

# Elevate Your Organization's Ethical Leadership with Mariama S. Boney

Navigating ethical challenges in nonprofits and associations requires more than just policies—it demands thoughtful leadership, proactive governance, and a deep understanding of human behavior.

## Popular Speaking Topics:

- **Intersectional Ethics** – Exploring how identity, equity, and values influence ethical decision-making.
- **Volunteers Behaving Badly** – Addressing misconduct, conflicts of interest, and accountability in volunteer leadership.
- **Ethical AI and Trust** – Leveraging artificial intelligence while maintaining transparency and organizational integrity.
- **Wild ‘What Would You Do?’ Scenarios** – Engaging, real-life ethical dilemmas that challenge decision-making skills.
- **Ethics Policies, Procedures, and Processes** – Building a framework for ethical compliance and best practices.
- **Ethical Governance** – Strengthening board ethics, accountability, and fiduciary responsibility.
- **Behavioral Ethics** – Understanding the psychology behind ethical and unethical behavior in organizations.

**Mariama S. Boney, LMSW, CAE, CPEC, CTS** is a sought-after ethics speaker, trainer, and facilitator who brings real-world expertise, engaging storytelling, and interactive learning to help organizations tackle ethical dilemmas with confidence.
