All About Jesus & Mary

Meditation on the August 25th Message
by Fr. Al Bermudez, OSSM

"Mary's Message Of God's Mercy And Grace!"

Mary, our mother again reminds us of God's mercy. She is permitted to be here with us by God's grace. We should not treat these messages lightly or without importance. Her presence and instructions show us how to begin conversion. We should pray, with all our heart, that the plan of salvation be, "realized for you and through you." Our lives are short and eternal life follows, according to our merit. Mary says, "Pray, pray, pray to be a worthy instrument in God's Hand."

We must surrender to His Will and serve His purpose. To live in union with the Lord is the call God is giving us through Baptism. We must seek, grow in knowledge and wisdom about the Way of God and to act as a Christian. The way of love requires us to be faithful and be disciples that care and act in charity with our neighbor. We must pray that Our Lord gives us graces to further develop the full maturity in the spiritual life.

Mary is with us to help us and encourage us.

Amen. God Bless.

Love, Fr. Al

Our Lady’s August 2, 2019 Message to Mirjana D. Soldo
For Non-believers: “Dear children, great is the love of my Son. If you were to come to know the greatness of His love, you would never cease to adore and thank Him. He is always alive with you in the Eucharist, because the Eucharist is His Heart. The Eucharist is the heart of faith. He has never left you. Even when you tried to go away from Him, He has not [left] you. That is why my motherly heart is happy when I watch how you—filled with love and hope. My motherly heart knows that when you set out on the way of faith, you are shoots—buds. But along with light and will illuminate all those around you with love and wisdom. My children, as a mother I am imploring you: pray, think, and contemplate. Everything beautiful, painful and joyful that happens to you—all of this makes you grow spiritually, so that my Son may grow in you. My children, surrender yourselves to Him, believe Him, trust in His love, let Him lead you. Let the Eucharist be the place where you will feed your souls, and afterwards, will spread love and truth—will bear witness to my Son. Thank you.”

MARIAN PHENOMENA
Ave Maria Shrine of Our Lady of Fatima in Prairie Ronde, LA
Part 3
by Gayle Ponseti

Yes, we had another miracle. It concerned our priest, Fr. Paul Bergeron. A couple of years back, he was battling cancer. We talked him into coming out to the Mass site in Houma to be prayed on by all of us on the spot where Our Lady stood during her visit with Louis Saia. It was the middle of winter, February, to be exact, and it was colder than you could imagine. He came, and after that the treatments he was taking for his condition began to work, as they had not done before.

A couple of months later, we invited Fr. Paul to come with us on a pilgrimage to the Shrines in Louisiana. He agreed that this kind of trip would not be too hard for him, so he came. Our first stop was to the Grave Site of Charlene Richard. While there, we all got out to pray the Rosary at her grave. We all headed to the Church of St. Edward, which is next just to the graveyard. Besides paying a visit to the church, Charlene’s brother was going to meet us there and give a talk about Charlene. I happened to notice that Fr. Paul was letting everyone go in the church ahead of him. He stopped a small statue of Our Lady Lourdes that was up on a pedestal outside the front door of the church. He told us later, that he stop to ask Our Lady’s help in curing him of his cancer.

From there, we headed to Prairie Ronde, to the Ave Maria Shrine of Our Lady of Fatima. If you have not been there, it is an exact replica of the little chapel shrine in Fatima, Portugal. For this visit there, the visionary from Venezuela, Juan Antonio Gil was present. When he is present, Our Lady appears to him with a message for everyone. The people who maintain the Shrine did not know that a priest was with us. But, Our Lady did, and asked Juan Antonio to bring the priest forward.

After Juan received the message, which was translated into English for us, he said that something very unusual happened. He said that when Our Lady appears to him, she is always dressed in the robes of Our Lady of Fatima. But today, she came to him as Our Lady of Lourdes, with the long blue sash tied at her waist. When he said that, we knew that was because of Fr. Paul’s prayer to her in Richard, Louisiana. It was as plain as the nose on our faces. Our Lady made sure that Fr. Paul knew that she heard his prayer.

has blessed us all and is still blessing us.

I went to another wake yesterday and saw two people that I hadn’t seen in a long time, Brian & Pat Klause. Especially Pat. These two people were very, very active in the starting up of Mary’s Helpers & the Servites. The deceased, Beverly Burregi, was very active with us. She had an effort to promote Our Lady and her messages. She is gathering them all around her now, in Heaven. I am sure that they are praying, before the Throne of God, for the younger people to pick up the bar and run with it, the way we all did.

