiver

If an Owner remains in possession of his Home and the claim of lien of the Association against his Lot is foreclosed, the court, in its discretion, may require the Owner to pay a reasonable rental for the Home, and the Association is entitled to the appointment of a receiver to collect the rent.

G. Assignment of Claim and Lien Rights

The Association, acting through its Board, shall have the right to assign its claim and lien rights for the recovery of any unpaid Assessments and any other monies owed to the Association, to any third party.

H. Unpaid Assessments Certificate

Within fifteen (15) days after written request by any Owner or any Institutional Mortgagee holding or making a mortgage encumbering any Lot, the Association shall provide the Owner or Institutional Mortgagee a written certificate as to whether or not the Owner of the Lot is in default with respect to the payment of Assessments or with respect to compliance with the terms and provisions of these Protective Covenants, and any person or entity who relies on such certificate in purchasing or in making a mortgage loan encumbering any Lot shall be protected thereby.

I. Application of Payments

Any payments made to the Association by any Owner shall first be applied towards any sums advanced and paid by the Association for taxes and payment on account of superior mortgages, liens or encumbrances which may have been advanced by the Association in order to preserve and protect its lien, next toward reasonable attorneys' fees incurred by the Association incidental to the collection of assessments and other moneys owned to the Association by the Owner and/or for the enforcement of its lien; next towards interest on any Assessments or other moneys due to the Association, as provided herein, and next towards any unpaid Assessments owed to the Association, in the inverse order that such Assessments were due.

J. Non-Monetary Defaults

In the event of a violation by any Owner or any tenant of an Owner, or any person residing with them, or their guests or invitees, (other than the non-payment of any Assessment or other monies) of any of the provisions of these Protective Covenants, the Articles, the Bylaws or the rules and regulations of the Association, the Association shall notify the Owner and any tenant of the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, or if the violation is not capable of being cured within such seven (7) day period, if the Owner or tenant fails to commence and diligently proceed to completely cure such violation as soon as practicable within seven (7) days after written notice by the Association or if any similar violation is thereafter repeated, the Association may, at its option:

1. Impose a fine against the Owner or tenant as provided in Section K of this Article IV; and/or
2. Commence an action to enforce the performance on the part of the Owner or tenant, or for such equitable relief as may be necessary under the circumstances, including injunctive relief; and/or
3. Commence an action to recover damages; and/or
4. Take any and all actions reasonably necessary to correct such failure, which action may include, where applicable, but is not limited to, removing any addition, alteration, improvement or change which has not been approved by the "Committee" (as herein defined), or performing any maintenance required to be performed by these Protective Covenants.

All expenses incurred by the Association in connection with the correction of any failure, plus a service charge of ten percent (10%) of such expenses, and all expenses incurred by the Association in connection with any legal proceedings to enforce these Protective Covenants, including reasonable Legal Fees, shall be assessed against the applicable Owner as an Individual Expense Assessment in accordance with Section D of Article V. The Association shall have a lien for any such Individual Expense Assessment and any interest, costs or expenses associated therewith, including Legal Fees incurred in connection with such Assessment, and may take such action to collect such Assessment or foreclose said lien as in the case and in the manner of any other Assessment as provided above. Any such lien shall only be effective from and after the recording of a claim of lien in the Public Records of the County.

K. Fines

The amount of any fine shall be determined by the Board, and shall not exceed the greater of \$25.00 or one (1) month's Assessment for Operating Expenses for the first offense, the greater of \$50.00 or two (2) months' Assessment of Operating Expenses for a second similar offense, and the greater of \$100.00 or three (3) months' Assessment for Operating Expenses for a third or subsequent similar offense. Notwithstanding the foregoing, if any violation of these Protective Covenants or the rules and regulations is of a continuing nature, and if the Owner fails to cure any continuing violation within thirty (30) days after written notice of such violation, or if such violation is not capable of being cured within such thirty (30) day period, if the Owner fails to commence action reasonably necessary to cure the violation within such thirty (30) day period or shall thereafter fail to diligently proceed to cure the violation as soon as is reasonably practical, a daily fine may be imposed until the violation is cured in an amount not to exceed the greater of \$10.00 or 1/4 of one (1) months' Assessment for Operating Expenses. Prior to imposing any fine, the Owner or tenant shall be afforded an opportunity for a hearing after reasonable notice to the Owner or tenant of not less than fourteen (14) days, which notice shall include (i) a statement of the date, time and place of the hearing, (ii) a statement of the provisions of these Protective Covenants, Bylaws or rules and regulations which have allegedly been violated, and (iii) a short and plain statement of the matters asserted by the Association. The Owner of a leased Home shall have the right to participate in any hearing involving the tenant of such Home, and the Association shall provide notice to the Owner of such Home concurrently with the Association's notice to the tenant of the subject Home. The Owner or tenant shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge and respond to any material considered by the Association. At the hearing, the Board shall conduct a reasonable inquiry to determine whether the alleged violation in fact occurred, and if the Board so determines, it may impose such fine as it deems appropriate by written notice to the Owner or tenant. If the Owner or tenant fails to attend the hearing as set by the Board, the Owner or tenant shall be deemed to have admitted the allegations contained in the notice to the Owner or tenant. Any fine imposed by the Board shall be due and payable within ten (10) days after written notice of the imposition of the fine, or if a hearing is timely requested within ten (10) days after written notice of the Board's decision at the hearing. Any fine levied against an Owner shall be deemed an Individual Expense Assessment, and if not paid when due all of the provisions of these Protective Covenants relating to the late payment of Assessments shall be applicable. If any fine is levied against a tenant and is not paid within ten (10) days after same is due, the Association shall have the right to evict the tenant as hereinafter provided.

L. Negligence

An Owner shall be liable and may be assessed by the Association for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness, to the extent otherwise provided by law and to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy or abandonment of a Lot or Home or the Association Property.

