

Press Release

Vidato UK are very please to announce their membership with Commerical Interiors UK.

We believe that this will help us to showcase our bespoke and flexible manufacturing of contract and commercial furniture, panelling, acoustics and more for the contract space.

Sectors that we work within include but are not limited to Maritime, Residential, Government, Hospitality, Retail, Workplace, BTR, Hotel, Education and more. Our owned European Manufacturing in The Netherlands is skilled and ready to discuss your projects.

Do get in touch with katie@vidatointeriors.com to hear more.
