She couldn't understand
Her filtered world is on-demand
Swipe left, swipe right
Drink Pumpkin Spice.

We're into something she couldn't know
It goes deeper than her fancy clothes.

Her dog rides in her purse,
Her Gucci bag is just the worst,
Queen of the mall,
She bought it all.

We're into something she couldn't know
It goes deeper than her fancy clothes.

It doesn't have to be like this,