M. Responsibility of an Owner for Occupants, Tenants, Guests, and Invitees

To the extent otherwise provided by law, each Owner shall be responsible for the acts and omissions, whether negligent or willful, of any person residing in his Home, and for all guests and invitees of the Owner or any such resident, and in the event the acts or omissions of any of the foregoing shall result in any damage to the Association Property, or any liability to the Association, the Owner shall be assessed for same as in the case of any other Assessment, limited where applicable to the extent that the expense or liability is not met by the proceeds of insurance carried by the Association. Furthermore, any violation of any of the provisions of these Protective Covenants, the Articles, or the Bylaws, by any resident of any Home, or any guest or invitee of an Owner or any resident of a Home, shall also be deemed a violation by the Owner, and shall subject the Owner to the same liability as if the violation was that of the Owner.

N. Right of the Association to Evict Tenants, Occupants, Guests and Invitees

With respect to any tenant or any person present in any Home or any portion of the Property other than an Owner and the members of his immediate family permanently residing with him in the Home, if such person shall materially violate any provision of these Protective Covenants, the Articles, or the Bylaws, or shall create a nuisance or an unreasonable and continuous source of annoyance to the residents of the Property, or shall willfully damage or destroy any Association Property or personal property of the Association, then upon written notice by the Association such person shall be required to immediately leave the Property and if such person does not do so, the Association is authorized to commence an action to evict such tenant or compel the person to leave the Property and, where necessary, to enjoin such person from returning. The expense of any such action, including Legal Fees, may be assessed against the applicable Owner as an Individual Expense Assessment, and the Association may collect such Assessment and have a lien for same as elsewhere provided. The foregoing shall be in addition to any other remedy of the Association. The Association shall provide notice to the Owner of a leased Home concurrently with any notices sent to the tenant of such Home pursuant to this Section N of Article IV, and such Owner shall have the right to participate in any hearings or eviction proceedings involving the tenant of such Owner's Home.

O. No Waiver

The failure of the Association to enforce any right, provision, covenant or condition which may be granted by these Protective Covenants, the Articles, or the Bylaws, shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant or condition in the future.

P. Rights Cumulative

All rights, remedies and privileges granted to the Association pursuant to any terms, provisions, covenants or conditions of these Protective Covenants, the Articles or the Bylaws, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude the Association from executing any additional remedies, rights or privileges as may be granted or as it might have by law.

ARTICLE V
METHOD OF DETERMINING ASSESSMENTS AND ALLOCATION OF ASSESSMENTS

A. Determining Amount of Assessments

The total anticipated Operating Expenses for each calendar year shall be set forth in the budget ("Budget") prepared by the Board as required under the Association Documents. The total anticipated Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) shall be apportioned equally among the Contributing Lots by dividing the total anticipated Operating Expenses as reflected by the Budget, other than those Operating Expenses which are properly the subject of a Special Assessment (adjusted as hereinafter set forth), by the total number of Contributing Lots (as evidenced by the issuance of a certificate of occupancy), with the quotient thus arrived at being the "Individual Lot Assessment." Notwithstanding anything in the Association Documents to the contrary, any assessment for legal expenses incurred by the Association to begin legal proceedings against Declarant shall be deemed an Operating Expense which is properly the subject of a Special Assessment and not the subject of a regular Individual Lot Assessment.

Notwithstanding the foregoing, during the Guarantee Period referred to in Section F of this Article V, Contributing Lot Owners (with the exception of Declarant for so long as Declarant pays the Deficit during the Guarantee Period referred to in Section F of this Article V) shall pay Individual Lot Assessments in an amount which shall not exceed the Guaranteed Assessment referred to in Section F of this Article V.

B. Assessment Payments

The Individual Lot Assessments shall be payable in advance in monthly, quarterly, annual or semi-annual installments with the due dates being established by the Board. The Individual Lot Assessments, and the installments thereof, as well as all Assessments provided for herein and all installments thereof may be adjusted from time to time by the Board to reflect changes in the number and status of Contributing Lots (thus apportioning all such Assessments and installments thereof among all Contributing Lots in existence at the time such installment is due) or changes in the Budget or in the event that the Board determines that the Assessments or any installment thereof is either less than or more than the amount actually required. When a Lot becomes a Contributing Lot after the date the Assessment is determined and during a period with respect to which an Assessment or installment thereof has already been assessed, the applicable Lot shall be deemed assessed the amount of such Assessment or installment thereof which was assessed against Lots which qualified as Contributing Lots in existence at the time of such Assessment, prorated from the date the applicable Lot becomes a Contributing Lot through the end of the period in question. If the payment of such Assessment or installment thereof was due at the time the subject Lot became a Contributing Lot or prior thereto, said prorated amount thereof shall be immediately due and payable.

C. Special Assessments

"Special Assessments" include, in addition to other Assessments designated as Special Assessments in the Association Documents and whether or not for a cost or expense which is included within the definition of "Operating Expenses," those Assessments which are levied for capital improvements which include the costs (whether in whole or in part) of constructing or acquiring improvements for, or on, the Association Property or the cost (whether in whole or in part) of reconstructing or replacing such improvements. It is recognized and declared that Special Assessments shall be in addition to, and are not part of, any "Individual Lot Assessment". Any such Special Assessments assessed against Contributing Lots and Contributing Lot Owners thereof shall be paid by such Contributing Lot Owners in addition to any other assessments. Special Assessments shall be assessed in the same manner as the Individual Lot Assessment. Special Assessments shall be paid in such installments or in a lump sum as the Board shall, from time to time, determine. Notwithstanding the foregoing, in any fiscal year of the Association after the Turnover Date, the levying of any Special Assessment shall require the affirmative assent of at least two-thirds (2/3) of all Contributing Lot Owners represented in person or by proxy at a meeting called and held in accordance with the Bylaws. In any fiscal year of the Association prior to the Turnover Date, the levying of any Special Assessment which exceeds five (5%) of the budgeted Operating Expenses of the Association for that fiscal

year, shall require the consent of at least two-thirds (2/3) of the Contributing Lot Owners represented in person or by proxy at a meeting called and held in accordance with the Bylaws.