I went to 4 funerals in one week. One day, it will be my turn. I hope there will still be some of our generation to witness the work that we did, and how Our Lady

St. Sharbel Makhlouf  
May 8, 1828 - December 24, 1898  
Saint of Miracles - Part 20  
Recent Documented Miracle  
The testimony in the following miracle involves a “visit” from St. Sharbel by MargaretBIe"sr  
Mr. Salib Doub, a resident of Ohio, was born in Egypt in 1950. After being diagnosed with fourth degree lung cancer the cancer spread into his thoracic cavity. The treatment of chemotherapy and radiation was begun, but severe pain ensued. Nothing seemed to improve his condition; the doctors estimated that his time was short and therefore advised his family to fulfill all the father’s requests.  
Mr. Doub’s daughter asked one of her friend’s to obtain oil from the tomb of St. Sharbel for her father. On June 29, 2019, after receiving oil and soil from the tomb, Mr. Doub’s wife anointed him with the oil and dissolved the soil in a glass of water for him to drink. On the same day, Mr. Doub was healed! St. Sharbel had answered their prayers through a miracle of healing!  
The medical reports were sent to the monastery where the miracle was recorded on July 17th, 2019.  
Second Miracle  
Joe Michael Abi Hatem, an agricultural engineer born in Lebanon in 1995 began experiencing headaches that became more severe each day. An injury to his finger caused bleeding that could not be stopped. He was taken to the emergency room where he was examined by Dr. Salma Steinf. Tests were taken that showed Joe Michael had cancer of the blood. He started chemotherapy and underwent surgery. St. Sharbel appeared to Joe in a dream and stayed beside him in silence. The Lord also appeared in the dream and placed his hand on Joe’s waist. On the second day, December 22, 2018, Joe’s immune system recovered! On December 30, 2018 Joe was discharged from the hospital.  
After several reviews of the laboratory tests, the doctors told Joe and his family, “Congratulations! Joe Michael is healed!”  
St. Sharbel appeared to Joe’s mother in a dream and said to her sweetly, “Be quiet, be quiet.” She asked him for a sign to understand if Joe Michael was healed. St. Sharbel then gave her a sign by closing and opening his eyes three times.  
The family went to Annaya in July of 2019 to thank St. Sharbel and brought the medical records to register the miracle.

so much pain, I decided to phone Lori myself, but Gayle had already done that, so I called Jane, Harold’s sister. She waited until the next day to see him, since she had been helping all the other sick relatives. Harold was treated with anti-biotics to stop any infection, then more x-rays, anti-biotics and pain medication.

Harold’s good friend and fishing buddy, Val, was a blessing to me. He came to relieve me so I could go home to rest. I had not had any sleep for 48 hours.

On March 17th, 2003, Harold’s good friend and fishing buddy, Val, was a blessing to me. He came to relieve me so I could go home to rest. I had not had any sleep for 48 hours. 

The 35th - Margaret Trosclair, Late, La.

Part 2

After I got Harold settled in the emergency room, I went to put his clothes in the car. That’s when I discovered Mother Mary’s picture was still in my trunk. This time it was wrapped as a gift. I brought it in and tore the Christmas paper off. I stood it up on a big flat top sheet pall. The male nurse told me I couldn’t keep it there because the pall is used a lot. I found another place where she would be looking down directly to the front of Harold instead of the back. He and I prayed like we never prayed before.

Then the x-rays began. I hadn’t phoned any family yet, I was waiting till I had some information. My daughter is expecting her second child next month, so many in the family are ill, I did not want to excite or worry anybody. We’d arrived at about 6:30 p.m., by 7:30 p.m. I decided to call Gayle to tell her what happened. Gayle asked if anyone was with me. When I said, “No one,” she said, “Margaret, you have to tell Lori, she’ll be more upset if you don’t.” I asked Gayle to call my son-in-law first, then let everyone else know. After I hung up the phone, I went back to where Harold was. He was in partial mastectomy with a lymphectomy. From May to July I had 35 treatments of radiation. After regular check up I was clear of the cancer. I continued to have yearly mammograms. In December 2002 another lump was discovered a quarter of an inch from the previous one. The doctor recommended that it be taken out immediately. The surgery was scheduled for June 14th. On December 17th, we came to the Mass here at Saia’s and Louis said a Rosary for cancer patients. It really touched me that night. Also Benedictin was for those there with cancer and I went up to receive the blessing.

My husband and I said the Rosary in front of the Blessed Mother’s picture at home. He would ask that they wouldn’t find the lump to be cancer and for a sign.

The surgery was performed on the 14th of January and we came to the Mass on the 17th. Louis said the Rosary again for cancer patients. Well, I went for the results of the biopsy and it wasn’t cancer, just fatty tissue.

If you remember, it was very cold on the 17th and the next few days. The Sunday when returning

My wife and I had the pleasure of having one of the pictures of “Our Lady of Compassionate Protection” in our home from May 27, 2002. Our primary reason was to pray for one of my wife’s friends. This lovely lady had been diagnosed with cancer. All indications were that it was wide spread throughout her body. No one spoke about it clearly, but everyone knew that her time in this world would be short and all the treatments and medicine would not make her better. She was on a path to great pain and discomfort with not too much hope. We prayed one or two Rosaries, once we did three each day over a period of time.

My wife never told me until after the picture had been returned to Mary’s Helpers that when we prayed, my wife felt she could see Our Lady praying with us. Our Lady’s lips would move. During one of these Rosaries my wife stated she thought she saw lights flash around Our Lady as we prayed. For myself, I never saw anything. However, I was very glad to have the picture near, because it is a beautiful work of art.

When I returned the large picture, I purchased a smaller one and had it blessed and placed near, because it is a beautiful work of art. However, I was very glad to have the picture near, because it is a beautiful work of art.
