

Rolling Green CC Junior Golf 2023

Junior golf will be offered to the membership and public. Children will be allowed to participate in Junior Golf for a fee of \$75 per child and will begin Tuesday, June 14th. Junior Golf consists of three 1-hour golf lessons, followed by 1 hour of golf on the course after each lesson. Each lesson will feature 4 learning stations with instruction. There will be a putting, chipping, irons and driver station for each lesson. The students will spend 15-20 minutes at each station.

Parental supervision is essential to the success of Junior Golf, we will need the parents to help during the lessons and more importantly on the course for both age groups. Junior Golf will be offered to children ages 6 – 17.