D. Individual Expense Assessments

Individual Expense Assessments include any Assessment levied against any Lot Owner occasioned by such Lot Owner's or any such Lot Owner's family members, guests, invitees or lessees and their family members, guests and invitees use, maintenance, or treatment of the Association Property or Lots or such person's non-compliance with the Association Documents including, but not limited to, non-compliance of Homes and any other Improvements or personal property contained therein with the standards set forth in the Association Documents, or as adopted from time to time by the Association, which causes the Association or Declarant to incur additional costs and expenses which would not have been incurred if the Lot Owner's or the Lot Owner's family members, guests, invitees or lessees and their family members, guests and invitees had been in compliance with the foregoing ("Noncompliance"). The amount of the Individual Expense Assessment(s) shall be equal to any such additional costs incurred. The Individual Expense Assessment and any late charges relating thereto shall be assessed against the Lot Owner(s) in Noncompliance and collected and enforced in the same manner as any other Assessments hereunder as provided herein.

The Association agrees to reimburse Declarant out of funds received by the Association from Individual Expense Assessments levied therefor for any cost incurred by Declarant, including Legal Fees, as a result of such Noncompliance.

Notwithstanding anything to the contrary contained herein, it is recognized and declared that Individual Expense Assessments shall be in addition to and not part of any other Assessment; any such Individual Expense Assessment assessed against a Lot Owner shall be paid by such Lot Owner in addition to any other Assessment.

E. Liability of Contributing Owners for Individual Assessments

By the acceptance of a deed or other instrument of conveyance of a Lot in the Property, each Owner thereof acknowledges that each Contributing Lot and the Contributing Lot Owners thereof are jointly and severally liable for their own Individual Lot Assessment and their applicable portion of any Special Assessments as well as for all Individual Expense Assessments for which they are liable as provided for herein, provided that during the Guarantee Period referred to in Section F of this Article V, any Contributing Lot owned by Declarant shall not be subject to Assessment so long as Declarant pays the Deficit as provided in said Section F of this Article V. Such Contributing Lot Owners further recognize and covenant that they are jointly and severally liable with the Contributing Lot Owners of all Contributing Lots for the Operating Expenses (subject to any specific limitations provided for herein such as, but not limited to, the limitation with respect to matters of Special Assessments, the limitations on the liability of Institutional Mortgagees and their successors and assigns, and as provided below, the limitations on Contributing Lots owned by Declarant during the Guarantee Period so long as Declarant pays the Deficit). Accordingly, subject to such specific limitations, it is recognized and agreed by each Owner who is or becomes a Contributing Lot Owner, for himself and his heirs, executors, successors and assigns, that in the event other Contributing Lot Owners fail or refuse to pay their Individual Lot Assessment or any portion thereof or their respective portions of any Special Assessments or any Individual Expense Assessments, then the remaining Contributing Lot Owners may be responsible for increased Individual Lot Assessments or Special Assessment or other Assessments due to the nonpayment by such other Contributing Lot Owners, and such increased Individual Lot Assessment or Special Assessment or other Assessment can and may be enforced by the Association and Declarant in the same manner as all other Assessments hereunder as provided in the Association Documents.

F. Guaranteed Assessment During Guarantee Period

Declarant covenants and agrees with the Association and the Contributing Lot Owners that for the period commencing with the date of recordation of these Protective Covenants and ending upon the sooner to occur of the following: (i) the date upon which one hundred (100) Lots have become Contributing Lots, or (ii) the date that is three (3) years after the date of recordation of this Declaration ("Guarantee

Period"), that the amount of the Individual Lot Assessment will not exceed the amount of One Hundred Fifty Dollars (\$150.00) for any consecutive twelve (12) month period (or \$12.50 for any single monthly period) (the "Guaranteed Assessment Amount") and that Declarant will pay the difference, if any, between (a) the Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) incurred by the Association during the Guarantee Period, and (b) the Guaranteed Assessment Amounts assessed as Individual Lot Assessments against the Contributing Lots and the "Working Capital Contributions" set forth in Section G of this Article V (the "Deficit"), which will be used to defray initial start up expenses. Thus, during the Guarantee Period, (i) Contributing Lot Owners shall not be obligated to pay Individual Lot Assessments in an amount greater than the Guaranteed Assessment Amount and (ii) Declarant shall not be obligated to pay any Assessments with respect to any Contributing Lots owned by Declarant. Declarant hereby reserves the right to extend the Guarantee Period to a date ending no later than the Turnover Date at Declarant's sole election by providing written notice to the Association of such election at least thirty days prior to the expiration of a Guarantee Period. After the Guarantee Period terminates, each Contributing Lot Owner (including if applicable, Declarant) shall be obligated to pay Assessments as set forth in Section A of this Article V.

The Guaranteed Assessment Amount referred to above applies only to the Individual Lot Assessments assessed under these Protective Covenants during the Guarantee Period and payable to the Association. The Guaranteed Assessment Amount has no relationship to, or effect on, any Special Assessments or other charges imposed by these Protective Covenants other than on the amount of the Individual Lot Assessment during the Guarantee Period.

Declarant's obligation to fund the Deficit during the Guarantee Period as set forth above, together with Interest thereon and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Lot owned by Declarant. Said lien shall be effective only from and after the time of the recordation amongst the Public Records of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, Declarant shall be entitled to a satisfaction of the statement of lien in recordable form.

