

# Fairy Tales

By Carbon Harry

## *Intro*

Walking through the woods  
I got my red hood on

Everyone knows this tale  
And how it all goes wrong

I leave a trail of crumbs  
To find my way back home

Past the candy house  
I'm frightened to the bone

Don't you tell me it's just a fairy tale  
Don't you tell me it's just a fairy tale  
You may not believe in Fairy tales  
Fairy tales  
Fairy tales  
Are real to me

This towers cold and dark  
I want to touch the ground

No matter what you say  
I won't let my hair down

Don't you tell me it's just a fairy tale  
Don't you tell me it's just a fairy tale  
You may not believe in Fairy tales  
Fairy tales

Fairy tales  
Are real to me

*Solo*

Don't you tell me it's just a fairy tale  
Don't you tell me it's just a fairy tale  
You may not believe in Fairy tales  
Fairy tales  
Fairy tales  
Are real to me

Walking through the woods  
I got my red hood on

Everyone knows this tale  
And how it all goes wrong
