"Dear children! Pray, witness and rejoice with me because the Most High continues to send me to lead you on the way of holiness. Be aware, little children that life is short and eternity is waiting for you to give glory to God with your being, with all the saints. Little children, do not worry about earthly things, but long for Heaven. Heaven will be your goal and joy will begin to reign in your heart. I am with you and bless all of you with my motherly blessing. Thank you for having responded to my call."

Return to prayer because who prays is not afraid of the future; who prays is open to life and respects the life of others; who prays, little children, feels the freedom of the children of God and in joy of heart serves for the good for his brother-man. Message**
by Fr. Al Bermudez, OSSM

Mary our Mother greets us with affection every month. Our precious children... I have a few important things to tell you about our relationship with God the Father.

We are created to pray, witness and rejoice, especially with our Mother Mary for God. That is why she is continually sent to you and I to lead us to holiness. God's way is to eternal happiness and is not the focus on earthly things, rather than focusing on God and the Saints.

Our souls and our being is supposed to find fulfillment in our longing and accomplishing our heavenly duty, therefore let us focus on it, than waste time on earthly affairs, that are short and meaningless: For Example: What if you studied for years and years on automobiles and you never entered a race like the Daytona 500. It means your knowledge and earthly strength was thrown away and wasted rather than focusing on winning the race.

This example is very limited because we are talking about eternal happiness with God versus a car race. Thank God for Mary our Mother for keeping us focused on reaching our goal that will reign in our hearts forever.

Mary will accompany us and give us Her Motherly Blessing, so let us wake up and focus on our work to please God and our Mother will help us to live in joy with our brothers and sisters in this heavenly race. Our race is short and joyful, in Jesus, with Mary our Mother. Amen and God Bless Love Fr AL

Mary affectionately calls to us, "Dear children!" Saying this is important LISTEN.

First, "Return to prayer, because, he who prays is not afraid of the future".

Secondly, "Who prays is open to life and respects the life of others".

Thirdly, "Who prays, little children, feels the freedom of the children of God and in joy of heart serves for the good for his brother-man".

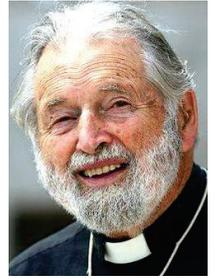

"Because God is love and freedom, therefore, little children, when they want to put you in bonds and to use you, it is not from God.

Because God loves and gives His peace to every creature; and that is why He sent me to you to help you grow in holiness"

This is a straight forward message! Our first duty is to PRAYER in our Christian life as brothers and sisters of Jesus. Mary even qualifies the benefit of prayer removes "fear". Prayer strengthens "Faith" in our conversations with God and Jesus. The Holy Spirit aids us, graces us with confidence and joy of heart to serve with our brother and sisters for their good.

We could write ten news letters to get a little more understanding. God is love and He makes us his children rich in anything we need or ask for in prayer; especially the gifts of "love and freedom". Not to be put in bonds, by half truths and lies of other semi-religious truths. The "deceiver – Satan is using all his weapons to lure us away from the Body of Christ the Church. For example-how many children are not coming to mass or receiving the Eucharist at mass. Let us not "starve" spiritually. Stay united to the Body of Christ – the Church at prayer, through the mass. Listen to Mary our mother. She has been given to us in this precious time, listen, follow, act on what Mary calls us to do. Love Fr Al

From The Desk of **FATHER PAUL BERGERON**

EVEN THROUGH TRAGEDY THERE ARE MANY BLESSINGS

After this tragic storm where many people from down the bayous are living in tents and cars and many of us have had damage to house and property, at least we are alive. It is easy to concentrate on the material instead of the spiritual because we have let the material possess us rather than we possessing them. Through the eyes of faith we realize that we don't have to travel too far from us to find someone else far worse than ourselves. Other people who don't know what home is will say, "Well why don't you just move." Well it isn't that easy to pull up roots where your ancestors and you have put your blood sweat and tears in a place where you have lived all your life. A place where you have learned your faith and allowed it to grow. Will you move to California to deal with unbelievable traffic or earth quakes? Will you go to Kansas to deal with tornadoes or on the East Coast to deal with snow blizzards? As for me, I am staying put and using my faith to rise above my tragedy and say yes it could have been far worse. I am going to ask my God to give me the strength to see things in a heavenly vision. The true home is that place where God calls us all to be. It is Eternal Life because remember we are not to be here forever. We are all just passing through until we reach eternal life. There, we will be at peace with God forever and this home has no place for worry, trouble or hurt. Let us all remember that "Home is Where the Heart is" and our hearts should be with Almighty God. Amen and God Bless You Reverend Father C. Paul Bergeron.