G. Working Capital Contribution

Each Owner who purchases a Lot from Declarant shall pay to the Association at the time legal title is conveyed to such Owner a "Working Capital Contribution." The Working Capital Contribution shall be an amount equal to a two months' share of the Guaranteed Assessment Amount for each Contributing Lot. The purpose of the Working Capital Contribution is to insure that the Association will have cash available for initial start up expenses including, but not limited to Operating Expenses, to meet unforeseen expenditures or to acquire additional equipment and services deemed necessary or desirable by the Board. Working Capital Contributions are not advance payments of Individual Lot Assessments and shall have no effect on future Individual Lot Assessments. The Working Capital Contributions payable pursuant to these Protective Covenants are separate from and in addition to any payments required by the Parkers Island Declaration from each Owner at the time legal title of a Lot is conveyed to such Owner.

H. Exempt Property

Operating Expenses shall be assessed only against Contributing Lots which are subject to Assessment under the provisions hereof, and all other portions of the Property shall be exempt therefrom including, but not limited to, the Association Property, any and all Lots or other portions of the Property which may from time to time be withdrawn from the provisions of these Protective Covenants by Declarant, any Lot which is not by definition, a Contributing Lot, and during the Guarantee Period for so long as Declarant pays the Deficit as provided in Section F of this Article V, any Contributing Lots owned by Declarant.

ARTICLE VI
OPERATING EXPENSES

The Assessments for Operating Expenses with respect to the Association Property are payable by each Contributing Lot Owner to the Association notwithstanding the fact that Declarant may not have yet conveyed title to the Association Property to the Association. The following operating expenses of the Association are hereby declared to be Operating Expenses which the Association is obligated to assess and collect and which the Contributing Lot Owners are obligated to pay as provided herein or as may be otherwise provided in the Association Documents:

A. Taxes

Any and all taxes levied or assessed at any and all times by any and all taxing authorities including all taxes, charges, assessments and impositions and liens for public Improvements, special charges and assessments and water drainage districts, and in general all taxes and tax liens which may be assessed against the Association Property and against any and all personal property and Improvements, which are now or which hereafter may be placed thereon, including any interest, penalties and other charges which may accrue thereon shall be considered Operating Expenses. Any and all taxes levied or assessed against the Lots shall be the obligation of the respective Owners thereof.

B. Utility Charges

All charges levied for utilities providing services for the Association Property whether they are supplied by a private or public firm shall be considered Operating Expenses. It is contemplated that this obligation will include all charges for water, gas, electricity, telephone, sewer and any other type of utility or any other type of service charge. All charges levied for utilities providing services to the Lots shall be the obligation of the respective Owners thereof.

C. Insurance

The premiums on any policy or policies of insurance required to be maintained under these Protective Covenants and the premiums on any policy or policies the Association determines to maintain even if not required to be maintained by the specific terms of these Protective Covenants shall be Operating Expenses.

D. Destruction of Buildings or Improvements on the Association Property

Any sums necessary to repair or replace, construct or reconstruct damages caused by the destruction of any building upon the Association Property by fire, windstorm, flood or other casualty regardless of whether or not the same is covered in whole or in part by insurance shall be Operating Expenses. In the event insurance money shall be payable, such insurance money shall be paid to the Association who shall open an account with a banking institution doing business in the County, for the purpose of providing a fund for the repair and reconstruction of the damage. The Association shall pay into such account, either in addition to the insurance proceeds or in the event there are no insurance proceeds, such sums as may be necessary so that the funds on deposit will equal the costs of repair and reconstruction of the damage or destruction. The sums necessary to pay for the damage or destruction as herein contemplated shall be considered Operating Expenses but shall be raised by the Association under the provisions for Special Assessments as provided in Section C of Article V of these Protective Covenants and subject to the limitations therein set forth with respect to Special Assessments. The Association agrees that it will levy Special Assessments to provide the funds for the cost of reconstruction or construction within ninety (90) days from the date the destruction takes place and shall go forward with all deliberate speed so that the construction or reconstruction, repair or replacement, shall be completed within nine (9) months from the date of damage.

E. Maintenance, Repair and Replacements

Operating expenses shall include all expenses necessary to keep and maintain, repair and replace any and all buildings, other Improvements, personal property and furniture, fixtures and equipment upon the Association Property, including landscaping, lawn and sprinkler service, in a manner consistent with the development of the Project and in accordance with the covenants and restrictions contained herein, and in conformity with all orders, ordinances, rulings and regulations of any and all federal, state, County and City governments having jurisdiction over the Property as well as the statutes and laws of the State of South Carolina and the United States. This shall include any expense attributable to the maintenance and repair and replacement of pumps or other equipment, if any, located upon or servicing the Project pursuant to agreements with utility corporations. Any expenses for replacements which would not be in the nature of normal repair and maintenance shall be the subject of a Special Assessment as provided in Section C of Article V of these Protective Covenants and subject to the limitations thereon set forth with respect to Special Assessments. If the Association is permitted by the owner of property in close proximity to the Property or the governmental authority responsible for maintaining same to provide additional maintenance for such property, and the Board elects to do so in order to enhance the overall appearance of the Property, then the expense thereof shall be an Operating Expense.

F. Indemnification

The Association covenants and agrees that it will indemnify and save harmless Declarant, and the members of the Board from and against any and all claims, suits, actions, damages, and/or causes of action arising from any personal injury, loss of life, and/or damage to property sustained in or about the Property or the appurtenances thereto from and against all costs, Legal Fees, expenses and liabilities incurred in and about any such claim, the investigation thereof or the defense of any action or proceeding brought thereon, and from and against any orders, judgments and/or decrees which may be entered therein. The costs of fulfilling the covenant of indemnification herein set forth shall be deemed to be Operating Expenses.

Included in the foregoing provisions of indemnification are any expenses that Declarant may be compelled to incur in bringing suit for the purpose of compelling the specific enforcement of the provisions, conditions and covenants contained in these Protective Covenants to be kept and performed by the Association.

