

Dear Interviewee,

We are two women on a mission to learn and share the moments of pure joy found in life. We kindly request your participation in a book and video project called 'Just Two Questions' that aims to spread positivity and knowledge. Through sharing your discoveries of joy, and your life's biggest lessons, we hope to show humanity that joy and wisdom can be experienced and found anywhere – through any personality, place, walk of life, or income strata. We want to show humanity that wisdom and joy reside in us all and unleashing it is a gift that comes with time.

This is where we need you. We need your best answers on just two questions. The questions are the following:

Question 1

Would you please share the most important lesson that you have learned in your life, and how you came about learning it?

Question 2

Would you please share a moment in your life when you experienced pure joy, and felt so mesmerized and enthralled in the moment that you ceased to think about your past or your future?

We will be recording your answers in a short, video interview. This will be scheduled at a place and time which is convenient for you. For the benefit of truth seekers and lifelong learners looking for direction and knowledge, we will be sharing your answers through different forms of media. Our plan at this point in time is to compile these answers into a book, and share the interview on websites such as YouTube or Facebook. For this to happen, you will need to sign a release form. In addition, we would like to request 5 to 10 chronological pictures of you that we can use in the edited video interview.

We are looking forward to learning amazing things from you, about this long journey called life. We hope that our project spreads richly revealed insights on the simplicity of pure joy, and invaluable wisdom only gained through a life well-lived.

Thank you for being an integral part of our project.

Warm Regards,

Ivett Pruner and Benaisha Doctor