WORDS OF ST. SHARBEL ON THE HUMAN FAMILY

The human family on earth is the image of the Holy Family in heaven. The family passes on the plan of God from one generation to another. It transmits the love and word of God through the generations. The collapse of the family means the collapse of God's plan in humanity. It means the breakup of the message of salvation and sanctity to humanity. Every family is a holy family because it is the image of God the Trinity. The corruption of the family means a corruption of the image of God. The family carries the torch of light and passes it from one generation to another so the world may remain lit by the light of the Lord.

The family is the rope that binds humanity together through time, binds generations through history, so that humanity may grow and increase; and if this rope which binds humanity together was broken, and humanity gets separated from its history, it would be no more than lost generations which have neither history nor identity. The family is what gives people their human identity and impresses the image of God in them. The family is what preserves the

memory of humanity; humanity without family is humanity without memory. A person without memory keeps turning in place, and humanity without memory will stop in history and die.

The family is the basis of the Lord's plan; and all forces of evil are focusing all their evil on destroying the family because they know that by destroying the family, the foundations of the plan of God will be shaken. The war of the Evil One against the Lord is his war against the family, and the war of the Evil One against the family is the core of his war against the Lord. Because the family is the image of God, from the beginning of the creation of this universe, The Evil one is focusing on destroying the family, the foundation of God's plan.

The family is the place where a man communicates with God and with his brothers in humanity. Without the family, this communication is broken and nothing can ever make up for it, and if man attempts to reconnect the broken contact using his human means, it will become fragile, weak and twisted, and humanity will become ill and warped - moving towards a slow death.

Guard your families and keep them from the schemes of the evil one through the presence of God in them. Protect and keep them through prayer and dialog, through mutual understanding and forgiveness, through honesty and faithfulness, and most importantly, through listening. Listen to one another with your ears, eyes, hearts, mouths and the palms of your hands, and keep the roaring of the noise of the world away from your homes because it is like raging storms and violent waves; once it enters the home, it will sweep away everything and disperse everyone. Preserve the warmth of the family, because the warmth of the whole world cannot make up for it.

LETTER FROM ONE OF OUR READERS

Hi Neighbor,

My name is Carolyn and I'm writing you today to share a comforting thought from the Bible.

Today in our world we have so many problems and anxieties that many find it hard to deal with. So we need some comforting.

Sometimes in the news we hear that someone has taken their life because they have too many problems facing them.

Even if you feel like you have no way out, you can find comfort in knowing that God will always be there for you. He promises this in (Issiah 41:10) when he said, "Fear not, I am with you; be not dismayed; I am your God. I will strengthen you, and help you, and uphold you with my right hand of righteousness."

So God will help us when we go to him in prayer and pour out our hearts and let him know how we feel.

He's our heavenly Father and he loves and cares for us. Knowing this it could help us have peace of mind to deal with our problems.

Well, I hope you're well, be safe and have a great day.
Sincerely Carolyn

Miracles and Guardian Angels

I know most of us have at one time or another felt the presence of our guardian angels. We can relate to the bumper sticker that says "Don't drive faster than your guardian angel can fly". In our daily lives we are surrounded by miracles. Miracles that we can only see if we open our hearts to God. Once you let God in, you will recognize these moments more clearly. I personally was having a hard time dealing with Hurricane IDA, I wrecked my car, my husband and I both got covid at the same time. But in all of these things happening to me, I realized that each one could have been a lot worse. So call it a miracle or call it my guardian angel working overtime, but I can truly say that miracles happen around us every day. Our angels do help us and protect us. Praying and having faith in God will get you through the most difficult times. Just be patient and take a moment to truly look around, to see all the good in your life. All the joy and love that surrounds us every day. If you just open your eyes and your heart to Jesus, he will take care of it all. I promise.