G. Administrative and Operational Expenses

The costs of administration of the Association including, but not limited to, any secretaries, bookkeepers and other employees necessary to carry out the obligations and covenants of the Association shall be deemed to be Operating Expenses. In addition, it is contemplated that the Association may retain a management company or companies or contractors (any of which management companies or contractors may be, but are not required to be, a subsidiary, affiliate or an otherwise related entity of Declarant) to assist in the operation of the Association Property and other obligations of the Association hereunder. The fees or costs of this or any other management company or contractors so retained shall be deemed to be part of the Operating Expenses hereunder. All contracts with management companies shall contain a provision which allows the Association to unilaterally terminate the contract after ninety (90) days notice.

H. Compliance with Laws

The Association shall take such action as it determines necessary or appropriate in order for the Association Property and the Improvements thereon to be in compliance with all applicable laws, statutes, ordinances and regulations of any governmental authority, whether federal, state, county or local, including, without limitation, any regulations regarding zoning requirements, setback requirements, drainage requirements, sanitary conditions and fire hazards, and the cost and expense of such action taken by the Association shall be an Operating Expense.

I. Failure or Refusal of Lot Owners to Pay Individual Lot Assessments

Reserves shall be deposited in a separate account to provide such funds and reserves. The monies collected by the Association on account of Reserves shall be and shall remain the exclusive property of the Association and no Lot Owner shall have any interest, claim or right to such Reserves or any fund composed of same.

L. Miscellaneous Expenses

The cost of all items or costs or expenses pertaining to or for the benefit of the Association, the Association Property or the Lots, or any part thereof, not herein specifically enumerated and which is determined to be an appropriate item of Operating Expense by the Board shall be an Operating Expense.

The Board or its designee shall have a right of access to each Lot to inspect, maintain, repair or replace the utility service facilities contained under the Lot and to remove any improvements interfering with or impairing the utility services or easement herein reserved; provided such right of access shall not unreasonably interfere with the Owner's permitted use of the Lot.

2. Easement for Encroachment

If (i) any Improvements which are constructed as Association Property or upon Association Property, or (ii) any Improvements which are specifically described in the following sentence and are constructed upon a Lot, encroach upon a Lot because of the placement, construction, reconstruction, repair, movement, settling or shifting of such Improvements, and such Improvements have been constructed, reconstructed or repaired in accordance with the provisions of these Protective Covenants, an easement for the encroachment and for its maintenance shall exist so long as the encroachment remains, provided, however, that in no event shall such an easement exist for willful encroachments. In connection with the grant, modification, relocation, abandonment or termination of any easement, Declarant reserves the right to relocate roads, parking areas, utility lines, and other improvements upon or serving the Property. So long as the foregoing will not unreasonably and adversely interfere with the use of Lots for dwelling purposes, no consent of any Owner or any mortgagee of any Lot shall be required or, if same would unreasonably and adversely interfere with the use of any Lot for dwelling purposes, only the consent of the Owners and Institutional Mortgagees so affected shall be required. C. Assignments

The easements reserved hereunder may be assigned by Declarant or the Association in whole or in part to any City, County or state government or agency thereof, or any duly licensed or franchised public utility, or any other designee of Declarant. The Owners hereby authorize Declarant and/or the Association to execute, on their behalf and without further authorization, such grants of easement or other instruments as may from time to time be necessary to grant easements over and upon the Property or portions thereof in accordance with the provisions of these Protective Covenants.

Notwithstanding anything in these Protective Covenants to the contrary, all easement rights reserved or granted to Declarant shall terminate upon Declarant no longer holding any Lots or Homes, or interests in such on the Property for sale in the ordinary course of business. In addition, the easement rights granted or reserved by Declarant hereunder are not to be construed as creating an affirmative obligation to act on the part of Declarant.

ARTICLE IX MAINTENANCE AND REPAIR

A. By the Association

Except as otherwise specifically set forth herein, the responsibility of the Association is to repair, maintain and replace any and all improvements located on the Association Property commencing with the completion of same by Declarant and whether or not same are owned by or conveyed to the Association. The improvements shall be maintained in the same condition as originally constructed by Declarant. In the event of any damage or destruction to the Association Property or to the improvements and facilities located thereon by fire, storms, acts of God, acts of government, acts of third parties or other calamity, the Association shall be required to rebuild such improvements and facilities as quickly as practicable.

B. By the Lot Owners

1. Each Owner shall maintain his Home and all Improvements and personal property upon his Lot in good condition at all times, except any portions thereof to be maintained by the Association (if any) as provided in these Protective Covenants. The exterior of all Homes including but not limited to roofs, walls, doors, windows, patio areas, pools, screenings, and awnings shall be maintained in good condition and repair and in a neat and attractive manner. All exterior painted areas shall be painted as reasonably necessary, with colors which are harmonious with other Homes, and no excessive rust deposits on the exterior of any Home, peeling of paint or discoloration of same shall be permitted. No Owner shall change the exterior color of his Home without the consent of the Committee. All sidewalks, driveways and parking areas within the Owner's Lot or serving the Owner's Home shall be cleaned and kept free of debris; and cracks, damaged and/or eroding areas on same shall be repaired, replaced and/or resurfaced as necessary.

2. The Owner of each Lot containing a Home shall be required to maintain the landscaping of his Lot, and on any contiguous property between his Lot and the pavement edge of any abutting road, in accordance with the provisions of these Protective Covenants and the requirements of any controlling governmental authority. All such landscaping shall be maintained by the Owner in good condition and appearance and, as reasonably required, mowing, watering, trimming, fertilizing, and weed, insect and disease control shall be performed by the Owner. Underground sprinkler systems may be installed, maintained and used to irrigate all landscaping on the Lot, or any other landscaping which the Owner of the Lot is required to maintain pursuant to this Section. All landscaped areas shall be primarily grass, and shall not be paved or covered with gravel or any artificial surface without the prior written consent of the Committee. All dead or diseased sod, plants, shrubs, trees, or flowers shall be promptly replaced, and excessive weeds, underbrush or unsightly growth shall be promptly removed. No artificial grass, plants, or other artificial vegetation shall be placed or maintained on the exterior of any Lot. Notwithstanding the foregoing, no Owner shall install or maintain any landscaping on any portion of his Lot to be maintained by the Association, without the prior written consent of the Association.