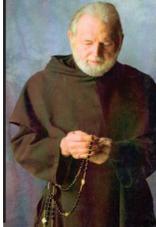

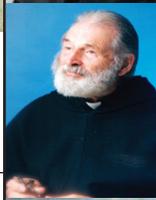

THE GUARDIAN ANGEL

God has commanded the Angels to watch over us and protect us during life's journey.

Saint Sharbel Miracles

Miracle No. 46

Miss Sally Abdo Chaaya was born in Deir EIqamar 1993 & worked as a lawyer. As she tells about her health condition attached to the medical reports.

"In February 2020, I had a pain in my stomach for one week. I visited Dr. Rosette Daaboul in the Hospital, and after having done the necessary tests, she found an inflammation of the stomach and intestine. So she referred me to Dr. Geagea, who performed endoscopy for my stomach and intestine which found an ulcer in the intestine telling me that I suffer from Crohn's disease. He offered me a medicine that would accompany me for the rest of my life. To get a second opinion, I visited Dr. Philip Senior in the hospital at Mar Youssef Hospital, and after renewing the tests, he let my treatment continue and asked me to repeat the tests every two months. My inflammation had been increasing every month.

So I started praying to the Lord asking for the intercession of St Charbel to heal me from my chronic illness, and as well my mother

and my family were asking for his intercession. On June 17, Saint Charbel appeared in my dream in this way: "I **saw that I was in front of the monastery gate at night and I was screaming with a loud voice, so St Charbel opened the door and said Literally to me: why are you screaming? I am with you, but you are not! You: you don't go to Mass**" and then the dream ended. The next day, June the 11th, I had the last examination, and I was waiting for the result. Finally, but on June 22, 2020 I took the result from the doctor who showed his amazement as the result came that the inflammation had disappeared. The doctor praised God for my recovery. "I went to the Monastery of St Sharbel and thanked him for healing me and the medical report and recorded the miracle on June 27, 2020.

Miracle No. 47 - - - Ms. Claude Said Al-Khoury was born in Kafr Zabd 1973 and lives in Jbeil, a plastic surgeon. As she tells about her health condition attached to the medical reports: "I felt an external pain in the pelvis, so I visited Dr. Aboud. After laboratory tests, he scheduled a date, September 29th, 2019 for me to have a surgical operation to remove the cancerous disease from the ovary. Before surgery I dreamed, I saw a cup of yogurt in front of the picture of St

Sharbel. In the cup I saw 3 Black points and a pinkish point. Ten days after the operation, I underwent a biopsy, and the result came back that I had cancer in the ovary, the bowel, and the urinary tract, and this is the interpretation of the three black points.

In this difficult stage, I prayed to St Sharbel asking for the grace of healing. The doctor decided to conduct 18 sessions of chemo before doing the surgery. After the ninth session, he asked me to have an MRI. The result showed the disappearance of the cancerous disease and the inflammation reduced. My Doctor, Marwan Ghosn, was totally amazed at the result and repeated the exams several times. During this time I never stopped praying and visiting the Monasteries of Saint Charbel and of Saint Rafqa asking them to heal me from my disease. Today I have come back to full health and I thank Saint Charbel for his intercession and healing. I went to the Monastery of St Sharbel with the entire medical report and recorded the miracle on July 14, 2020.

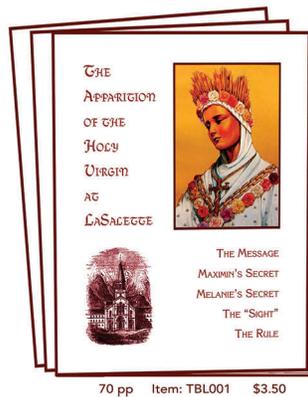

MARY'S HELPERS is proud to offer a fresh and trustworthy English translation of the entire Apparition of LaSalette, including the "Secrets" and the "Sight."

LaSalette was the FIRST modern Marian Apparition in which Catholics could personally interview the visionaries. The 1830 Miraculous Medal and the 1840s Holy Face messages were given to nuns who remained concealed in their convents. Melanie and Maximin, ages 14 and 11, were rustic young people living in the Alps, completely unknown to French society. After Our Lady appeared to them on September 19th, 1846 they became instant celebrities who greeted pilgrims patiently as thousands of people journeyed from all over Europe to climb the mountain and listen to the story firsthand.