3. The outer boundary of the Lagoons and the Ponds will extend beyond the edge of the water line and the top of the bank to the rear lot line of the adjacent Lots. Notwithstanding the provisions of Section A of this Article IX with respect to the maintenance of the Lagoons and Ponds by the Association, each Owner of a Lot which has a rear Lot line which abuts the portion of any Lagoon or Pond which is immediately adjacent to the edge of the water line (a "Waterfront Lot") shall be required to maintain the adjoining area located between such Owner's Lot and the edge of the water line of the adjacent Lagoon or Pond as if said area were a portion of the Lot owned by such Owner. The area between a Waterfront Lot and the edge of the water line of the adjacent Lagoon or Pond shall be landscaped and sodded by the Owner of the adjoining Waterfront Lot and any embankment shall be maintained by such Owner so that grass, planting

or other lateral support to prevent erosion of the embankment shall not be changed without the prior written consent of the Association and the Committee. If the Owner of any Waterfront Lot fails to maintain such embankment or area as part of the landscape maintenance obligations in accordance with the foregoing, the Association shall have the right, but not the obligation, to enter upon any such Lot or area to perform such maintenance work which may be reasonably required, all at the expense of the Owner of such Lot. No docks, bulkheads, moorings, pilings, boat shelters or other structure shall be constructed by the Owner of any Lot on the landscaped area and embankment located between the edge of the water line of a Lagoon or a Pond and the adjoining Waterfront Lots, except for those constructed by Declarant or approved by the Committee.

The landscaped area between the water line of a Lagoon or a Pond and an adjoining Waterfront Lot shall be reserved hereby for the use and enjoyment of the Owner of the subject Waterfront Lot and all other Owners shall be restricted from entering upon such area, except as a guest or invitee of the Owner of the subject Waterfront Lot, as may be more specifically set forth in the rules and regulations of the Association on the use and enjoyment of the Lagoons and the Ponds. A Waterfront Lot Owner's use and enjoyment of the waterfront area adjoining such Owner's Lot shall be subject to (i) any existing drainage and related easements affecting such area, including the general easement rights to construct, use, maintain, repair and replace those portions of the Storm Management System on the Property, (ii) the right of entry by the Association to perform its obligations under these Protective Covenants, (iii) the right of the Association to adopt rules and regulations in order to further restrict the use of such area in a manner consistent with these Protective Covenants, and (iv) the rights, laws, rules and regulations of any governmental authority or other entity having jurisdiction over the Lagoons and the Ponds.

4. The Owner of each Lot shall maintain the landscaping and vegetation located within those portions of the Storm Water Management System consisting of drainage easements located upon such Owner's Lot (as designated on the applicable Final Plat) in substantially the same condition as installed by Declarant. No Owner shall modify, disrupt or alter any portion of the Storm Water Management System located upon such Owner's Lot or make any Improvement to such Owner's Lot which would interfere with or adversely affect the drainage or proper flow of storm water from the Home on such Lot, the Homes on any contiguous Lots, or any other portion of the Property or Improvement thereon, without the prior written consent of the Committee and all applicable governmental authorities

5. In the event that a Lot Owner fails to maintain his Lot or Home in accordance with these Protective Covenants, the Association shall have the right, but not the obligation, upon thirty (30) days' written notice to the Lot Owner, to enter upon the Lot for the purpose of performing the maintenance and/or repairs described in such notice to the Lot Owner, as applicable. The cost of performing such maintenance and/or repairs and the expense of collection (including, but not limited to, Legal Fees) shall be assessed by the Association against the Lot Owner as an Individual Expense Assessment.

C. Rights of Governmental Authority

Any governmental authority or agency, including, but not limited to the City and the County, their agents, and employees, shall have the right of immediate access to the Property at all times if necessary for the preservation of public health, safety and welfare. Should the Association or its Board fail to maintain the Association Property in accordance with the specifications set forth in the applicable governmental approvals for the Project for an unreasonable time, not to exceed ninety days after written request to do so, the City, the County and any other applicable governmental authority, by and through the affirmative action of a majority of authorized members, directors or officers, shall have the same right, power and authority as is herein given to the Association and its Board to enforce these Protective Covenants and levy Assessments necessary to maintain the Association Property, it being understood that in such event the applicable governing body may elect to exercise the rights and powers of the Association or its Board, to the extent necessary to take any action required and levy any Assessment that the Association might have taken, either in the name of the Association or otherwise, to cover the cost of maintenance of any Association Property

ARTICLE X
ARCHITECTURAL CONTROL

A. Establishment

"Committee" shall mean the architectural control committee, which shall be the governing body charged with using its best efforts to promote and ensure a high level of design, quality, harmony and conformity throughout the Property consistent with these Protective Covenants. Until the Termination of Declarant's Architectural Control, referred to below, Declarant shall constitute the Committee, and may approve Plans and Submissions or take other actions on behalf of the Committee in Declarant's own name or in the name of the Committee. After the Termination of Declarant's Architectural Control, the Committee shall be composed of at least three (3) individuals appointed by the Board, each of whom shall be an Owner.