You know about Lourdes and Bernadette. And surely you know about Fatima and little Lucia, Jacinta and Francisco? Why do you know so little about LaSalette and Melanie and Maximin? Perhaps the short answer is that Divine Providence allowed this fully approved Apparition to fall out of the public memory because it was destined for "the Apostles of the Last Times" and we have arrived at the Last Times!

Our Lady consistently referred to "times" in the plural because it is not the

LaSalette is for Our Times the "Last Times"!

end of time, not the end of the world. Our Lady is referring to two times, two eras. We are living through the transition from an era dominated by sin and evil spirits, to a new era of grace under the dominion of the Hearts of Jesus and Mary. We are assured of eventual triumph, but Our Lady wants us to understand that this will not be a pleasant or easy transition. We must be brave and steadfast. She calls us to fight with her because Satan and all the demons in hell realize that this is their last chance to roam the earth and entice us with every temptation imaginable. The stakes are high, heaven for the winners, hell for the losers.

The Blessed Mother showed hell to the little children at Fatima and talked about the sins of the flesh which concern the 6th and 9th commandment. At LaSalette she talked about the sins that concern the 2nd and 3rd commandments. It is a "life or death" matter to willfully miss Mass on Sunday. It is a grave matter to use the Lord's name in vain, or any foul language which has no place on the lips of a Christian. She warned that God would have to employ punishments to make people feel something of the pains of hell to help them realize the gravity of their situation and their need to repent before it is too late.

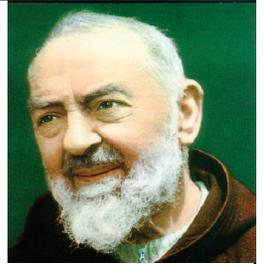

It's usually not sinners who pay attention to Apparitions, but the devout who are weeping because the God whom they love is not loved. You, devout readers, will be consoled by Mary's tears. She is near us and She offers us encouragement that our small sacrifices can have a great effect in the conversion of sinners. In the Rule, She urges us to increase devotion to the Souls in Purgatory. She had much to say on that Saturday in September. She begged the children to "Make this known to all my people." Get several booklets to share. Make it known! The website on the back of the booklet links you to videos, and more LaSalette information.

Urgent Message from Saint Padre Pio to Enoch. July 21st, 2021

https://www.youtube.com/watch?v=5JAsWhYSN_c (Message script)

Message from Saint Pio of Pietrelcina, as given on July 21st 2021.

Saint Pio began, Peace and blessings, my brothers in Jesus Christ

I communicate again with you flock of the Lord, bringing you the Peace of the Good God. Brothers in Christ, ask for my humble intercession when you feel attacked by the enemy of your soul; for by the grace and mercy

of God, I am also spiritually in this world among you. Have recourse to me, my brothers, when you feel sick in body or soul; my humble intercession is heard by the Good God, who never ignores the supplications I make to him in favor of all my devotees.

When you feel sick in body or soul, say:

Eternal Father, through the intercession of your Beloved Servant, Padre Pio of Pietrelcina, I humbly ask you to grant me the grace to be free from every spirit of darkness that disturbs my soul and my peace; from every spirit of sickness that afflicts my body, especially [state your intentions]

Oh, Father of Mercy, I ask this through the merits of the holy stigmata of the passion of your Son, which your servant Padre Pío de Pietrelcina has borne holy in life. May everything be for your Glory. Amen

Then pray the Creed, an Our Father, a Hail Mary, and Glory to the Father.

This prayer that I give you my beloved brothers, will be of great spiritual help in this time of tribulation that you are already living; do it with faith and in the grace of God when you feel sick in body or soul; I assure you that you will not be disappointed.

Brothers in Christ, all blessed souls, we accompany you in your passage through the desert of purification, we have been given the grace to heal, to liberate and to work miracles in the People of God, if your free will allows us. Do not be afraid, we are here to serve and protect you, it is our honor to be able to do so. I am one of the many blessed souls who will be with you; invoke my company at all times, especially when you pray the Holy Rosary; remember that when I was in this world I did not let go of my rosary, always asking for the salvation of sinners, for priestly vocations, for the propagation of the rosary, for peace, for the church, for the sick and for the conversion of the whole world. I have been the promoter of cenacles of prayer, spreading the prayer of the Holy Rosary throughout the world; therefore, I ask you, brothers, to remember me, so that through my humble intercession many souls may become devotees of the Holy Rosary.