The Committee shall act by simple majority vote. In the event of death, resignation or other removal of any Board appointed member of the Committee, the Board shall appoint a successor member. No member of the Committee shall be entitled to compensation for, or be liable for claims, causes of action or damages arising out of services performed pursuant to these Protective Covenants. Declarant shall cease to control and constitute the Committee on the earlier of: (a) the date on which Declarant records in the County land records a document declaring the termination of its control of the Committee, or (b) at such time as Declarant no longer owns a Lot within the Property (which may be referred to in this Declaration as "Termination of Declarant's Architectural Control").

B. Purpose of the Committee

The Committee is established to provide a system of review for the construction or modification of all Improvements within the Property. No Improvement shall be commenced, improved or altered, nor shall any grading, excavation or change of exterior color or other work which in any way alters the exterior appearance of an Improvement be done without the prior written approval of the Committee.

C. Development Standards

The Committee is empowered to publish or modify from time to time, design and development standards for the Property, including, but not limited to, standards for the following ("Standards"): (i) architectural design of Improvements, including, but not limited to, design standards for any Home or other Improvement constructed upon a Lot; (ii) fences, walls and similar structures; (iii) exterior building materials and colors; (iv) exterior appurtenances relating to utility installation; (v) signs and graphics, mailboxes and exterior lighting; (vi) building setbacks, pools and pool decks, side yards and related height bulk and design criteria; (vii) pedestrian and bicycle ways, sidewalks and pathways; and (viii) all buildings, landscaping and Improvements on lands owned or controlled by the Association. After Termination of Declarant's Architectural Control, a copy of any Standards promulgated by the Committee shall be subject to approval by the Board. After the Board's approval, a copy of the Standards will be made available to all Members.

D. Requirement of Committee Approval

No Improvement of any kind shall be erected, placed or maintained, and no addition, alteration, modification or change to any Improvement shall be made without the prior written approval of the Committee. For purposes of this Declaration, Declarant Improvements means any Improvement erected, placed, or maintained with the approval of Declarant, including, without limitation, any building, wall, fence, swimming pool, or screened enclosure, constructed, installed or placed by or with the approval of Declarant, and additions, alterations, modifications or changes to any of the foregoing (collectively, "Declarant Improvements"). Notwithstanding anything to the contrary contained above, Declarant Improvements are not subject to the approval of the Committee and are deemed to conform to the plan of development for the Property.

E. Obtaining Committee Approval

In order to obtain the approval of the Committee, a complete set of plans and specifications ("Plans") for proposed Improvements shall be submitted to the Committee for its review. The Plans shall include, as appropriate, the proposed location, grade, elevations, shape, dimensions, exterior color plans, approximate costs, and nature, type and color of materials to be used. The Committee may also require the submission of additional information and materials as may be reasonably necessary for the Committee to evaluate the proposed Improvement or alteration ("Submissions"). The Committee shall have the right to refuse to approve any proposed Plans which, in its sole discretion, are not suitable or desirable. Any and all approvals or disapprovals of the Committee shall be in writing and shall be sent to each respective Owner submitting same. In the event the Committee fails to approve or to disapprove in writing any Plans and/or Submissions after: (i) submission to the Committee of the last item of the Plans and Submissions requested by the Committee, so that the Committee has a complete package of all Plans and Submissions requested by the Committee; and (ii) thirty (30) days have elapsed since submission and written request for approval or disapproval was delivered to the Committee by the Owner; then said Plans and Submissions shall be deemed to have been approved by the Committee provided, however, that no Improvement shall be erected or shall be allowed to remain which violates any conditions or restrictions contained in this Declaration, or which violates any applicable zoning or building ordinance or regulation. The approval by the Committee relates only to the aesthetics of the Improvements shown on the Plans and Submissions and not to their sufficiency or adequacy. Each Owner shall be responsible for obtaining all necessary technical data and to make application to and obtain the approval of the appropriate governmental agencies prior to commencement of any construction.

F. Scope of Review

The Committee shall review and approve or disapprove all Plans and Submissions solely on the basis of aesthetic standards as to the aesthetic quality of materials and workmanship to be used, suitability and harmony of location, structure and external design in relation to surrounding topography and structures and the overall benefit or detriment which would result to the immediate vicinity and to the Property as a whole and any other factors deemed relevant to the review by the Committee in its opinion, reasonably exercised. The Committee shall take into consideration the aesthetic aspects of the architectural design, placement of buildings, color schemes, exterior finishes and materials and similar features, and shall not be responsible for reviewing, nor shall its approval of any Plans be deemed approval of, any design or plan from the standpoint of structural safety or conformance with building or other codes.

G. Variance from Standards

The Committee may authorize, in a reasonable manner so as not to destroy the general scheme or plans of the development of the Property, variances from compliance with any Standards which it has promulgated pursuant to its authority when circumstances such as topography, natural obstructions, hardship, aesthetics or environmental considerations may require. If any such variances are granted, no violation of the restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose, except as to that particular property and particular provision hereof or Standards promulgated hereby which are covered by the variance. Such variance shall be evidenced in writing.

H. Enforcement

There is specifically reserved unto the Committee the right of entry and inspection upon any Lot or other portion of the Property for the purpose of determination by the Committee whether there exists any Improvement which violates the terms of any approval by the Committee or the terms of this Declaration. Except in emergencies, any exercise of the right of entry and inspection by the Committee hereunder should be made only upon reasonable notice given to the Owner of record at least twenty-four (24) hours in advance of such entry. The Committee is specifically empowered to enforce the provisions of this Declaration by any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to determine the propriety of any Improvement, or to remove any unapproved Improvements, the prevailing party in such

litigation shall be entitled to recover all court costs, expenses and reasonable attorneys fees in connection therewith. The Association shall indemnify and hold harmless any member of the Committee from all costs, expenses and liabilities, including attorneys fees incurred by virtue of any member's service as a member of the Committee, provided such member acted in good faith and without malice.

I. Subcommittees and Delegation of Authority

The Committee may establish subcommittees for the purpose of acting on behalf of the Committee with respect to similar circumstances, situations, or types of Improvements, such as a swimming pool subcommittee or a subcommittee which would deal with modifications of existing Improvements or additional new Improvements ancillary to an existing Home, in contrast to the construction of initial Improvements upon a previously unimproved Lot. All rights and powers of the Committee may be delegated to such subcommittee with regard to the subject matter of the subcommittee. The rights and powers of the Committee may be assigned to a management company, an architect, design professional or other entity, or any portion of such rights and powers applicable to a particular subcommittee or area of similar circumstance.

ARTICLE XI USE RESTRICTIONS

For purposes of this Article XI, unless the context otherwise requires, Owner shall also include the family, invitees, guests, licensees, lessees and sublessees of any Owner, and any other permitted occupants of a Home. All the Property shall be held, used and enjoyed subject to the following limitations and restrictions, subject to the exemption of Declarant in Section AA of this Article XI.

A. Residential Use

The Homes shall be for single family use only. No commercial occupation or activity may be carried on in the Project without the consent of the Board except as such occupation or activity is permitted to be carried on by Declarant under these Protective Covenants. In addition, temporary guests are permitted so long as they do not create an unreasonable source of noise or annoyance to the other residents of the Property. No more than one Home may be built on one Lot.

B. Nuisances

No obnoxious or offensive activity shall be carried on about the Lots or in or about any improvements, Homes, or on any portion of the Project nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any Owner. No use or practice shall be allowed in or around the Homes which is a source of annoyance to Owners or occupants of Homes or which interferes with the peaceful possession or proper use of the Homes or the surrounding areas. No trade, business, profession or commercial activity, or any other non residential use shall be conducted on the Property or within any Lot or Home without the consent of the Board. The foregoing shall not prohibit an Owner from leasing his Home. No loud noises or noxious odors shall be permitted in any improvements, Homes or Lots. Without limiting the generality of any of the foregoing provisions, no horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment of large power tools, unlicensed off-road motor vehicles or any items which may unreasonably interfere with television or radio reception of any Owner shall be located, used or placed on any Lot, or exposed to the view of other Owners without the prior written approval of the Board and/or the Committee, if required.

C. Outside Storage of Personal Property

The personal property of any resident of the Property shall be kept inside the resident's Home or a fenced or a walled-in yard, except for patio furniture and accessories, and other personal property commonly kept outside, which must be kept in the rear of the Lot and must be neat appearing and in good conditions.

D. Parking and Vehicular Restrictions

Only automobiles, vans constructed as private passenger vehicles with permanent rear seats and side windows, and other vehicles manufactured and used as private passenger vehicles, may be parked within the Property overnight without the prior written consent of the Board, unless kept within an enclosed garage. In particular and without limitation, without the prior written consent of the Board, no vehicle containing commercial lettering (except as specifically permitted by this subsection as provided below), signs or equipment, and no truck, recreational vehicle, camper, trailer, boat, aircraft, motorcycle, or vehicle other than a private passenger vehicle as specified above, may be parked or stored outside of a Home overnight.

No overnight parking is permitted on any streets, lawns, or areas other than driveways and garages, without the consent of the Board. Notwithstanding the foregoing, automobiles owned by governmental law enforcement agencies are expressly permitted. The foregoing restrictions shall not be deemed to prohibit the temporary parking of commercial vehicles while making delivery to or from, or while used in connection with providing services to, the Property, or the parking or storage of standard size private passenger vehicles with commercial lettering used by an Owner in connection with such Owner's employment or business, provided the lettering and graphics on such vehicle are limited to locations on the front driver and front passenger side doors of the vehicle. All vehicles parked within the Property must be in good condition and repair, and no vehicle which does not contain a current license plate or which cannot operate on its own power shall be parked within the Property outside of an enclosed garage for more than 24 hours, and no major repair of any vehicle shall be made on the Property. All-terrain vehicles, and the like are not permitted to be operated within the Property or parked overnight outside of an enclosed garage, except with the prior written consent of the Board which may be withdrawn at any time, and any motorcycle or other permitted motorized vehicle must be licensed for street use and equipped with appropriate noise muffling equipment so that the operation of same does not create an unreasonable annoyance to the residents of the Property.

E. No Improper Uses

No improper, offensive, hazardous or unlawful use shall be made of any Home nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any person using any portion of the Property. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction over the Property shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction over the Property, relating to any Home shall be corrected by, and at the sole expense of the Owner of the Home.

F. Trash and Other Materials

Each Owner shall regularly pick up all garbage, trash, refuse or rubbish on his Lot, and no Owner or resident shall place or dump any garbage, trash, refuse, rubbish or other materials on any other portions of the Property. Garbage, trash, refuse or rubbish that is required to be placed at the front of the Lot in order to be collected may be placed and kept at the front of the Lot after 5:00 p.m. on the day before the scheduled day of collection, and any trash facilities must be removed on the collection day. All garbage, trash, refuse or rubbish must be placed in appropriate trash facilities or bags. All containers, dumpsters or garbage facilities shall be stored inside a Home or fenced-in area and screened from view and kept in a clean and sanitary condition. No noxious or offensive odors shall be permitted.

G. Leases

No portion of a Home (other than an entire Home) may be rented. All leases must be in writing and shall provide that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of these Protective Covenants, the Articles, Bylaws, of applicable rules and regulations, or of any other agreement, document or instrument governing the Lots or Homes. A copy of the proposed lease must be delivered to the Association prior to occupancy by the tenant. No lease shall be for a period of less than six (6) months without the approval of the Board. The Owner of a leased Home shall be jointly and severally liable with his tenant to the Association to pay any claim for injury or damage to property caused by the negligence of the tenant. Every lease shall be subordinated to any lien filed by the Association whether before or after such lease was entered into.

H. Temporary Buildings, Etc.