Do not forget that the prayer of the Holy Rosary is the most powerful spiritual weapon that Heaven has given you, to defeat the Devil and his armies of evil. Bring your rosary with you and pray it; do not let it go, for it is a powerful Armor with which you will have the protection and intercession of Our Lady and my humble intercession, if you heed me.

Remain brothers in the Peace of the Good Lord.

Your Brother in Christ, Padre Pío de Pietrelcina.

Make these messages of salvation known to all humanity, my beloved brothers.

HICCUPS

I was in a Restaurant tonight. I saw a young woman who knew of me through CBIB and she had some mutual friends who worked with our CBIB Funerals. She came up to me and said she had been seeing CBIB on Face Book..

After our brief meeting, she followed me into the bathroom and proceeded to tell me her life story. When she was 18 she had gotten pregnant. She did not want the baby and was considering an abortion. A friend of the family took her aside and asked her if she didn't

want the baby, that they would like to adopt it. So that was the plan, but after some time, she started to feel the baby move in her womb. One day the baby had the hiccups. She said, "I couldn't make the little critter stop, it continued over and over." She was trying to describe to me how beautiful that feeling of the baby in her womb was. It made her fall in love. No longer was this an unwanted baby. As she was trying to describe her feelings to me. I saw tears in her bright shining eyes and I started crying too. There were people going in and out of the bathroom. As we were sharing this intimate moment together, an older woman past us both. She must have caught a glimpse of the conversation and saw our faces. She gave me an approving smile. Her smile was like the kind a mother would smile. She had a sweet and understanding face, as if she knew the end of the story, and it was a good story.

Anyway, I think it was a divine appointment that we all shared together in the bathroom, thanks to hiccups!

This same woman continued to share just how much in love she was with her son. He was her whole world! She said, "Just think, I thought that baby was going to ruin me, but instead he was sent to save my life!"

"Let us not imagine that we obscure the glory of the Son by the great praise we lavish on the Mother; for the more she is honored, the greater is the glory of her Son. There can be no doubt that whatever we say in praise of the Mother gives equal praise to the Son."
 — St. Bernard of Clairvaux

DECEMBER MONTH OF THE IMMACULATE CONCEPTION

The month of December is dedicated to the Immaculate Conception of the Blessed Virgin Mary. Chosen before time to be the Mother of God Incarnate, Jesus Christ, God created Mary perfect and full of grace, preserving her from the stain of Original Sin. Mary Immaculate is the most beautiful fruit of the work of redemption accomplished by her Son, thereby making her the perfect model of holiness for all Christians.

O MARY, conceived without sin,
 Pray for us who have recourse to thee.

WED DEC 8

Ultimo Mensaje, 25 de septiembre de 2021

"¡Queridos hijos! Oren, testimonien y regocijense conmigo, porque el Altísimo sigue enviándome para guiarlos por el camino de la santidad. Sean conscientes, hijitos, de que la vida es breve y que les espera la eternidad para glorificar a Dios con todo su ser y con todos los santos. Hijitos, no se preocupen por las cosas terrenales, sino anhelan el cielo: el cielo será su meta y la alegría reinará en su corazón. Estoy con ustedes y los bendigo a todos con mi bendición maternal. Gracias por haber respondido a mi llamado."

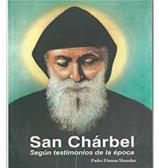

Ultimo Mensaje, 25 de octubre de 2021

"¡Queridos hijos! Regresen a la oración, porque quien ora no le tiene miedo al futuro. Quien ora está abierto a la vida y respeta la vida de los demás. Quien ora, hijitos, siente la libertad de los hijos de Dios y con un corazón alegre sirve al bien del hombre, su hermano. Porque Dios es amor y libertad. Por lo tanto, hijitos, cuando quieren ponerles cadenas y servirse de ustedes, eso no viene de Dios, porque Dios es amor y da su paz a cada criatura. Por eso me envió: para ayudarlos a crecer en el camino de la santidad. Gracias por haber respondido a mi llamado."
